P R O C E E D I N G S

ANNA SIMMONS,

having been first duly sworn, testified as follows:

EXAMINATION

BY MR. CLARK:

Q. Good morning. Could you please identify yourself for the record, ma'am?

A. Anna Simmons.

Q. Okay. Could you spell your name, please?

A. A-N-N-A, S-I-M-M-O-N-S.

Q. And, Ms. Simmons, do you mind if -- you and I -- you and I have talked in -- in the past; have we not?

A. Yes.

Q. Okay. And in those -- those prior depositions, Ms. Simmons, I referred to you as Anna. Is that still okay?

A. Yes.

Q. All right. And you can -- as before, you can call me Miles. So just more specifically, my name is, again, Miles Clark. I represent the Plaintiff John Ashcraft in this case. And so we're here to take your deposition today.

Mrs. -- sorry. Anna, have you been deposed before?

Anna Simmons

May 3, 2017

1 A. Yes.

2 Q. And approximately how many times?

3 A. I think nine times.

4 Q. Okay. And is -- are all of those depositions
5 ones in which you testified on behalf of Experian?

6 A. Yes.

7 Q. Okay. And --

8 MS. BRASTER: Miles --

9 Q. (BY MR. CLARK) -- are all of those --

10 MS. BRASTER: -- this is Jen. If I can
11 interject real quick. I'm going to see if I can just
12 turn up the conference call phone real quick. Can you
13 just give me one second?

14 MR. CLARK: Sure.

15 MS. BRASTER: Thanks.

16 (Pause in proceedings)

17 MR. CLARK: All right. And just -- just --
18 just for the record. So I'm the only one appearing
19 telephonically, everybody else is in Dallas; is that
20 correct?

21 MS. BRASTER: Yes. And for the record,
22 this is Jennifer Braster the attorney for Experian.

23 MR. CLARK: Good.

24 Q. (BY MR. CLARK) Okay. So, Anna, and of
25 those -- of those nine depositions, what -- what was the

Anna Simmons

May 3, 2017

1 first time you were deposed?

2 A. I don't remember. It was several years ago.

3 Q. Okay. It was several -- so it was several
4 years ago was the first time you were deposed on behalf
5 of Experian?

6 A. That's correct.

7 Q. Okay. Do you -- do you recall being deposed on
8 February 24th in a case called Lynn Travers? Twelfth --
9 February 24th of this year?

10 A. Yes, I -- I don't remember the date, but I
11 remember being deposed for Lynn Travers.

12 Q. And -- and, Anna, during the course of the --
13 this deposition, I'll make several representations to
14 you. And when I make a representation to you that you
15 can -- you can rely on that. You can rely on the fact
16 as true. And if I'm wrong, that's going to be on me.
17 Is that okay?

18 A. Yes.

19 Q. Okay. So do you recall -- so I'll represent to
20 you that -- that your deposition was taken -- or
21 Experian's deposition was take on -- in a case called
22 Lynn Travers and that was 16-CV-18 --

23 THE REPORTER: Sir, I need you --

24 MR. CLARK: -- District Court --

25 THE REPORTER: It is it a bad -- sir --

Anna Simmons

May 3, 2017

1 MR. CLARK: -- 27 --

2 THE REPORTER: I can't understand you. I
3 need you to either -- slow down a little bit. The
4 connection is not great.

5 MR. CLARK: All right. Well, this is --
6 I've -- I've appeared telephonically on a number of
7 cases and we've done so through Jones Day's conference
8 line --

9 THE REPORTER: Okay.

10 MR. CLARK: -- the connection has never
11 been a problem before. I don't know why it would be a
12 problem today. But if -- just let me know --

13 THE REPORTER: Okay.

14 MR. CLARK: All right. Should I repeat my
15 last question?

16 THE REPORTER: Please.

17 Q. (BY MR. CLARK) All right. And I'll just
18 rephrase it.

19 Anna, I'll represent to you that I deposed
20 you appearing on behalf of Experian on February 24,
21 2017, in a case called Lynn Travers, which is Case No.
22 16-CD-1848; is that okay?

23 A. Yes.

24 Q. Okay. And do you recall being deposed in a
25 case called Serena Goodman on March 3, 2017, sitting on

Anna Simmons

May 3, 2017

1 behalf of Experian?

2 A. Yes.

3 Q. Okay. And do you recall sitting in as
4 Experian's 30(b)(6) witness on March 9th, 2017, in a
5 case called Michael Hannan, 16-CD-1814?

6 A. Yes.

7 Q. Okay. Okay. And in -- in those three cases --
8 and I'll refer to them as Travers, Goodman and Hannan,
9 you gave testimony as Experian's 30(b)(6) witness; is
10 that correct?

11 A. Yes.

12 Q. And -- okay. And so the -- so those are three
13 of the nine times that you say you've been deposed.
14 Were you deposed -- and so you said the first time you'd
15 been deposed was several years ago, correct?

16 A. Yes.

17 Q. Okay. Any other of the remaining six
18 depositions -- did any of the other depositions take
19 place a few -- a few months ago or a few years ago or --
20 or over what time period did those other five
21 depositions take place?

22 MS. BRASTER: Objection; compound.

23 THE WITNESS: Within the last ten months,
24 maybe, the other five depositions took place. Other
25 than one that was several years back.

Anna Simmons

May 3, 2017

1 Q. (BY MR. CLARK) And so -- so it's fair to say
2 you were deposed once and then there was a gap of
3 several years and then you've been deposed eight times
4 in the last ten months?

5 A. Roughly, yes.

6 Q. Okay. And -- and the reason I ask, Anna, is
7 just to -- to gauge your familiarity with taking a
8 deposition. The -- so before the Lynn Travers
9 deposition on February 24th, 2017, how many of your --
10 how many times had you been deposed back at that time
11 that you sat for that deposition?

12 A. I don't remember.

13 Q. Okay. Would it -- have you been deposed --
14 other than the three depositions that I've pointed out a
15 moment ago, have you ever been deposed at any point in
16 time after February 14, 2017?

17 MS. BRASTER: Objection to vague.

18 THE WITNESS: Yes.

19 Q. (BY MR. CLARK) Okay. And how many times have
20 you been deposed since February 24th of 2017?

21 A. Maybe two. But I don't remember. I didn't
22 look at my deposition dates before today's depo.

23 Q. Okay. So maybe -- maybe -- maybe two, maybe --
24 maybe one or two more; is that fair to say?

25 MS. BRASTER: Objection to the extent it

Anna Simmons

May 3, 2017

1 misstates her testimony.

2 THE WITNESS: I think so.

3 Q. (BY MR. CLARK) Okay. All right. So you --
4 you have some familiarity with your deposition. Would
5 you like me to go over the general admonitions for
6 taking a deposition?

7 A. No thank you.

8 Q. Okay. I will have to ask you a few things,
9 Anna, which you're are probably -- probably aware of.
10 Number one, because this is a -- I'm appearing
11 telephonically, I'll just ask you to wait -- and I'm
12 sure that we -- both of us will -- will get this wrong
13 at certain points during the course of the deposition.
14 But since we're doing this deposition telephonically, if
15 you could please wait to answer my question until the
16 full question is presented, I'll try to -- I'll try not
17 talk over you and I'd appreciate if you didn't talk over
18 me. It may be difficult for us to anticipate where the
19 other is pausing, given that we can't see each other,
20 but I'll -- I'll do my best if -- if you do too; is that
21 all right?

22 A. Yes.

23 Q. Okay. And because this is a deposition
24 we're -- we -- we're interested in answers that are like
25 yes or no and not like uh-huh and huh-uh. That means

Anna Simmons

May 3, 2017

1 that the -- that also means that if an answer calls for,
2 you know, a -- a -- a nod of the head or a shake of the
3 head, we would like you to respond with an affirmative
4 yes or no. Is that okay?

5 A. Yes.

6 Q. Okay. And if -- if I ask a question that you
7 don't know what is -- what I'm asking, I ask plenty of
8 bad questions. Don't -- you can always ask me if you --
9 you need clarification on what I'm -- the question I've
10 asked. Is that all right?

11 A. Yes.

12 Q. And again, if you need a break at any time,
13 just ask and I'll just ask that you answer the question
14 that I have pending before we take a break. Is that all
15 right?

16 A. Yes.

17 Q. And you're aware that you have to tell the
18 truth today, correct?

19 A. Yes.

20 Q. And you must answer my questions without any
21 coaching from your counsel?

22 A. Correct.

23 Q. And you're here to testify as Experian's
24 30(b)(6) witness today, correct?

25 A. Yes.

Anna Simmons

May 3, 2017

1 Q. And you understand that your answers today bind
2 the company?

3 A. Yes.

4 Q. And have you had any drugs or alcohol in the
5 last 24 hours that would impair your ability to answer
6 my questions truthfully and accurately?

7 A. No.

8 Q. Is there any other reason you can't testify
9 truthfully and accurately today?

10 A. No.

11 Q. Do you have any questions for me at all before
12 we begin?

13 A. No.

14 Q. So, Anna, I -- I mentioned before that I would
15 make certain representations to you and -- during the
16 course of the deposition and I'll make several
17 representations to you here just for purposes of getting
18 us both on the right -- on the right track. And so --
19 so just listen carefully and then -- and then we'll --
20 we'll get started.

21 So the first thing I'll represent to you is
22 that Mr. Ashcraft, John Ashcraft, who is the plaintiff
23 in this case, filed a Chapter 7 Bankruptcy Petition in
24 the US Bankruptcy Court for the District in Nevada on
25 April 29, 2011.

Anna Simmons

May 3, 2017

1 Is that okay?

2 A. Yes.

3 Q. The second thing I'll represent to you is that
4 Mr. Ashcraft's bankruptcy was discharged in August 2011.
5 Is that all right?

6 A. Yes.

7 Q. And I'll finally, for now, I'll represent to
8 you that the -- that Mr. Ashcraft filed his complaint
9 with the U.S. District Court for the District of Nevada
10 on December 22, 2016. Is that all right?

11 A. Yes.

12 Q. And I may -- may make some other
13 representations while we go along.

14 So now let me -- let me ask you basically,
15 do you know why you're here today?

16 A. Yes.

17 Q. And why are you here?

18 A. To sit as a 30(b)(6) for Experian.

19 Q. And what did you do to prepare for your
20 deposition?

21 A. I sat with my attorney.

22 Q. Okay. And -- and when did you talk to your
23 attorney?

24 A. Yesterday.

25 Q. And about for how long?

Anna Simmons

May 3, 2017

1 A. About four hours.

2 Q. And was anyone else besides you and your
3 attorney present for the conversation?

4 A. It was me and two of my attorneys.

5 Q. Okay. And who were the attorneys that were
6 present?

7 A. Jennifer Braster and Andrew Cummings a.

8 Q. And who is Andrew Cummings?

9 A. He is an attorney for Experian.

10 Q. Okay. And so it's fair to say he helped you
11 prepare for today's deposition, along with Jennifer
12 Braster?

13 A. Yes.

14 Q. But he's not on the call with us today,
15 correct?

16 A. Correct.

17 Q. Okay. Let's see. Okay.

18 MR. CLARK: So let's see. At this point,
19 Madam Court Reporter, you have a list of -- a binder
20 with exhibit tabs in it; is that correct?

21 THE REPORTER: Yes, we do.

22 MR. CLARK: Okay. And, Jen, let's see. I
23 had -- I had one copy printed, but I'm going to be able
24 to refer you to Bates numbers for -- for each of the
25 exhibits that I -- that I intend to enter. The only

Anna Simmons

May 3, 2017

1 exception is going to be the one that I enter now, which
2 is going to be the First Amended Deposition Notice and
3 Amended Objections. Okay?

4 MS. BRASTER: Okay.

5 MR. CLARK: All right. So, Madam Court
6 Reporter, if you could please enter Tab 1A and Tab 1B
7 as -- together as Exhibit 1, please.

8 (Exhibit 1 was marked)

9 MR. CLARK: Thank you.

10 Q. (BY MR. CLARK) Okay. So, Anna, please take a
11 moment to look over what I've had the court reporter
12 mark as Exhibit 1 and let me know when you're ready to
13 proceed.

14 A. Okay. I'm ready.

15 Q. All right. So do you recognize the documents
16 that I've had marked as Exhibit 1?

17 A. Yes.

18 Q. Okay. Have you seen them before?

19 A. Yes.

20 Q. And what are they?

21 A. Amended Notice of Deposition.

22 Q. Okay. Is there another document attached as
23 Exhibit 1, aside from the Amended Notice of Deposition?

24 A. (Looked at document.) Yes.

25 Q. Okay. And what is the title of that document?

Anna Simmons

May 3, 2017

1 A. Amended Objections to the First Amended Notice
2 of Deposition.

3 Q. Okay. I just wanted to make sure -- and -- and
4 you've seen the amended objections as well, right?

5 A. Yes.

6 Q. Okay. So did you -- did you review this notice
7 and these amended objections in preparation for your
8 deposition today?

9 A. Yes.

10 Q. Okay. So what I would like you to do is
11 looking at the Amended Notice of Deposition, there is a
12 list of deposition topics listed on -- from page six
13 through -- through ten of the amended notice. And I
14 would like -- I would like you to look through those --
15 those pages and then just -- as you're -- as you're
16 reading through topics, let me know if there are any
17 topics for which you're not able to testify to today.
18 Is that all right?

19 A. Yes.

20 MS. BRASTER: I'm just going to object to
21 the extent that we had a meet and confer on this and we
22 stand by our amended objections. But the witness can
23 still answer.

24 MR. CLARK: Understood. That's why I
25 introduced amended objections as well.

Anna Simmons

May 3, 2017

1 MS. BRASTER: Yeah. No. Understood.

2 THE WITNESS: Topic O and S.

3 Q. (BY MR. CLARK) And topic O and S, are those
4 subtopics of a particularly numbered topic?

5 A. Number four.

6 Q. Okay. Topic number four, O and S. Anything
7 else?

8 A. (Looked at document.) Topic 12 about adverse
9 action, risk factor and denial codes. Topic 14 --

10 Q. Okay.

11 A. -- for quotas and productivity targets.
12 Topic 16.

13 Q. Okay. Other than -- sorry -- topic 16, sorry.

14 A. Yes, topic 16.

15 Q. Okay.

16 A. (Looked at document.) The rest I can talk
17 about some with just a high overview.

18 Q. When you say the rest I can talk about some
19 with just a high overview, when you say "the rest," what
20 do you mean?

21 A. The rest of the topics that you've had me
22 review.

23 Q. So you are not able to testify as to specifics
24 on any of those topics? When you say high -- I want to
25 understand what high overview means in your mind.

Anna Simmons

May 3, 2017

1 A. It is a general term I use. Maybe some topics
2 I would just have a high overview instead -- and other
3 topics I would be able to give you more specific --
4 specifics and details once you ask me about them.

5 Q. Okay. So we don't know right now the extent to
6 which you're able to provide testimony until I ask the
7 question. Is that fair to say?

8 MS. BRASTER: Objection to the extent it
9 misstates her testimony.

10 THE WITNESS: It's fair to say I would be
11 able to answer a question -- a specific question from
12 you best, instead of just trying to answer generally
13 right now without getting a specific topic to talk
14 about.

15 Q. (BY MR. CLARK) I understand. Let me -- let me
16 just make sure that there are no -- there are no
17 surprises later in the deposition.

18 What topics of -- other than the ones you
19 just listed that you will not be able to testify to,
20 which of the remaining topics are ones for which you
21 believe you can give only, as you -- as you say, a high
22 overview of any questions posed within that topic?

23 A. I'm not able to answer it. It's a very general
24 question. I would need you to ask me about a specific
25 topic for me to know -- you know, it has to be a more

Anna Simmons

May 3, 2017

1 specific question about a topic.

2 Q. Okay. Well then, I -- I'm afraid -- we did
3 hold a meet and confer, I'll represent to you, on -- on
4 your deposition and I will tell you that we -- this
5 is -- this is not a -- an answer that has been given, I
6 think in response to other times you've been deposed.
7 What I'm going to have to do is I'm going to have to go
8 topic by topic and ask you specifically for each topic
9 whether this is one for which you would -- you believe
10 you can a high overview, as you have characterized it.
11 Or one in which you -- you have -- you have more
12 specific knowledge.

13 So I'm sorry I have to do this. But based
14 on your answer, I don't think I have a choice.

15 So let's start with topic one. Is topic
16 one -- and -- and so if I refer to a -- a high overview,
17 I don't know what you mean by that. So I have to use
18 your term. Let me know if you don't understand the use
19 of your term. And I will try to ask another question.

20 But my first question is with the topic
21 one. Is topic one a -- a -- topic for which you can
22 only provide, as you have stated, a high overview?

23 A. No.

24 Q. What about topic two?

25 A. No.

Anna Simmons
May 3, 2017

1 Q. What about topic three?

2 A. No.

3 Q. What about topic 4A to 4N and 4P through 4R?

4 A. No.

5 Q. What about topic five?

6 A. No.

7 Q. What about topic six?

8 A. No.

9 Q. What about topic seven?

10 A. No.

11 Q. What about topic eight?

12 A. No.

13 Q. What about topic nine?

14 A. No.

15 Q. What about topic ten?

16 A. No.

17 Q. What about topic 11?

18 A. No.

19 Q. What about topic 13?

20 A. No.

21 Q. What about topic 15?

22 A. No.

23 Q. What about topic 17?

24 A. No.

25 Q. What about topic 18?

Anna Simmons

May 3, 2017

1 A. Yes.

2 Q. What about topic 19?

3 A. No.

4 Q. All right. So of the topics for which you have
5 indicated that you can only give a high overview only
6 topic 18 is one for which you believe you can only
7 provide a high overview?

8 A. Yes.

9 Q. All right. Did you understand what -- what I
10 meant when -- when I used the term "high overview"?

11 A. Yes.

12 Q. Do you have any questions about the language
13 or -- I'm sorry.

14 Do you have any --

15 Strike that.

16 Do you have any questions about -- about
17 any of the deposition topics, either as -- as they have
18 been phrased or how -- what they're asking for or do you
19 have any other questions about the topics themselves
20 that I can clarify in advance of asking you questions
21 today?

22 MS. BRASTER: Objection; compound and
23 vague.

24 THE WITNESS: I don't have any questions at
25 the moment.

Anna Simmons

May 3, 2017

1 Q. (BY MR. CLARK) Okay. Is there any reason why
2 you feel you don't understand what any of the particular
3 topics for which you can provide testimony today is --
4 is asking?

5 MS. BRASTER: Objection to vague and
6 standing by our amended objections.

7 THE WITNESS: No.

8 Q. (BY MR. CLARK) Turning to topic 16. You said
9 you are not able to provide testimony today is that --
10 did I hear you correctly?

11 A. Yes.

12 Q. Why?

13 A. I do not know what online data exchange is.

14 Q. You've never heard the term "online data
15 exchange"?

16 MS. BRASTER: Objection; outside the scope.

17 THE WITNESS: I've heard of it in other
18 depositions.

19 Q. (BY MR. CLARK) Other than in online -- other
20 depositions, you've never heard of the term "online data
21 exchange"?

22 MS. BRASTER: Same objection. Asked and
23 answered.

24 THE WITNESS: That is correct.

25 Q. (BY MR. CLARK) Okay. So the -- the term

Anna Simmons

May 3, 2017

1 "online data exchange" has never come up in your -- the
2 course of your work at Experian?

3 MS. BRASTER: Objection; outside scope.

4 THE WITNESS: That is correct.

5 MR. CLARK: Okay. I'm going to leave the
6 deposition open on topic 12, 14, 16 and topic one -- O
7 and S -- sorry. Topic four, subtopics O and S. As well
8 as for topic 18, which is the -- which is a -- for which
9 any question I ask call for something other than a high
10 overview.

11 Anna, that's not a -- that doesn't --
12 that's not meant accusatory in any way. We don't want
13 you to testify in any way that -- that forces you to
14 guess or forces you to -- to, you know, speculate as to
15 the answer. But it is my right to hold the deposition
16 open on a series of topics if you were not able to
17 testify. I am doing so now. And we'll -- we'll see how
18 that goes.

19 MS. BRASTER: And we're just -- I will
20 object to leaving it open on those topics. But that's
21 certainly a conversation for another day. I'm not going
22 to go through the objection with everybody on the phone.
23 So we can move forward.

24 MR. CLARK: Of course. Okay.

25 Q. (BY MR. CLARK) Anna, thank you very much for

Anna Simmons
May 3, 2017

1 that. You can -- you can place Exhibit 1 aside. And
2 we'll just do some background questions.

3 I apologize. You've probably heard these
4 before, but I -- this is another deposition and we have
5 not reached an agreement which would permit me to not
6 ask them.

7 So I'll have to ask some of them again.
8 I'm sure these -- the answers will be familiar to you.

9 So, Anna, if you could please tell me a
10 little bit about your educational background?

11 A. I have a bachelor's degree.

12 Q. Okay. And when did you start working for
13 Experian?

14 A. May of 2004.

15 Q. What was your first job at Experian?

16 A. I was a customer service agent. I believe
17 that's what the title was, but I'm not exactly sure.

18 Q. Okay. And about how long did you have that
19 job?

20 A. For about seven months.

21 Q. What time period did you have that job?

22 A. May of 2004 until July -- I'm sorry. Until
23 December of 2004.

24 Q. And did -- what -- is customer service agent a
25 job that still exists as Experian?

Anna Simmons

May 3, 2017

1 A. Yes.

2 Q. Could you just tell me in general what your job
3 duties were as a customer service agent?

4 A. Yes. In general, they were to assist consumers
5 with disputes they might have regarding information on
6 their credit report.

7 Q. Okay. And after December of 2004 -- let me ask
8 you this. Have -- since May of 2004 have you worked for
9 Experian continuously?

10 A. Yes.

11 Q. Okay. And so after December 2004 did you take
12 another job with Experian?

13 A. Yes.

14 Q. What was the name of that job?

15 A. Senior regulatory affairs associate.

16 Q. And about how long did you have that job?

17 A. Until June of 2016.

18 Q. Okay. And so could you tell me just in general
19 is -- what that job entailed?

20 A. I still assisted consumers with disputes they
21 might have regarding information on their credit files.
22 But we received the disputes through other venues, such
23 as an attorney that would be representing a consumer.
24 Could be a regulatory agency. Media venue, attorney
25 general's office, a BBB office, a Congressional office.

Anna Simmons

May 3, 2017

1 Q. Okay. So -- and -- and -- and when did you --
2 sorry. When did you leave that job again?

3 A. June of 2016.

4 Q. And you testified before that you had been
5 deposed nine times, correct?

6 A. I -- I stated roughly nine times. I -- I
7 didn't memorize --

8 Q. Okay.

9 A. -- before I came today.

10 Q. I understand. And -- and I'm not -- the -- I'm
11 not -- I'm not asking that figure. I thought I heard
12 you say definitively, but if you said roughly that's --
13 that's fine. I don't want to put words into your mouth.

14 And -- but the first deposition, if I
15 recall correctly, was -- was about three years ago?

16 MS. BRASTER: Objection to the extent it
17 misstates her testimony.

18 THE WITNESS: I didn't state three years.
19 It was several years ago and I don't remember when it
20 was.

21 Q. (BY MR. CLARK) Okay. But if it was several
22 years ago, I -- the question I'm trying to get to is --
23 were you deposed for the first time while you were in
24 the job you just described for Experian, the senior
25 regulatory affairs associate?

Anna Simmons

May 3, 2017

1 A. I was a senior regulatory affairs associate
2 when I was first deposed.

3 Q. Okay. And were you deposed as Experian's
4 30(b)(6) witness at that time?

5 A. No.

6 Q. Okay. Were you deposed as a representative of
7 Experian at that time?

8 MS. BRASTER: Objection to vague.

9 THE WITNESS: I'm sorry, I don't know
10 the -- the legal explanation for representative of
11 Experian. So I don't want to answer wrong.

12 Q. (BY MR. CLARK) Okay. I understand. Did you
13 testify as Experian's 30(b)(6) witness in that -- in the
14 deposition several years ago?

15 MS. BRASTER: Objection; asked and
16 answered.

17 THE WITNESS: No.

18 Q. (BY MR. CLARK) Okay. And that was the
19 only -- did you -- at that deposition did you testify as
20 to your position as a senior regulatory affairs
21 associate?

22 A. I was a senior regulatory affairs associate
23 when I had that depo.

24 Q. Okay. And -- and do you recall the name of the
25 case for which you testified?

Anna Simmons

May 3, 2017

1 A. I do not.

2 Q. Okay. Other than the three depositions that I
3 mentioned at the beginning of this -- of our
4 conversation -- and those were, for the record, the
5 Travers, Hannan and Goodman deposition, do you recall
6 the names of any of the cases for which you have been
7 deposed in the past?

8 A. One name of the plaintiff was Patty Jo Sharp.

9 Q. Patty Jo Sharp. And -- and here -- here's a
10 real memory test. Do you recall how to spell Sharp?

11 A. Yes. S --

12 Q. Okay. And how do you spell that?

13 A. S-H-A-R-P.

14 Q. And do you -- and how long ago did you testify
15 as a Experian 30(b)(6) witness for the -- I'll just
16 refer to it as the Sharp case. Is that okay?

17 A. That is okay. And I -- I don't remember.

18 Q. Okay. Was it -- was it -- it was sometime in
19 the last ten months. Is that fair to say?

20 A. Yes.

21 Q. Okay. And do you recall what district that --
22 what judicial district, if any, that case was -- was --
23 was in at the time you testified?

24 A. No.

25 Q. Okay. Let's see. Do you recall -- do you

Anna Simmons

May 3, 2017

1 recall any other names of -- of plaintiffs for
2 depositions where you have sat as Experian's 30(b)(6)
3 witness?

4 A. I recall my last one being -- the last name was
5 King and it was two plaintiffs. One was Taiwana and
6 other one I think was Shakina. But I do not remember
7 how to spell either of their first names.

8 Q. That's -- that's -- that's -- that's totally
9 fine. And -- but you said it was King, K-I-N-G?

10 A. Yes.

11 Q. Okay. And -- and -- and if you were to
12 estimate, about when did you take that deposition?

13 A. I believe it was last month.

14 Q. Okay. And let me ask you this -- and I'll just
15 refer to that as -- as the King case, if you don't mind?
16 Is that all right?

17 A. Yes.

18 Q. For the -- for the Sharp case, do you remember
19 the -- the name of the attorney who -- who deposed you?

20 A. No.

21 Q. Okay. You don't remember their first name or
22 their last name?

23 A. No.

24 Q. Okay. What about for the Sharp case -- or did
25 I just ask -- I think I just asked you about the Sharp

Anna Simmons

May 3, 2017

1 case. So what about for the King case?

2 A. I do not remember.

3 Q. Okay. Fair enough. All right. So let's see.
4 In -- so in -- in the summer of 2006 (sic) you took
5 another position at Experian; did you not?

6 MS. BRASTER: I'm sorry, Miles. Can you
7 repeat that? Did you say the summer of 2006?

8 MR. CLARK: 2016.

9 MS. BRASTER: Thank you.

10 THE WITNESS: Yes.

11 Q. (BY MR. CLARK) And what was the name of that
12 job you took?

13 A. Senior legal and compliance specialist.

14 Q. Okay. And what does a -- a senior legal and
15 compliance specialist do at Experian in general?

16 A. In general, I assist with federal litigation
17 that has been filed against Experian.

18 Q. And when you say assist with federal litigation
19 filed against Experian, what do you mean?

20 A. I work with Experian's attorneys regarding
21 federal cases filed against Experian.

22 Q. Okay. And when you say work with attorneys,
23 what do you mean?

24 A. I research and answer their questions.

25 Q. And when you say research and answer their

Anna Simmons
May 3, 2017

1 questions, what do you research?

2 MS. BRASTER: I object to the extent it
3 calls for work product or attorney/client
4 communications. And to the extent your answer would
5 call for that type of information, I would instruct you
6 not to answer.

7 MR. CLARK: That's fine. And, Anna, I --
8 I -- I agree. I don't want you to provide me with the
9 substance of any information which is privileged. I'm
10 asking as -- as -- as you might say a high overview.
11 I'm not asking for any specific information related to
12 any particular case. I'm just trying to get an idea
13 of -- in general of what you do in your -- in your
14 current job.

15 THE WITNESS: And what was the last
16 question?

17 MR. CLARK: Madam Court Reporter, could you
18 read back my last question, please?

19 THE REPORTER: (Read back.)

20 MS. BRASTER: Same objections.

21 THE WITNESS: Whatever they ask me to
22 research regarding a consumer that might have filed
23 federal litigation against Experian.

24 Q. (BY MR. CLARK) Okay. And when you say -- when
25 you say whatever, are there things that are commonly --

Anna Simmons

May 3, 2017

1 that you are commonly asked to research on a regular
2 basis?

3 MS. BRASTER: At this point if it's asking
4 questions regarding exactly what she researches for
5 attorneys, I will instruct Ms. Simmons not to answer on
6 the grounds of work product.

7 MR. CLARK: And -- and -- and to be clear,
8 I am asking in general what she does in her job. I'm
9 not asking for information in any particular case. I
10 think that if she's unable to answer those questions,
11 it's hard to get an understanding about what
12 Ms. Simmons' job actually entails.

13 MS. BRASTER: If it's a higher --

14 MR. CLARK: But we can --

15 MS. BRASTER: I'm sorry. Go ahead. I
16 thought you were finished.

17 MR. CLARK: Sorry. No, no. You go.

18 MS. BRASTER: I was going to say then if
19 the high overview, then I'm just going to object as to
20 asked and answered.

21 Q. (BY MR. CLARK) So Ms. Simmons, are you
22 refusing to answer my question about what you do in your
23 current job?

24 MS. BRASTER: Same objection. Asked and
25 answered.

Anna Simmons

May 3, 2017

1 THE WITNESS: No, I did not refuse to
2 answer your question.

3 Q. (BY MR. CLARK) Okay. So will you answer my
4 question then?

5 A. I'm sorry, can you repeat the last question?

6 MR. CLARK: Certainly.

7 Madam Court Reporter, could you read back
8 the last question, please, before the objection?

9 THE REPORTER: (Read back.)

10 MS. BRASTER: Object to the extent it calls
11 for privileged communications and asked and answered.

12 THE WITNESS: Yes.

13 Q. (BY MR. CLARK) Okay. And what are those
14 things?

15 MS. BRASTER: I'm going to object again to
16 the extent it calls for privileged information. If it's
17 a general answer, you may answer. But any specifics, I
18 would instruct you not to answer.

19 (Phone beeped)

20 MS. BRASTER: Did somebody else just call
21 in? There was a blip on the phone?

22 MR. CLARK: Yeah. I heard that too.

23 Did -- did somebody else call in? If you
24 could, please identify yourself.

25 MS. CHIUSANO: Miles, it's me Lucille.

Anna Simmons

May 3, 2017

1 MR. CLARK: Okay. So for the record
2 everyone, the -- the person on the call is Lucille
3 Chiusano, who is my assistant at my law firm. She'll be
4 observing the deposition today.

5 And, Lu, when you get on and off the
6 conference, if I could just have you identify yourself.
7 They're not giving us the -- the prompt to say who we
8 are. So we want to make sure that -- because it's
9 telephonic, we want to make sure that everybody knows
10 who is on the call at any given time.

11 Is that all right?

12 MS. CHIUSANO: That will be fine.

13 MR. CLARK: Okay. Thank you very much.
14 All right. Sorry about that, Folks.

15 But, Anna, would like -- would you like to
16 hear the last question again?

17 THE WITNESS: Yes, please.

18 MR. CLARK: Okay. You're welcome.

19 Madam Court Reporter, could you read back
20 my last question, please?

21 THE REPORTER: (Read back.)

22 MS. BRASTER: Same objections.

23 THE WITNESS: Can you please ask me the
24 question again? I heard your question, Madam Court
25 Reporter, but I think I might need a more detailed

Anna Simmons

May 3, 2017

1 question again, please.

2 Q. (BY MR. CLARK) Well, let me -- let me ask you
3 this, Anna. Do you recall giving background information
4 or testifying as to the background information of your
5 current job in the Lynn Travers deposition?

6 A. I don't recall what I stated about my job in
7 that deposition, I'm sorry.

8 Q. That's okay. And that -- that -- that
9 testimony isn't before you. I'm just recalling. Do you
10 recall in general giving answers to questions about your
11 background information at that deposition?

12 A. I do recall answering background questions at
13 that deposition.

14 Q. Okay. And do you recall answering background
15 questions at the Goodman deposition?

16 A. Yes.

17 Q. And do you recall answering background
18 questions at the Hannan deposition?

19 A. Yes.

20 Q. And so those -- those answers you gave, those
21 answers were -- to those depositions were true and
22 correct to the best of your knowledge?

23 MS. BRASTER: Objection. Outside the
24 scope. Improper.

25 THE WITNESS: Yes.

Anna Simmons

May 3, 2017

1 Q. (BY MR. CLARK) Okay. All right. We can move
2 on.

3 Okay. So other than answering questions
4 from your attorney, are there any other -- sorry. From
5 the Experian attorneys to be -- to be sure, to the
6 degree that I said something slightly different than how
7 you describe your role, I apologize. But other than
8 answering questions from -- from attorneys, is there any
9 other task that you generally engage in at your current
10 job?

11 A. That is my main function is to work with the
12 attorneys in regard to federal litigation filed against
13 Experian.

14 Q. Okay. Do you -- as part of your job, do you
15 also -- do you also sit for depositions like this one?

16 A. Yes.

17 Q. Okay. And after June of 2016, is that -- was
18 it only after that time that you began sitting for
19 depositions like this one at Experian's 30(b)(6)
20 representative?

21 A. Yes.

22 Q. Okay. And you said the first time you sat
23 through a deposition was about ten months ago? You
24 can't remember the date, I understand, but it was about
25 ten months ago?

Anna Simmons

May 3, 2017

1 MS. BRASTER: Objection to the extent it
2 misstates her testimony.

3 THE WITNESS: Are you asking me as a
4 30(b)(6)?

5 MR. CLARK: Correct.

6 THE WITNESS: I -- I -- roughly ten months
7 ago, I would imagine so, yes.

8 Q. (BY MR. CLARK) Okay. All right. So let's
9 see -- and let me ask you this before I transition into
10 the -- in the main entrée of the deposition. No. 1,
11 Anna, if you want to take a break right now, we're about
12 to transition into a different area. So I'm happy to
13 give you one.

14 So I'll ask you that question first.
15 Would you like a break before we start on another line
16 of conversation?

17 A. No. I'm okay to keep going if everybody else
18 is.

19 Q. Fantastic.

20 MS. BRASTER: Why don't we take a break in
21 a half hour or so and then I can check on lunch and find
22 timing for that and all that good stuff.

23 MR. CLARK: That sounds like a good idea.
24 So great. So, yeah, Anna, again, if you need a break at
25 any point in time, this is not an endurance test, just

Anna Simmons
May 3, 2017

1 let me know.

2 Q. (BY MR. CLARK) So with that, let me ask you:
3 Did you review any documents in preparation for your
4 deposition today, in addition to speaking with your
5 attorneys?

6 A. Yes.

7 Q. And do you recall -- I know we talked about the
8 Deposition Notice and the First Amended Deposition
9 Notice and the Amended Objections. But were there any
10 other besides those two documents? Were there any other
11 documents that you reviewed?

12 A. Yes.

13 Q. Okay. And although you may not recall all of
14 them, do you recall maybe some of the documents that you
15 looked at?

16 A. Yes.

17 Q. And what are those -- what are the documents
18 that you recall looking at in preparation for your
19 deposition today?

20 A. Disclosure log, D/R Log, transaction log, mail
21 correspondence. Disclosure. CDF. Admin report. ACDV.
22 Interrogatories.

23 Q. Anything else that you can recall?

24 A. I cannot recall anything else right now.

25 Q. Okay. Just before we get -- Anna, do you have

Anna Simmons

May 3, 2017

1 any notes or anything else in front of you within --
2 within eyeshot that you're -- that you're looking at
3 while you answer these questions?

4 A. In front of me I have a piece of paper where I
5 wrote down the bankruptcy dates you gave me and
6 complaint filing date you gave me.

7 Q. Okay. So you didn't bring any notes or
8 anything into the deposition with you today?

9 A. I did not.

10 Q. And you're not able to look at your
11 attorney's -- any notes that your attorney may -- may
12 have in front of them. And I don't want to know what
13 those are. I was just wondering if you can see them,
14 if they exist, because I'm not there.

15 A. I'm not looking at anybody's notes, no.

16 Q. Okay. And -- and so I would ask that you not
17 do that during the deposition unless -- unless
18 instructed to do so by -- if the question calls for
19 it or because we have something logistical that comes up
20 that requires you to look at your attorney's laptop
21 screen, if she's got one there. Is that all right?

22 A. Yes.

23 MS. BRASTER: Miles, I'll represent to that
24 I have my laptop turned so she can't see it and I also
25 have my notes on the other side so she can't see them.

Anna Simmons

May 3, 2017

1 Nor would I have her look at my notes or my laptop
2 screen.

3 MS. BRASTER: I understand that. And --
4 and -- and I would not expect that. But just because
5 I'm not there, I just want to, out of an abundance of
6 caution, make sure that that's the -- that's the -- the
7 circumstances on the ground. If I had been present, I
8 probably would not have asked that question at all.

9 Q. (BY MR. CLARK) Okay. So --

10 MR. CLARK: Madam Court Reporter, if you
11 could please introduce --

12 And, of course, Anna, the exception to the
13 paperwork in front of you will be any exhibits that I --
14 that I have -- that I have introduced for you to look
15 at. Obviously, I -- I want you to look at those, so...

16 Just so we're clear.

17 Madam Court Reporter, if you could
18 introduce Tab 2 as Exhibit 2, please?

19 THE REPORTER: Okay.

20 (Exhibit No. 2 was marked)

21 MR. CLARK: And, Jen, for reference, this
22 is Experian 1 through 93.

23 MS. BRASTER: Experian 1 to 93. Got it.
24 Thank you.

25 MR. CLARK: Correct. Sure.

Anna Simmons

May 3, 2017

1 Q. (BY MR. CLARK) And, Anna, do you have
2 Exhibit 2 in front of you?

3 A. Yes.

4 Q. Could you please take a moment and look through
5 exhibit -- Exhibit 2 and just let me know when you've
6 had a chance to review that?

7 A. Yes, I will do that now. (Looked at document.)

8 Q. Thank you.

9 A. I'm finished.

10 Q. So let me first ask a general, did you review
11 all of the material contained in Exhibit 2 in
12 preparation for your deposition today?

13 A. Yes.

14 Q. Okay. So let's see -- I'll now direct you to
15 specific pages of Exhibit 2 and we'll just go through
16 them in general. But if you could direct your attention
17 first to pages 1 to 46, please? When I say 1 to 46, I'm
18 going to be referring to -- there's a number on the
19 lower left -- right-hand corner of the page that says
20 EXP-ASHCRAFT and then has a number -- a row of numbers.
21 If it's okay with you, just to make things easier as we
22 go back and forth between pages, I'll just refer to
23 the -- the number. So, for example, number one, number
24 35, number 28, when I'm referring to pages in -- in
25 exhibits. Is that -- is that okay with you or would you

Anna Simmons

May 3, 2017

1 like me to say the entire number?

2 A. It is okay with me.

3 Q. Okay. And if you have any questions about --
4 if -- if what I say is not clear about where I'm
5 directing your attention, please let me know and I'll be
6 happy to clarify. So I will direct you first to pages 1
7 through 46. And I'll ask you -- well, what -- what
8 in -- in your mind these pages are?

9 A. This is the mail correspondence Experian
10 received for Mr. John Ashcraft.

11 Q. And when you say mail correspondence, what do
12 you mean?

13 A. I mean mail that Experian received regarding
14 Mr. Ashcraft. And when looking through it, there is a
15 dispute regarding information on his credit file.

16 Q. Okay. And when you say there is a dispute
17 regarding information on his credit file, are you
18 looking at particular pages within one to 46 to make
19 that conclusion?

20 A. (Looked at document.) Yes.

21 Q. And what pages are you looking at?

22 A. It appears the dispute starts on page one.

23 Q. Okay. And how many pages does the dispute
24 comprise of?

25 MS. BRASTER: Objection to the extent it

Anna Simmons

May 3, 2017

1 calls for a legal conclusion.

2 THE WITNESS: The verbiage ends on page
3 three. However, there's, you know, additional
4 attachments.

5 Q. (BY MR. CLARK) So it's a three-page letter
6 with -- with a few attachments; is that -- is that your
7 reading of this?

8 MS. BRASTER: Objection to vague.

9 THE WITNESS: It's a three page -- well, I
10 mean it -- it's a lot more pages. So I'm sorry, can you
11 please ask me the question again?

12 Q. (BY MR. CLARK) Sure. I'm -- I directed your
13 attention to pages one to 46, did I not?

14 A. Yes. That is what I'm looking at.

15 Q. And you had -- you had characterized those
16 pages as mail correspondence from John Ashcraft to
17 Experian; did you not?

18 MS. BRASTER: Objection to the extent it
19 misstates her testimony.

20 THE WITNESS: Yes.

21 Q. (BY MR. CLARK) And we had -- we had talked
22 about pages one to three as being a -- a dispute from
23 Mr. Ashcraft to Experian?

24 MS. BRASTER: Same objection, legal
25 conclusion.

Anna Simmons

May 3, 2017

1 THE WITNESS: Yes.

2 Q. (BY MR. CLARK) So what do pages four to 46
3 represent?

4 A. I would have to -- they're all different -- or
5 several of them represent different things. Are you
6 asking me to -- about a specific page?

7 Q. Yes, if the pages -- particular pages within
8 four to 46 mean different things, I would like you to
9 tell me what those things are and specify page numbers
10 for which you believe those differences exist. Can you
11 do that?

12 MS. BRASTER: Objection to vague.

13 THE WITNESS: Sure. I can go through his
14 correspondence and let you know what I think it is.

15 MR. CLARK: Thank you.

16 THE WITNESS: Page -- page five appears to
17 be a disclosure. I believe the disclosure ends on page
18 35.

19 MR. CLARK: Okay.

20 THE WITNESS: I believe page 37 through
21 page 42 -- it appears to be the voluntary petition for
22 bankruptcy for filing Chapter 7 for John Ashcraft.

23 MR. CLARK: Okay.

24 THE WITNESS: Page 47 through page 64 is a
25 disclosure for John Ashcraft.

Anna Simmons

May 3, 2017

1 Q. (BY MR. CLARK) Okay. Just -- I'll stop you
2 right there. I was just -- I directed your attention to
3 one through 46. We'll go through the rest of those
4 pages in a moment. I just wanted to -- but if you would
5 like to -- actually, let me ask a few housekeeping
6 questions about one to 46. And then we'll go through
7 the rest of Exhibit 2. Is that all right?

8 A. Yes.

9 Q. Thank you. I didn't mean to cut you off there.
10 You're -- you're -- you're anticipating my next question
11 and I -- I do appreciate that. So on -- just to close
12 the loop. On Ashcraft 36, that looks like a blank page
13 with a line through it, right?

14 MS. BRASTER: You said 46, right, Miles?

15 MR. CLARK: Thirty-six.

16 MS. BRASTER: Oh, I'm sorry.

17 THE WITNESS: Yes.

18 Q. (BY MR. CLARK) Okay. And there are a few
19 other pages with -- that are blank with lines through
20 them, right? I'm looking at, for example, 38 and 40.
21 And 42. And 44. Do you see those?

22 A. Yes.

23 Q. And is that just -- are those blanks just how
24 they would have scanned Mr. Ashcraft's mail
25 correspondence into records?

Anna Simmons

May 3, 2017

1 A. I believe so.

2 Q. Okay. I'm just trying to make sure we're not
3 missing any pages here.

4 Okay. And I believe that the -- let's see.
5 Did we talk about the documents contained on Ashcraft 43
6 and 45, 46?

7 A. I did not talk about it.

8 Q. Okay. So if I could just direct your attention
9 to those pages before we move on and if you could just
10 tell me what those pages are.

11 A. Page 43 appears to be a copy of a driver's
12 license and a copy of a health insurance, maybe Medicare
13 card.

14 Q. Okay. Looking at 43, can you tell who that
15 driver's license and Medicare card -- what the name is
16 listed on those?

17 A. Yes.

18 Q. What is the name?

19 A. John Ashcraft.

20 Q. What about 45, 46? What are those pages?

21 A. Did you say 45?

22 Q. I -- I did, thank you.

23 A. Forty-five appears to be a copy of the front of
24 an envelope that states "certified mail."

25 Q. Okay. Is there -- is there a date on the

Anna Simmons

May 3, 2017

1 certified -- on 45 that you can ascertain?

2 A. April 25th. And more than likely that's 2016.

3 Q. Okay. And is there a -- is there a name on the
4 return -- the return address that you can see?

5 A. Yes.

6 Q. And what is that name?

7 A. John Ashcraft.

8 Q. Who is this certified mailing addressed to?

9 A. Experian.

10 Q. Okay. And -- and if these pages were included
11 in Mr. Ashcraft's mail correspondence, is it fair to
12 conclude that Mr. Ashcraft sent this correspondence to
13 Experian via certified mail on or about April 25, 2016?

14 MS. BRASTER: Objection; assumes facts.
15 Foundation.

16 THE WITNESS: That's what it looks like.

17 Q. (BY MR. CLARK) Okay. When -- after Experian
18 receives mail correspondence like the kind that we've
19 talked about on pages one through 46, what did Experian
20 do with that mail correspondence after they received it?
21 What is the first thing they do?

22 MS. BRASTER: Objection to the extent it's
23 outside the scope. Vague.

24 THE WITNESS: Well, I believe -- I don't
25 know if there's something before this because I don't

Anna Simmons

May 3, 2017

1 know, you know, all the exact steps. But I believe the
2 first step is opening the mail, reviewing the content of
3 the mail correspondence. And I'm sorry I guess I went
4 to the second step. So I will wait for your next
5 question.

6 Q. (BY MR. CLARK) That -- that's okay. That's --
7 that saves me having to ask the question. So I
8 appreciate it.

9 Who at Experian opens the mail?

10 MS. BRASTER: Same objection.

11 Q. (BY MR. CLARK) Is there a name for that type
12 of person? A -- a job title?

13 MS. BRASTER: Same objections.

14 THE WITNESS: I do not know that job title.

15 Q. (BY MR. CLARK) Is it -- is the job title
16 ACDV agent?

17 MS. BRASTER: Same objections. And assumes
18 facts. Foundation.

19 THE WITNESS: No.

20 Q. (BY MR. CLARK) Okay. Are you familiar with
21 the -- with the ACDV agent?

22 A. Yes.

23 Q. Are you familiar with the job title "dispute
24 agent"?

25 A. Yes.

Anna Simmons

May 3, 2017

1 Q. Are you familiar with the job title "cast
2 agent"?

3 A. Yes.

4 Q. Do any of those individuals with those job
5 titles open the mail at Experian?

6 A. No.

7 Q. Does the person who -- does the type of
8 employee at Experian who opens the mail have any other
9 role in Experian's dispute process after the mail is
10 opened?

11 MS. BRASTER: Objection; outside the scope.
12 Foundation.

13 THE WITNESS: I don't think so.

14 Q. (BY MR. CLARK) Okay. All right. You
15 testified that after the mail is received it's opened
16 and -- and then what happens after that in the dispute
17 process?

18 MS. BRASTER: Objection; outside the scope.

19 THE WITNESS: It is reviewed.

20 MR. CLARK: Hold on. Jen, are -- are you
21 saying that Experian's disputes process is outside the
22 scope?

23 MS. BRASTER: What I'm saying with respect
24 to the mail sorting procedure pursuant to our meet and
25 confer was that she could testify as to this plaintiff

Anna Simmons

May 3, 2017

1 only. So if it's generic, I'm not going to instruct her
2 not to answer, but I'm lodging that objection.

3 MR. CLARK: Okay. And I'm not talking
4 about mail sorting procedures. I'm asking -- I'm asking
5 what Experian does with the mail after it receives in
6 the course of answering a dispute. That's something
7 else, sorting. That's -- that's answering the dispute
8 as far as I see it. So if you're saying that -- you
9 know, we can -- can have disagreement on what my
10 question actually means. But if what you're telling me
11 is that -- is that you're objecting on the grounds that
12 me asking about Experian's consumer dispute resolution
13 process from the beginning is outside the scope, then I
14 think we're going to have a real problem here.

15 MS. BRASTER: Miles, can you give me one
16 second to go back through the topics and just take a
17 quick look.

18 MR. CLARK: Sure.

19 MS. BRASTER: Okay. I looked through the
20 objections. I am going to stand by my objection --
21 excuse me. I looked through our amended objections
22 which identified topics. I am going to stand by my
23 objection, but I'm not going to instruct the witness not
24 to answer if it's general questions with respect to a
25 dispute.

Anna Simmons

May 3, 2017

1 MR. CLARK: Okay. So let me understand,
2 you know, why you believe that this is outside the
3 scope. Are you saying that -- that the process of -- of
4 sending mail correspondence to a -- a particular dispute
5 agent would be not something that is involved in
6 Experian's consumer dispute process?

7 MS. BRASTER: I'm not sure I fully
8 understand your question. What I'm saying is that I
9 don't believe this line of inquiry is contained in the
10 topics that have been propounded, nor in which we
11 identified Anna to testify as to.

12 MR. CLARK: Yeah. I -- I'm going to
13 disagree with you --

14 MS. BRASTER: Okay.

15 MR. CLARK: -- on whether or not this is
16 within the scope of the topics which have been
17 propounded because clearly I think that you and I would
18 both agree that -- that Experian's disputes resolution
19 process is properly contained within the topics for
20 which the witness has been designated. Is that fair to
21 say?

22 MS. BRASTER: Well, it's fair to say we
23 have a dispute. You can certainly ask her the
24 questions. I went back and I looked through the
25 topics --

Anna Simmons

May 3, 2017

1 MR. CLARK: I --

2 MS. BASTER: -- and I -- I made that
3 objection in good faith. I -- I -- that's why I spent a
4 minute here to go back and look through the topics to
5 make sure I was not missing something.

6 MR. CLARK: Okay. I just want to make sure
7 because I know that we've -- we've had disputes which
8 have gone to court where you mentioned, among other
9 things, your -- the fact that I had answered (sic)
10 questions which are outside the scope. So I want to
11 make sure that I understand why you believe that certain
12 questions that I ask are outside the scope. If -- it
13 doesn't -- I think that we -- I think we have a
14 disagreement as to whether or not this is -- this line
15 of inquiry is properly contained within a -- within a
16 topic for which the witness had been designated to
17 testify. But with that being said, we'll -- we'll
18 just -- we'll continue.

19 MS. BASTER: Fair enough. And I agree. I
20 think we have a dispute. I looked through the topics
21 and I don't believe this is contained in one of the
22 topics that we identified Ms. Simmons to testify as to.

23 MR. CLARK: All right. And I -- I -- I
24 disagree with that -- with that contention.

25 MS. BASTER: Okay.

Anna Simmons

May 3, 2017

1 MR. CLARK: But we'll -- we'll continue.

2 Q. (BY MR. CLARK) Okay, Anna. Sorry about all
3 that.

4 Would you like -- would you like me to ask
5 you last question again?

6 A. Yes, please.

7 MR. CLARK: Madam Court Reporter, if you
8 can find it, could you -- could you please read back the
9 last question I had asked the witness, please?

10 THE REPORTER: (Read back.)

11 THE WITNESS: The mail correspondence is
12 reviewed in its entirety.

13 Q. (BY MR. CLARK) Okay. And who reviews it?

14 MS. BRASTER: Same objection.

15 THE WITNESS: Again, I'm sorry, I don't
16 know their title.

17 Q. (BY MR. CLARK) Okay. After that review is
18 done, what is the next step in the dispute process?

19 MS. BRASTER: Same objection.

20 THE WITNESS: I believe that then mail
21 correspondence would be routed into a specific queue.

22 Q. (BY MR. CLARK) Okay. And what kind of queues
23 could it be routed in to?

24 MS. BRASTER: Same objection.

25 THE WITNESS: Some of the queues it could

Anna Simmons

May 3, 2017

1 be routed to would be for a CDI request or for a regular
2 dispute queue or for a fraud dispute.

3 Q. (BY MR. CLARK) Okay. Are there any other
4 queues you can think of?

5 MS. BASTER: Same objection.

6 THE WITNESS: Other than those three, I
7 believe there's a queue where consumers are requesting
8 to be opted out of maybe an Experian mailing list. I'm
9 not exactly sure of the exact terminology.

10 Q. (BY MR. CLARK) I think I know what you mean.
11 Would that be a opt-out for promotional inquires?

12 MS. BASTER: Objection; foundation.
13 Assumes facts.

14 THE WITNESS: Yes. Yes, it could be that.

15 Q. (BY MR. CLARK) And -- and that would be
16 different than a fraud dispute, right? There would be
17 different queues?

18 MS. BASTER: Objection; outside the scope.

19 THE WITNESS: Yes.

20 Q. (BY MR. CLARK) Okay. And so -- so somebody --
21 so somebody at Experian -- we're not sure what the title
22 is -- but somebody at Experian decides when the mail
23 comes in, whether a piece of mail correspondence is a
24 dispute or an opt-out notice or a request for CDI or any
25 of those things. Is that -- is that fair to say?

Anna Simmons

May 3, 2017

1 MS. BRASTER: Same objection. Compound.

2 THE WITNESS: Yes.

3 Q. (BY MR. CLARK) So after assuming that -- that
4 a -- that mail correspondence is determined to be a
5 consumer dispute and is -- is placed in the appropriate
6 queue after that decision had been made, what happens to
7 the dispute after that?

8 MS. BRASTER: Same objection.

9 THE WITNESS: Then an agent would process
10 the consumer disputes.

11 Q. (BY MR. CLARK) Okay. And when you say agent,
12 are there particular titles of Experian agents that
13 you're thinking of?

14 A. I don't know the exact titles. But earlier you
15 stated dispute agent. So I would think that's okay
16 to -- to speak about the agent as a dispute agent.

17 Q. Is that your understanding about who the -- who
18 at Experian handles these -- these particular disputes?

19 MS. BRASTER: Objection to vague.

20 THE WITNESS: Yes.

21 Q. (BY MR. CLARK) Okay. I just wanted to make
22 sure that we're both talking about the same thing here.
23 I don't want to get to a situation where I think I'm
24 saying one thing and you're saying another thing and
25 then we find out at the end of the deposition that you

Anna Simmons

May 3, 2017

1 were -- we were saying different things. Because if
2 that happens, you're coming back.

3 The -- if -- if -- if there's a reason to
4 do so.

5 Okay. So -- so after a dispute is
6 received, then it's a dispute agent that basically picks
7 up the dispute. Is it -- is there any other type of
8 agent who is -- would -- who would handle consumers
9 disputes at this step that we've been talking about,
10 other than what we have both agreed to characterize as a
11 dispute agent?

12 MS. BRASTER: Objection to vague, assumes
13 facts and outside the scope.

14 THE WITNESS: I don't think so.

15 Q. (BY MR. CLARK) Okay. So what does the dispute
16 agent do with the dispute once the dispute agent
17 receives it?

18 MS. BRASTER: Objection; outside the scope.

19 THE WITNESS: They would review the mail
20 correspondence in its entirety and analyze the request.

21 Q. (BY MR. CLARK) Okay. And what are the types
22 of action that a dispute agent could take after review
23 of the mail correspondence?

24 MS. BRASTER: Objection; speculation,
25 vague.

Anna Simmons

May 3, 2017

1 THE WITNESS: There are probably more than
2 I can remember to state. But one example could be to
3 send an ACDV to the data furnisher to convey the
4 dispute.

5 Q. (BY MR. CLARK) Okay. Are there other things
6 that the agent -- dispute agent could do with the
7 dispute?

8 MS. BRASTER: Same objections.

9 THE WITNESS: Yes. They would send ACDV to
10 the consumer stating the item appears exactly as they
11 would like it to appear.

12 Q. (BY MR. CLARK) Okay. What else? Is there
13 anything else, first of all?

14 MS. BRASTER: Same objections. And outside
15 the scope.

16 THE WITNESS: They could add an employer to
17 the credit file as the consumer has requested.

18 Q. (BY MR. CLARK) Okay. Anything else?

19 A. They could delete an employer from the credit
20 file as the consumer has requested.

21 Q. Okay. Let me -- let me ask you this question
22 because I can see why you're -- you think that there are
23 a lot of things that Experian -- that a dispute agent
24 could do.

25 MS. BRASTER: And -- and, Miles, before you

Anna Simmons

May 3, 2017

1 go on, I do want to interject the same objections to the
2 last line of questioning, but it went very quickly.

3 MR. CLARK: Okay. Jen, do those objection
4 include being outside the scope?

5 MS. BRASTER: That is correct.

6 MR. CLARK: All right. If you think so.
7 Interesting.

8 Q. (BY MR. CLARK) Okay. Anna, let me see if I
9 can ask a different type of question that may -- that
10 may -- may make this a bit simpler.

11 Who can the dispute agent -- after
12 reviewing the mail correspondence that -- that -- which
13 the dispute is comprised, who -- what other persons or
14 entities can the dispute agent send a -- a communication
15 to about that -- about that -- about the dispute? You
16 had mentioned sending an ACDV, which that would be to
17 the -- an ACDV would be sent to a -- a furnisher of
18 information; is that right?

19 MS. BRASTER: Objection to vague, and
20 compound.

21 THE WITNESS: An ACDV is sent to a data
22 furnisher.

23 Q. (BY MR. CLARK) Okay. Other than a data
24 furnisher, are there other people or agencies for whom a
25 dispute agent could communicate regarding the

Anna Simmons

May 3, 2017

1 information contained in a consumer's dispute?

2 MS. BRASTER: Objection; speculation.

3 THE WITNESS: I'm sorry, I don't know
4 because I'm not understanding the question about who
5 else they would send information to about a consumer's
6 dispute.

7 Q. (BY MR. CLARK) Well, you had mentioned that
8 they could send ACDV back to the consumer; did you not?

9 A. Yes.

10 Q. And you mentioned that they could send an ACDV
11 to the data furnisher. We got that through a series of
12 questions. But I think that was the -- that -- that was
13 the gist of what -- of what we talked about. Is that
14 fair to say?

15 A. Yes.

16 Q. So -- so they can -- so a dispute agent can
17 send to -- can send a communication regarding the
18 correspondence received in the dispute to both the data
19 furnisher and the disputing consumer. Is that fair to
20 say?

21 MS. BRASTER: Objection to speculation,
22 legal conclusion.

23 THE WITNESS: Yes.

24 Q. (BY MR. CLARK) And so other than the data
25 furnisher and -- and the disputing consumer, is there

Anna Simmons

May 3, 2017

1 any other individual or entity for whom a -- an agent
2 can send a communication regarding information in -- in
3 a consumer dispute?

4 MS. BRASTER: Same objections.

5 THE WITNESS: I can't think of who the
6 agent, the dispute agent, would send or convey the
7 dispute to right now, if that's what you're asking.

8 Q. (BY MR. CLARK) Okay. That -- t.

9 That's fine. It's kind of a -- it's kind of
10 a tough question to articulate maybe. So I appreciate
11 you working through that with me. And that's fine.

12 If you think of something later, please
13 don't hesitate to amend your answer if -- if to you need
14 to.

15 So is -- let me ask you this: Can a
16 dispute agent send the -- are you familiar with the --
17 with the term "frivolous" as it's commonly used in the
18 consumer dispute process?

19 MS. BRASTER: Objection; legal conclusion.

20 THE WITNESS: Yes, I have heard of that
21 term.

22 Q. (BY MR. CLARK) Okay. And -- and have you
23 heard of that term in the context of your work at
24 Experian?

25 A. Yes, I have heard of it.

Anna Simmons

May 3, 2017

1 Q. And in the context of your work at Experian,
2 what does the term "frivolous" mean as far as you
3 understand it?

4 MS. BRASTER: Same objection. Outside the
5 scope.

6 THE WITNESS: As far as I understand it,
7 I've never had to describe this term, so I don't know
8 everything I should say about it. But as far as I
9 understand it, it might mean that a dispute does not
10 have enough information in it for Experian to understand
11 what it is.

12 MR. CLARK: Okay. Yeah. And -- and
13 that's -- that's sort of my general understanding of
14 that -- of that term, too.

15 Q. (BY MR. CLARK) And if -- if -- can a dispute
16 agent make a decision after receiving a -- after
17 receiving a consumer dispute that the dispute is
18 frivolous?

19 MS. BRASTER: Same objections.

20 THE WITNESS: I've never heard of a dispute
21 agent making a decision about -- with a frivolous
22 terminology, no.

23 Q. (BY MR. CLARK) Okay. Can a -- can a dispute
24 agent determine that -- that you testified earlier that
25 the -- you had testified earlier that the -- that a

Anna Simmons

May 3, 2017

1 dispute agent can send ACDV to a consumer indicating
2 that the disputed information was actually reporting as
3 the consumer wished it to. That may not be exactly
4 true, but do you recall saying something to that effect
5 earlier?

6 MS. BRASTER: Objection to the extent it
7 misstates her testimony.

8 THE WITNESS: Yes.

9 Q. (BY MR. CLARK) Okay. Is there -- does
10 Experian have a name for -- for that decision that a
11 dispute agent makes, i.e., a decision in which the
12 dispute agent determines whether a -- an item of
13 information disputed by a consumer is actually reported
14 as the consumer would wish it to and then sends the --
15 ACDV to that effect to the consumer in response to the
16 dispute?

17 MS. BRASTER: Objection to vague,
18 speculation. Compound.

19 THE WITNESS: I do not --

20 MR. CLARK: My question. I'm sorry. Anna,
21 my -- my angliologies.

22 THE WITNESS: I do not remember the
23 beginning of your question.

24 Q. (BY MR. CLARK) I'm asking if Experian has a
25 name for the process that I described. If you wish to

Anna Simmons

May 3, 2017

1 hear the question again in its entirety, I will have the
2 court reporter read it back to you. What would you like
3 me to do?

4 MS. BRASTER: Same objections.

5 THE WITNESS: No, you answered. That's
6 what I needed. And I do not know of a name for that
7 process you described.

8 Q. (BY MR. CLARK) Okay. Does -- do you think
9 Experian has a name for that process?

10 MS. BRASTER: Same objections. As well
11 foundation.

12 THE WITNESS: I do not think there is a
13 name for that process. I've never heard of a name for
14 it.

15 Q. (BY MR. CLARK) Okay. Is -- is if a consumer
16 doesn't provide enough information for Experian to fully
17 research their dispute, is that a decision that a
18 dispute agent would make after reviewing the mail
19 correspondence or does some other type of Experian
20 employee make that determination?

21 MS. BRASTER: Objection; speculation.
22 Assumes facts.

23 THE WITNESS: If I understand your question
24 correctly, the answer is yes, the dispute agent can make
25 the decision.

Anna Simmons

May 3, 2017

1 Q. (BY MR. CLARK) Okay. You said the dispute
2 agent can. Does anyone else at Experian make that
3 decision other than the dispute agent?

4 MS. BRASTER: Same objections.

5 THE WITNESS: I don't think so. It would
6 be the person that is reading the mail correspondence.
7 So if it -- if we were still speaking about a dispute
8 agent reviewing it, it would be that dispute agent that
9 would make that decision.

10 Q. (BY MR. CLARK) Okay. And if a dispute agent's
11 determine that they did not have enough information to
12 answer the consumer's dispute, what steps does the
13 dispute agent take after that point?

14 MS. BRASTER: Objection; speculation.
15 Foundation and assumes facts.

16 THE WITNESS: They would convey that
17 information to the consumer.

18 Q. (BY MR. CLARK) Would they convey that
19 information to anyone else?

20 MS. BRASTER: Same objection.

21 THE WITNESS: More than likely, no.

22 Q. (BY MR. CLARK) Would they convey that
23 information to -- or -- or the -- sorry. Strike that.

24 Would they convey the -- the contents of
25 the dispute to anyone else, such as a data furnisher?

Anna Simmons

May 3, 2017

1 MS. BRASTER: Objection. Speculation,
2 vague.

3 THE WITNESS: If the dispute agent does not
4 know what the dispute is, they would not be able to
5 send -- they would have to have a dispute. So if they
6 do not understand the dispute, there would be nothing to
7 convey.

8 Q. (BY MR. CLARK) Okay. What if -- what if the
9 dispute included enough information for Experian to
10 identify the data furnisher in question, would it --
11 would that change your answer to my last question?

12 MS. BRASTER: Objection; speculation.

13 THE WITNESS: If there is not a dispute to
14 convey, they would not have a dispute to send.

15 Q. (BY MR. CLARK) Okay. Let me -- let me ask
16 you -- maybe I should have asked this -- this at the
17 beginning.

18 What is a dispute?

19 MS. BRASTER: Objection to the extent it
20 calls for a legal conclusion.

21 THE WITNESS: In general terms it is a
22 consumer's disagreement with something that's appearing
23 on their credit file.

24 Q. (BY MR. CLARK) Okay. And are there ever
25 circumstances in which Experian receives a -- a piece of

Anna Simmons

May 3, 2017

1 mail correspondence which it can identify as a dispute
2 but does not have enough information to be able to
3 answer all questions needed to be answered in connection
4 with that dispute?

5 MS. BRASTER: Objection; speculation.

6 Foundation.

7 THE WITNESS: I don't know. I would have
8 to have a more specific question. I'm not able to
9 answer that.

10 MR. CLARK: Okay.

11 MS. BRASTER: And, Miles, whenever you're
12 at a good stopping point, if we could just take a quick
13 break and I'll also find out timing for lunch.

14 MR. CLARK: Yeah. You know, I -- I --
15 because we're a little bit past 30 minutes. Jen, let me
16 do this, I got about five minutes. I just want to run
17 through the rest of Exhibit 1. I think it's going to go
18 a lot quicker. I'm not going to ask any -- I'm just
19 going to ask some foundational questions.

20 MS. BRASTER: Sure.

21 MR. CLARK: Can we get through that and
22 then take a break?

23 MS. BRASTER: Yeah. No, no, that's fine.

24 MR. CLARK: Okay. Fantastic. And thank
25 you.

Anna Simmons
May 3, 2017

1 Q. (BY MR. CLARK) All right. And so -- thank
2 you, Anna.

3 Like I said, I just want to go through a
4 few more of these documents on Exhibit 2 just so we know
5 what we're talking about.

6 And so if you can turn now to pages 47
7 through 64 and let me know what those pages are.

8 A. (Looked at document.) Pages 47 through 64
9 appears to be a disclosure for John Ashcraft.

10 Q. Okay. What's the date of the disclosure?

11 A. March 15, 2016.

12 Q. Is that same date for the disclosure contained
13 in the -- in Mr. Ashcraft's mail correspondence that we
14 just talked about?

15 A. (Looked at document.) Yes.

16 Q. Okay. And -- okay. Great. So if we can turn
17 to page 65.

18 A. Okay.

19 Q. And what is this?

20 A. (Looked at document.) ACDV response.

21 Q. Okay. And just -- and what is an ACDV?

22 A. Automatic consumer dispute verification.

23 Q. Okay. Is this a -- a document that -- that a
24 data furnisher sends to a consumer reporting agency
25 after receiving notice of a dispute from the consumer?

Anna Simmons

May 3, 2017

1 A. Yes.

2 Q. Okay. And -- and who is this -- who is this
3 ACDV sent by?

4 MS. BRASTER: Objection to vague.

5 THE WITNESS: This ACDV was sent to
6 Experian from Welk Resort Group.

7 Q. (BY MR. CLARK) Okay. Thank you. Looking
8 at -- looking at Experian's 66 -- actually, no, strike
9 that.

10 Looking at Experian 68 through 71.

11 A. (Looked at document.) I'm there, yes.

12 Q. Okay. And so -- and, again, Anna, I'm -- I'm
13 not asking if you've seen these pages before because I
14 believe you testified that you had reviewed all of them
15 in preparation for your deposition today. But if you
16 haven't seen any of these pages, just let me know.

17 So I -- I'm assuming that you have seen
18 them because you testified to that previously. But
19 again, if I was incorrect in that, then -- then please
20 let me know.

21 But pages 68 to 71, what are they?

22 A. This is a CDF.

23 Q. Okay. What's the date?

24 A. May 16, 2016.

25 Q. And who was the CDF sent to?

Anna Simmons

May 3, 2017

1 A. John Ashcraft.

2 Q. Is this a CDF that Experian sent to
3 Mr. Ashcraft in response to a consumer dispute that he
4 had previously submitted to Experian?

5 A. Yes.

6 Q. And do you know whether or not his -- whether
7 or not it would have been in response to Mr. Ashcraft's
8 April 25, 2016, dispute that we talked about a few
9 moments ago?

10 A. Yes.

11 Q. All right. So -- and so let's see. If we
12 could turn to pages 72 to 87, please.

13 A. (Witness complies.) Did you say to page 87?

14 Q. 87, correct.

15 A. Okay.

16 Q. And what are these pages?

17 A. This is a disclosure.

18 Q. Okay. What's the date of the disclosure?

19 A. January 25, 2017.

20 Q. Is there an individual for whom this disclosure
21 was prepared?

22 A. The name on this disclosure is John Ashcraft.

23 Q. Okay. All right. Now, let's see pages 88 to
24 93, please.

25 A. Okay.

Anna Simmons

May 3, 2017

1 Q. And what are these pages?

2 A. ACDV.

3 Q. Okay. And is there a name for whom this CDF
4 was prepared for?

5 A. The name on the CDF is John Ashcraft.

6 Q. And what's the date of this CDF?

7 A. February 8, 2017.

8 Q. Okay. Thanks very much, Anna.

9 MR. CLARK: We can take a break now. Do
10 you want to take five or ten?

11 MS. BRASTER: Let's go off the record.

12 (Break taken)

13 Q. (BY MR. CLARK) Anna, are you ready to
14 continue?

15 A. Yes.

16 MR. CLARK: So, Madam Court Reporter, if we
17 could please mark Tab 3 as Exhibit 3, please.

18 (Exhibit No. 3 was marked)

19 Q. (BY MR. CLARK) All right. Can you please
20 review what has been marked as Exhibit 3 and let me know
21 when you -- when you're done?

22 MS. BRASTER: And I'm just looking over
23 real quick, for my benefit, that's the 94 to 106; is
24 that correct?

25 MR. CLARK: Oh, yes. My apologies, Jen.

Anna Simmons

May 3, 2017

1 That's Experian 94 to 106.

2 THE WITNESS: I have reviewed the document.

3 Q. (BY MR. CLARK) All right. Are pages 94 to
4 106 pages you reviewed in preparation for your
5 deposition today?

6 A. Yes.

7 Q. Okay. So turning first to 94 to 96, what are
8 these pages?

9 A. This is a transaction log.

10 Q. What is a transaction log?

11 A. This one is a carbon copy of an Equifax
12 dispute.

13 Q. Okay. Is Equifax another consumer reporting
14 agency?

15 A. Yes.

16 Q. And just -- just to be clear, Experian is a
17 consumer reporting agency; is it not?

18 A. Yes.

19 Q. Okay. What is a carbon copy of the
20 investigation?

21 MS. CHIUSANO: Lucille Chiusano. Hello.

22 THE WITNESS: This was --

23 MR. CLARK: Thank you, Lu.

24 THE WITNESS: In general this is -- these
25 are the results of a -- of a reinvestigation that was

Anna Simmons

May 3, 2017

1 initiated, more than likely by the consumer, through
2 Equifax, and Equifax sent the investigation request.
3 For this one it appears to be Capital One. And then the
4 results of that were sent to Experian as what we call a
5 carbon copy.

6 Q. (BY MR. CLARK) Okay. And so does Experian
7 itself then ever send carbon copies of investigations to
8 other consumer reporting agencies like Equifax?

9 A. No. I believe the carbon copies are sent to
10 Experian, Equifax, Trans Union from the data furnishers.

11 Q. Okay. So it's -- it's not -- it's not Equifax
12 that would have sent this carbon copy of the
13 investigation to Experian, it would have been -- it
14 would have been the data furnisher?

15 A. Yes.

16 Q. And data furnisher in question here was Capital
17 One?

18 A. Yes.

19 Q. And what's the -- can you see anywhere on these
20 pages where there's a date that the carbon copy of the
21 investigation was received by Experian?

22 A. (Looked at document.) Yes.

23 Q. And what is the date?

24 A. May 8th, 2016.

25 Q. Okay. And is there a particular page you're

Anna Simmons

May 3, 2017

1 looking at to figure out what that date is?

2 A. Page one of the carbon copy.

3 Q. Okay. Is there a particular line you're
4 looking at to make that determination?

5 A. Yes.

6 Q. Okay. And is that the line that says
7 there's -- there's -- there's a line that says "date
8 received" under update sequence one. Is that what
9 you're looking at?

10 A. Yes.

11 Q. Okay. After Experian receives a carbon copy of
12 the investigation, such as the one we've been
13 discussing, what does Experian do with the information
14 contained in the carbon copy reinvestigation?

15 MS. BRASTER: Objection to vague and
16 speculation.

17 THE WITNESS: Updates the account
18 accordingly.

19 MR. CLARK: Okay.

20 Q. (BY MR. CLARK) If -- if Experian had a
21 consumer dispute pending from that same consumer at the
22 time that it received a carbon copy reinvestigation,
23 such as the one we've been discussing here, would
24 Experian include the results of the update in its
25 reinvestigation results to that consumer?

Anna Simmons

May 3, 2017

1 MS. BRASTER: Objection; speculation and
2 vague. And assumes facts.

3 THE WITNESS: I believe so.

4 Q. (BY MR. CLARK) Okay. And -- would -- and how
5 would -- how would Experian indicate to the consumer in
6 a reinvestigation report sent to the consumer that
7 information contained in a carbon copy reinvestigation
8 had resulted in an update to that disputing consumer's
9 trade line?

10 MS. BRASTER: Can the court reporter read
11 that back? I didn't catch that.

12 THE REPORTER: And I didn't catch the last
13 two words.

14 (Read back.)

15 MS. BRASTER: Objection to speculation.
16 Foundation. Vague.

17 THE WITNESS: Experian does not convey
18 carbon copies updates to a consumer.

19 MR. CLARK: Okay.

20 THE WITNESS: And I would like to add to
21 that. What I'm stating is they don't go out to a
22 consumer just because there was a carbon copy.
23 However, if a consumer requests a disclosure maybe the
24 day after, of course, then the updates would be conveyed
25 because they would appear on that account.

Anna Simmons
May 3, 2017

1 Q. (BY MR. CLARK) Okay. And what if -- what if
2 Experian received a carbon copy reinvestigation related
3 to a particular consumer while Experian was processing
4 a -- a dispute from that consumer, would your answer to
5 the last question change?

6 MS. BRASTER: Objection to speculation,
7 vague.

8 THE WITNESS: I -- no, I do not think so.

9 Q. (BY MR. CLARK) Okay. And you mentioned -- you
10 mentioned that -- that this a carbon copy
11 reinvestigation, is that the only type of -- is that the
12 only type of item that a transaction log can contain or
13 can it contain other types of documents as well as a
14 copy carbon reinvestigation?

15 A. It can also contain an AUD from a data
16 furnisher directly to Experian.

17 Q. And what is AUD?

18 A. It is when -- it is an automatic update that a
19 data furnisher wishes to make regarding the trade line
20 they're reporting.

21 Q. Okay. And when Experian completes its -- a
22 reinvestigation of a consumer dispute, does it also
23 send -- does it send a carbon copy of the
24 reinvestigation to the other -- to other consumer
25 reporting agencies, such as Equifax?

Anna Simmons

May 3, 2017

1 MS. BRASTER: Objection; speculation.
2 Foundation.

3 THE WITNESS: No. Experian does not send
4 carbon copies.

5 Q. (BY MR. CLARK) Okay. Does -- does Experian
6 send the results of a reinvestigation to the data
7 furnishers?

8 MS. BRASTER: Objection; speculation.
9 Vague.

10 THE WITNESS: Does -- was your question:
11 Does Experian send the results received from a data
12 furnisher back to the data furnisher?

13 MR. CLARK: Correct.

14 THE WITNESS: I can answer that by stating
15 if there are any kinds of updates to the account, the
16 data furnisher gets notified by Experian.

17 Q. (BY MR. CLARK) Okay. When you say updates to
18 the account, what do you mean?

19 A. And I don't know how to explain "update."
20 Maybe we could say change. But I use the term "update,"
21 yes.

22 Q. Okay. Well, I guess I'm wondering -- you --
23 you used the term "update" and now you've indicated
24 you're not quite sure what it means. So I'm just trying
25 to understand, based on how you characterized your

Anna Simmons

May 3, 2017

1 answer, what an update is. So I think we'll just work
2 through that a little bit.

3 So let me ask my last question again so we
4 can get on the same line. I apologize for having to do
5 that.

6 But when -- when you -- when you say
7 "updates," what do you mean?

8 A. A change to the account information.

9 Q. Okay. And -- and when you say "change to the
10 account information," what do you mean?

11 A. It could be several factors. One could be the
12 balance was updated or changed by the data furnisher.

13 Q. Okay. Could the balance be updated or changed
14 by Experian?

15 MS. BRASTER: Objection to speculation and
16 foundation.

17 THE WITNESS: As a result of a
18 reinvestigation, that would be correct.

19 Q. (BY MR. CLARK) Okay. And when -- so let me
20 ask you this. If Experian received a reinvestigation --
21 or strike that.

22 If Experian received an ACDV from the data
23 furnisher and updated the consumer's account, you know,
24 in -- in a manner identical to the information provided
25 by the data furnisher in the ACDV without making any

Anna Simmons

May 3, 2017

1 other changes to the consumer's account, would Experian
2 send a notification to the data furnisher that it had
3 made the changes to the account as the data furnisher
4 requested?

5 MS. BRASTER: Objection; speculation.
6 Asked and answered.

7 THE WITNESS: Yes.

8 Q. (BY MR. CLARK) Okay. And how would -- would
9 Experian keep an internal record of -- of that -- of the
10 fact that it sent that notification to the data
11 furnisher?

12 MS. BRASTER: Same objections.

13 THE WITNESS: I do not know.

14 Q. (BY MR. CLARK) Are there any documents that
15 would reflect the fact that Experian sent that
16 notification to the data furnisher?

17 MS. BRASTER: Same objections.

18 THE WITNESS: I do not know how Experian
19 keeps records, if there are any of that notification.

20 Q. (BY MR. CLARK) Okay. Did you -- in reviewing
21 pages 94 to 106, did you see any indication that -- on
22 those documents that Experian had notified the data
23 furnisher of those -- of those updates?

24 MS. BRASTER: Objection to vague and
25 foundation.

Anna Simmons

May 3, 2017

1 THE WITNESS: No.

2 Q. (BY MR. CLARK) And so sitting here today,
3 you're -- you're not sure whether Experian keeps a
4 record of any -- of any -- any of those updates?

5 MS. BRASTER: Objection to foundation.
6 Vague. And to the extent that it misstates her
7 testimony.

8 THE WITNESS: Correct.

9 Q. (BY MR. CLARK) Okay. Do you think Experian
10 does keep a record of those updates somewhere, in some
11 document, even though it's not one of those that we have
12 before us today?

13 MS. BRASTER: Objection; asked and
14 answered, speculation. Assumes facts.

15 THE WITNESS: I did not hear the last part
16 of your question.

17 MR. CLARK: Sure.

18 Madam Court Reporter, could you please read
19 back my last question?

20 THE REPORTER: (Read document.)

21 MS. BRASTER: Same objections.

22 THE WITNESS: I do not know.

23 Q. (BY MR. CLARK) Okay. All right. But not
24 withstanding the fact that you're not sure if Experian
25 keeps a record of those updates, it's your belief that

Anna Simmons

May 3, 2017

1 Experian does update the data furnisher of those
2 updates; is that -- is that correct?

3 MS. BRASTER: Objection to speculation and
4 to the extent it misstates her testimony.

5 THE WITNESS: Experian notifies the data
6 furnisher.

7 Q. (BY MR. CLARK) Okay. All right. So let's go
8 to page 97, please.

9 A. (Witness complies.) Okay.

10 Q. What is this page?

11 A. A disclosure log.

12 Q. Okay. And what is a disclosure log?

13 A. It keeps a record of CDIs sent and CDFs sent
14 and dates that those were sent.

15 Q. Does it -- does it keep a record of the -- the
16 sending of any documents other than a CDI or CDF?

17 A. No.

18 Q. Okay. And what -- what -- does -- does a
19 disclosure log -- is it a record of -- of those -- of
20 those documents that are sent to the consumer in
21 question or to anyone else?

22 A. Is it a record of documents that were sent to
23 the consumer. And what else did you state?

24 Q. Or -- or anyone else or is it just the
25 consumer?

Anna Simmons

May 3, 2017

1 A. This is a record of CDIs and CDFs. And they --
2 this is only the ones that are sent either to the
3 consumer or sometimes it will show if a CDI was
4 requested by Experian for research purposes. But this
5 is not a record of reports sent to third parties.

6 Q. Okay. And under what circumstances would a
7 disclosure log reflect the -- the -- the fact of -- that
8 Experian had generated a CDI for research purposes?

9 A. It could be for post-litigation procedures.

10 Q. Okay. And would a disclosure log reflect
11 the -- sorry.

12 Would a disclosure log reflect a CDI that
13 Experian generated for research purposes in any occasion
14 under which such CDI had been generated from Experian?

15 MS. BRASTER: Objection to vague.

16 THE WITNESS: I don't know.

17 MR. CLARK: Yeah. Let me ask a better
18 question.

19 Q. (BY MR. CLARK) What -- what I'm asking, Anna,
20 is that let's assume that -- that a disclosure log was
21 generated on January 1st of 2016, but on -- on
22 December 31st of 2016 -- or 2015 Experian had generated
23 a CDI for research purposes, would a -- would that
24 disclosure log generated a day later reflect the fact
25 that Experian had generated a CDI for research purposes?

Anna Simmons

May 3, 2017

1 MS. BRASTER: Objection to the extent it
2 calls for speculation and assumes facts.

3 THE WITNESS: Yes, it should.

4 Q. (BY MR. CLARK) Okay. All right. Do we know
5 what the date that the disclosure log at Experian 97,
6 that we're looking at, was generated?

7 A. (Looked at document.) I don't see the date
8 this was generated.

9 Q. Okay. If -- are there any -- are there any
10 times in which Experian would generate a CDI where a
11 disclosure log generated after the date that Experian
12 generated that particular CDI was made in which the CDI
13 Experian had generated would not show up on the
14 disclosure log?

15 MS. BRASTER: Objection; speculation.
16 Vague.

17 THE WITNESS: I don't think so.

18 Q. (BY MR. CLARK) Okay. All right. Thanks.

19 So let's go to Experian 98, please.

20 A. Okay.

21 Q. And what -- what is this document?

22 A. D/R Log.

23 Q. What is a D/R Log?

24 A. This shows the dispute that was initiated for
25 Welk Resort Group and the dispute resolves as provided

Anna Simmons

May 3, 2017

1 by the data furnisher.

2 Q. Okay. Is that a dispute that Mr. Ashcraft
3 submitted?

4 MS. BRASTER: Objection to foundation.

5 THE WITNESS: Yes.

6 Q. (BY MR. CLARK) Okay. Do you see a date on
7 which this report was generated?

8 A. Yes.

9 Q. And what's the date?

10 A. January 25, 2017.

11 Q. Okay. And a -- so does -- does a D/R Log
12 reflect all of the changes that -- that -- well, strike
13 that.

14 Strike it. Thank you.

15 Let's go to Experian 99 to 104.

16 A. I'm there.

17 Q. And what are these pages?

18 A. I'm sorry, you said to page 104?

19 Q. Oh, oh, my apologies, 106, please.

20 A. Okay. This is an admin report.

21 Q. Okay. And what is an admin report?

22 A. Basically it's an internal document that shows
23 their credit profile of John Ashcraft.

24 Q. Okay. And when you say "a credit profile,"
25 what do you mean?

Anna Simmons

May 3, 2017

1 A. Information that Experian has relating to John
2 Ashcraft.

3 Q. Okay. Is this all the information that
4 Experian has for John Ashcraft in its files?

5 MS. BRASTER: Objection to assumes facts.

6 THE WITNESS: I do not know.

7 Q. (BY MR. CLARK) Okay. If there was any other
8 information that Experian had regarding Mr. Ashcraft,
9 would it -- do you know where it would exist, other than
10 on this admin report?

11 MS. BRASTER: Objection to speculation and
12 assumes facts.

13 THE WITNESS: No.

14 Q. (BY MR. CLARK) Are you familiar with the term
15 "long form admin report"?

16 A. Yes.

17 Q. What is a long form admin report?

18 A. It's basically the same as the admin, but it
19 might have more information. Such as on an account or a
20 trade line, it would show maybe additional monthly
21 account history. But I do not know all the differences
22 between the two.

23 Q. Okay. But it -- it's fair to say that it -- it
24 might have additional information that we don't see on
25 the admin report that -- on Ashcraft 99 to 106; is that

Anna Simmons

May 3, 2017

1 fair to say?

2 MS. BRASTER: Objection to the extent it
3 calls for speculation and outside the scope.

4 THE WITNESS: Yes.

5 Q. (BY MR. CLARK) Okay. And to be clear, the
6 admin report we're looking at right here is not a long
7 form admin report; is that -- is that accurate?

8 A. Yes.

9 Q. Okay. And -- sorry.

10 Does -- what does Experian use the admin
11 report for?

12 A. I'm not quite sure.

13 Q. Okay. Well, what -- why does Experian have an
14 admin report?

15 A. I'm not sure why Experian made the decision to
16 have an admin report.

17 Q. Okay. And -- and you're not sure how Experian
18 uses an admin report?

19 A. Well, I --

20 MS. BRASTER: Objection to asked and
21 answered.

22 THE WITNESS: I don't know what all the
23 reasons are. But it could be used, you know, such as
24 when my attorney contacts me regarding a federal
25 litigation case. I could look at an account on there

Anna Simmons

May 3, 2017

1 and see how it was reporting.

2 Q. (BY MR. CLARK) Okay. And I don't want to get
3 in to, you know, attorney/client communication and I
4 don't want to get into specifics here. But just as a
5 follow-up, would you look at the admin report or would
6 you look at the long form admin report?

7 MS. BRASTER: And I appreciate the caveat,
8 Miles, but I will just caution the witness that to the
9 extent the answer calls for privileged communications, I
10 would instruct you not to answer, but you can answer
11 otherwise.

12 MR. CLARK: Understood.

13 THE WITNESS: I will usually look at the
14 admin report.

15 Q. (BY MR. CLARK) Okay. Would you sometimes look
16 at the long form admin report?

17 MS. BRASTER: And same caution to the
18 witness.

19 THE WITNESS: I have looked at a long admin
20 report before.

21 Q. (BY MR. CLARK) Okay. Under what circumstances
22 have you looked at a long form admin report?

23 MS. BRASTER: Same caution to the witness
24 and to the extent it's outside the scope.

25 THE WITNESS: I -- I do not know of a

Anna Simmons

May 3, 2017

1 specific circumstances. But only in response to a
2 research request made by my counsel.

3 Q. (BY MR. CLARK) Okay. And -- and other than
4 that -- that reason, do you know what other reasons
5 Experian has for using a long form admin report?

6 A. I do not.

7 Q. Okay. Let's see. Just going back to the --
8 going back to the disclosure log.

9 And how long does it take Experian to
10 generate a disclosure log?

11 A. About five minutes.

12 Q. Okay. How about a D/R Log?

13 A. About five minutes.

14 Q. How about an admin report?

15 A. I'm not sure. Maybe a minute.

16 Q. Okay. And what about a transaction log?

17 A. One transaction log might take 30 seconds to
18 print, once it is pulled up.

19 Q. Okay. If -- if -- and sorry. Just follow-up
20 with the admin report.

21 Do you see a date on which the admin report
22 that we looked at -- at 99 to 106 is generated?

23 A. Yes.

24 Q. Okay. And what is that date?

25 A. January 25, 2017.

Anna Simmons
May 3, 2017

1 Q. Okay. All right. So let's see. And then --
2 thank you, Anna. You can set Exhibit 2 and 3 aside for
3 the moment. What I'm going to do now is largely just
4 introduce some other documents or -- or try to introduce
5 them. And so we'll get through these and perhaps be at
6 a good stopping point for lunch after that.

7 So let me -- before I -- before I begin.
8 Let me ask in addition to the items we discussed on
9 Exhibits 1, 2, and 3, did you look at any other
10 documents in preparation for your deposition today?

11 A. I don't remember every document. You'd have to
12 tell me which ones I stated to you earlier and I guess I
13 can compare in what's in Exhibit 1, 2 and 3 to make sure
14 I answer correctly.

15 Q. Sure. I understand. It's not a trick
16 question. And so -- and certainly we've looked at a
17 number of documents so I'm not trying -- not trying
18 to -- not trying to trip you up here.

19 But let me just ask you in -- let me ask
20 you. Did -- did you review a long form admin report?

21 A. No.

22 Q. Okay. Did you review any Experian participants
23 guide?

24 A. No.

25 Q. Are you familiar with what a participant -- an

Anna Simmons

May 3, 2017

1 Experian participant guide is, generally speaking?

2 A. Yes.

3 Q. Okay. And what is participants guide?

4 A. It would be basically a guide, or using the
5 word interchangeably, a manual that would explain a
6 specific process. But I would explain this better if
7 you wanted me to look at a specific one.

8 Q. I understand. And we -- we'll do that in a
9 second. I'm trying to get some background here.

10 The -- does Experian, to your knowledge,
11 have a participants guide pertaining to the generation
12 and transmission to the consumer of a consumer
13 disclosure?

14 A. I believe so.

15 Q. Okay. And so what I'll -- do you know the name
16 of that participants guide?

17 A. No, I don't know the names.

18 Q. Okay. And so what I'll -- what I'll do now is
19 I'll introduce some documents, many of which are
20 called -- and for these business guides I'll just ask
21 you to indicate to me whether or not they include
22 guidelines for generating a consumer disclosure. Okay?

23 A. Okay.

24 Q. Okay. And just one last background question
25 before I -- before I begin.

Anna Simmons

May 3, 2017

1 Do the participants guides contain
2 Experian's policies and procedures for handling various
3 aspects of the consumer dispute process?

4 MS. BASTER: Object to vague.

5 THE WITNESS: Yes, they can.

6 Q. (BY MR. CLARK) Okay. In addition to
7 participants guides, are there any other documents that
8 Experian would consult to resolve a consumer's dispute?

9 MS. BASTER: Objection to vague,
10 speculation.

11 THE WITNESS: Documents, I'm not sure if
12 there would be additional documents. I can't think of
13 any right now.

14 Q. (BY MR. CLARK) Okay. And if any time you --
15 feel free to -- to add them if -- if it comes to you
16 later.

17 MR. CLARK: Okay. Madam Court Reporter,
18 could we introduce Tab 4 as Exhibit 4, please.

19 (Exhibit No. 4 was marked)

20 MR. CLARK: And, Jen, for your benefit this
21 is Experian 245 to 405.

22 MS. BASTER: Thank you.

23 MR. CLARK: You're welcome.

24 THE WITNESS: (Looked at document.)

25 MS. BASTER: Miles, if it assists in the

Anna Simmons

May 3, 2017

1 process, I can stipulate to the authenticity of this
2 document.

3 MR. CLARK: Okay. I've got -- I've got a
4 few -- I appreciate that, Jen. I will just have a few
5 additional questions of this one.

6 MS. BRASTER: Sure.

7 MR. CLARK: And I just want to establish --
8 I just want to establish dates and -- and that sort of
9 thing. So...

10 MS. BRASTER: Sure. And I mean -- and
11 going forward if there's any that you want to just
12 simply authenticate or me stipulating as such, just let
13 me know.

14 MR. CLARK: Okay. Cool.

15 Anna, let me let know when you have
16 Exhibit 4.

17 THE WITNESS: I have Tab 4 in front of me.

18 MR. CLARK: Okay. And that's been marked
19 as Exhibit 4?

20 THE WITNESS: Correct.

21 Q. (BY MR. CLARK) Okay. Is -- does this document
22 contain Experian's policies and procedures for handling
23 ACDV's?

24 A. Yes.

25 Q. Okay. And what's the -- what's the date of

Anna Simmons

May 3, 2017

1 this document?

2 A. December 23, 2013.

3 Q. Was this a copy of Experian's policies and
4 procedures which was in force in March through May 2016?

5 A. I believe so.

6 Q. Okay. Do you know whether this document had
7 been updated at any point in 2017?

8 A. I do not.

9 Q. Okay. Does Experian have a schedule for when
10 it updates its policies and procedures? Does it do so,
11 you know, for example, every March, every January? Is
12 there a routine update process?

13 MS. BRASTER: Objection to vague and
14 compound.

15 THE WITNESS: I do not know.

16 Q. (BY MR. CLARK) Okay. And --

17 MR. CLARK: And -- and Jen, could we
18 stipulate to the authenticity of Exhibit 4?

19 MS. BRASTER: Yes.

20 MR. CLARK: Thank you, Anna. You -- you
21 can set this one aside.

22 After you set that aside, Madam Court
23 Reporter, if we could introduce Tab 5 as Exhibit 5.

24 (Exhibit No. 5 was marked)

25 MR. CLARK: And, Jen, this is Experian 450

Anna Simmons

May 3, 2017

1 to 519.

2 THE WITNESS: I have this in front of me.

3 MR. CLARK: Okay.

4 Q. (BY MR. CLARK) Anna, is this Experian's
5 policies and procedures for handling trade disputes?

6 A. Yes.

7 Q. Okay. And what's the date that this document
8 was -- was -- was, for lack of a better word, published?

9 A. May 20, 2015.

10 Q. Okay. Was this the copy of Experian's policy
11 and procedures for handling trade disputes which was in
12 force between March 2016 and the end of May 2016?

13 A. I believe so.

14 Q. And do you know if this document had been
15 updated in 2017 at any point?

16 A. I do not.

17 MR. CLARK: Okay. Jen, could we stipulate
18 to authenticity of Exhibit 5?

19 MS. BRASTER: Yes.

20 MR. CLARK: Thank you. All right. Thank
21 you. You can set this one aside.

22 And, Madam Court Reporter, if we could have
23 Tab 6 as Exhibit 6.

24 (Exhibit No. 6 was marked)

25 THE WITNESS: Thank you. I have it in

Anna Simmons

May 3, 2017

1 front of me.

2 MR. CLARK: Okay.

3 MS. BASTER: And so I'm not leaning over,
4 which one is this one?

5 MR. CLARK: Oh, sorry. Sorry. I keep
6 forgetting this. 596 to 668.

7 MS. BASTER: Thank you.

8 Q. (BY MR. CLARK) Anna, is this Experian's
9 policies and procedures for handling additional
10 information submitted in connection with a consumer
11 dispute?

12 A. Yes.

13 Q. Okay. What's the date at the top of this?

14 A. April 7, 2016.

15 Q. Okay. Was this document in force between April
16 and May 2016?

17 A. I believe so.

18 Q. And has this document been updated at any point
19 during 2017?

20 A. I do not know.

21 Q. Okay.

22 MR. CLARK: Jen, can we stipulate to the
23 authenticity of Exhibit 6?

24 MS. BASTER: Yes.

25 MR. CLARK: Thank you.

Anna Simmons

May 3, 2017

1 Okay. Anna, you can set that one aside.

2 Now, as -- Tab 7 as Exhibit 7, please.

3 And, Jen, this is 724 to 777.

4 (Exhibit No. 7 was marked)

5 THE WITNESS: Thank you. I have this in
6 front of me.

7 Q. (BY MR. CLARK) Is this document Experian's
8 policies and procedures for identification arising in
9 connection with a consumer dispute?

10 A. Yes.

11 Q. And what's the date on this document?

12 A. March 7, 2016.

13 Q. Okay. Was this a copy of the policies and
14 procedures for identification and statements in force
15 between March 2016 and May 2016?

16 A. I believe so.

17 Q. Was this document updated in 2017, to your
18 knowledge?

19 A. I do not know.

20 Q. Okay.

21 MR. CLARK: Jen, can we stipulate to the
22 authenticity of Exhibit 7?

23 MS. BRASTER: Yes.

24 MR. CLARK: Thank you.

25 Could we have Tab 8 as Exhibit 8, please?

Anna Simmons

May 3, 2017

1 (Exhibit No. 8 was marked)

2 MR. CLARK: And, Jen, this is 931 to 962.

3 THE WITNESS: I have this in front of me.

4 Q. (BY MR. CLARK) Is this Experian's policies and
5 procedures for handling public records?

6 A. Yes.

7 Q. And what's the date of this document?

8 A. March 29, 2016.

9 Q. Was this a -- was this a copy of the --
10 Experian's policies and procedures for handling public
11 records that was in -- in effect between March 29, 2015,
12 and the end of May 2015?

13 A. I believe so.

14 Q. And has this document been updated at any point
15 in 2017?

16 A. I do not know.

17 MR. CLARK: Okay. Jen, can we stipulate to
18 the authenticity of Exhibit 8?

19 MS. BRASTER: Yes.

20 MR. CLARK: Thank you.

21 Now if we could have Tab 9 as Exhibit 9,
22 please.

23 (Exhibit No. 9 was marked)

24 MR. CLARK: Jen, this 1021 to 1029.

25 MS. BRASTER: Thank you.

Anna Simmons

May 3, 2017

1 THE WITNESS: I have the document in front
2 of me.

3 MR. CLARK: Okay.

4 Q. (BY MR. CLARK) And so what is this document?

5 A. It basically describes e-OSCAR.

6 Q. Okay. What is e-OSCAR?

7 A. It is the automated system that is used to
8 communicate disputes in between a data furnisher and
9 Experian or credit reporting agency.

10 Q. Okay. And is e-OSCAR the only means by which
11 Experian communicates consumer disputes to a data
12 furnisher?

13 A. I think that the disputes can also be mailed
14 through a CDV instead of a ACDV.

15 Q. Okay. Is -- is it more common for Experian to
16 use e-OSCAR to communicate consumer disputes than it is
17 for Experian to mail those disputes?

18 A. Yes.

19 Q. Okay. And do you know -- do you know who
20 operates the e-OSCAR system?

21 MS. BRASTER: Objection to vague. And
22 foundation.

23 THE WITNESS: No.

24 Q. (BY MR. CLARK) Do you know who was in charge
25 of maintaining the e-OSCAR system?

Anna Simmons

May 3, 2017

1 MS. BRASTER: Same objection.

2 THE WITNESS: No.

3 Q. (BY MR. CLARK) Okay. Do you know if Experian
4 participated in the -- in the construction of the
5 e-OSCAR system?

6 MS. BRASTER: Same objection.

7 THE WITNESS: No.

8 Q. (BY MR. CLARK) And you can -- and you've
9 been -- you've been an Experian employee since May of
10 2004; is that fair to say?

11 A. Yes.

12 Q. During the entire length of your employment
13 with Experian, has Experian used the e-OSCAR system?

14 A. I'm not a hundred percent sure, but I believe
15 so.

16 Q. When you began your employment at Experian in
17 May of 2004, was Experian using the e-OSCAR system at
18 that time?

19 A. I don't know for sure. We -- as a customer
20 service agent, I was not informed right away about what
21 system was used.

22 Q. Okay. And as a customer service agent, did you
23 process consumer disputes?

24 A. Yes.

25 Q. And how did you process consumer disputes in

Anna Simmons

May 3, 2017

1 that role?

2 A. I can't answer that. Could you please be more
3 specific when you ask how?

4 Q. Sure. Do you understand what I mean when I say
5 "process consumer disputes"?

6 A. Yes.

7 Q. Okay. And what -- what is your understanding
8 of processing consumer disputes?

9 A. One of the things processing a consumer dispute
10 can mean is assisting a consumer with their dispute on
11 their credit file.

12 Q. Could it also mean communicating with the data
13 furnisher about the information the consumer is
14 disputing?

15 A. Yes, it can also mean that.

16 Q. Is -- did -- in your role as a -- as -- sorry,
17 I forgot. You said you were a consumer dispute agent.
18 I -- I -- I -- forget the exact terminology you used,
19 but...

20 What was the exact -- your exact job title?

21 A. I stated customer service agent, but I -- I
22 also stated I wasn't sure if that was the title those
23 many years ago.

24 Q. Okay. So if I refer to customer service agent,
25 we both know what you're talking about. It's that

Anna Simmons

May 3, 2017

1 employment you had with Experian starting in May 2004?

2 A. Yes.

3 Q. Okay. So as a customer discuss -- a customer
4 agent, did you ever, in the course of processing a
5 consumer dispute, send an ACDV to a data furnisher?

6 A. Yes.

7 Q. Okay. And what -- when you sent an ACDV to a
8 data furnisher, did -- did you send it through the
9 e-OSCAR system?

10 A. More than likely, yes. I just handled the
11 dispute where I would choose the dispute reason and then
12 I did not handle the ACDVs. And I did not send them out
13 myself.

14 Q. Okay. And who -- who sent those ACDVs from the
15 disputes that you -- you handled?

16 MS. BRASTER: Objection to foundation.

17 THE WITNESS: I would assume they're almost
18 all systematically sent.

19 Q. (BY MR. CLARK) When you say systematically
20 sent, what do you mean?

21 A. Sent by the system.

22 Q. When you say "the system," what do you mean?

23 A. Not sent by an agent.

24 Q. Okay. So the system in your mind means anyone
25 who is not an agent?

Anna Simmons

May 3, 2017

1 A. In this case, correct.

2 Q. Would the system then mean that -- does the
3 system in your mind include any human being?

4 MS. BRASTER: Objection to vague.

5 THE WITNESS: If I say system, I would
6 imagine it's not a human being, correct.

7 Q. (BY MR. CLARK) And why -- why do you believe
8 that?

9 A. That is my understanding of human being and
10 system.

11 Q. Okay. So let me -- let me see if I understand
12 what you mean by system.

13 Are you saying that you input information
14 based on a consumer dispute and then the system
15 transmits that information to the data furnisher? Is
16 that -- is that sort of what you're -- you're getting at
17 or am I missing something?

18 MS. BRASTER: Objection to the extent it
19 misstates her testimony.

20 THE WITNESS: Yes, that makes sense.

21 Q. (BY MR. CLARK) Okay. So let's see -- so
22 you're not sure what -- what the system is in terms of
23 whether it's -- all you know is that it's not a human --
24 it doesn't involve the intervention of a human being; is
25 that fair to say?

Anna Simmons

May 3, 2017

1 MS. BRASTER: Same objection.

2 THE WITNESS: Correct. I'm -- I'm not sure
3 of all the details of Experian's system.

4 Q. (BY MR. CLARK) Okay. Does the system ever --
5 does the system ever refuse to send an ACDV as you've --
6 as -- as it's been directed by your action?

7 A. I do not know.

8 Q. In your experience as a consumer dispute agent
9 or customer dispute agent, did the system ever reject an
10 ACDV that you -- that you sent?

11 MS. BRASTER: Objection to vague.
12 Foundation.

13 THE WITNESS: I do not know.

14 Q. (BY MR. CLARK) Let me ask you a general
15 question, Anna, you -- do you use a computer at work?

16 A. Yes.

17 Q. When you're -- and -- and do you type on
18 that -- do you type on that computer at any point in
19 time?

20 A. Yes.

21 Q. Have you ever typed a letter E?

22 A. The letter E, is that what you stated?

23 Q. Yes.

24 A. Yes.

25 Q. Okay. And how does -- how does the letter E --

Anna Simmons

May 3, 2017

1 when you type the letter E on the keyboard, do you
2 expect it to show up on -- on a screen that's in front
3 of you?

4 A. Yes.

5 Q. Okay. But even though you're typing the letter
6 E, it's not actually the letter E that is -- that is
7 going through the screen, it would be whatever the
8 computer system is that -- that calculates what you've
9 typed as the letter E and then displays it on the
10 screen, is that -- is that your understanding or do you
11 have a different understanding?

12 MS. BRASTER: Objection to vague and
13 foundation.

14 THE WITNESS: I am so sorry, I don't have
15 understanding of how the E gets transmitted through the
16 computer.

17 Q. (BY MR. CLARK) Okay. If -- let me ask you
18 this question: Have you -- have you wrote e-mails -- or
19 do you write e-mails in the course of -- in the course
20 of your job?

21 A. Yes.

22 Q. Okay. And when you -- when you write e-mails,
23 do you type these e-mails out on a keyboard ever?

24 A. Yes.

25 Q. Okay. And when you send those e-mails to -- to

Anna Simmons

May 3, 2017

1 other people, is it -- is it you sending those e-mails
2 or is it the system sending those e-mails?

3 MS. BRASTER: Objection to foundation and
4 vague.

5 THE WITNESS: I -- I'm really not quite
6 sure. I guess it would be the system, after I request
7 the e-mail be sent. I don't know how to answer that
8 that well. I'm so sorry.

9 Q. (BY MR. CLARK) Okay. That -- that's -- that's
10 okay.

11 Basically what I'm trying to do here is I'm
12 trying to find an analogy to what you testified to. And
13 maybe this is because -- maybe it's not.

14 So -- but let me ask one more question
15 about -- about those e-mails and then I'll tie it back
16 in. If someone got back to you based on the e-mail that
17 you sent, would they be -- would they be asking about an
18 e-mail that you sent or would they be asking about an
19 e-mail that the system sent?

20 MS. BRASTER: Same objection.

21 THE WITNESS: I would imagine that they
22 would be asking about an e-mail that I sent through the
23 system.

24 Q. (BY MR. CLARK) Okay. Now, in the context of
25 tying this back in to the consumer dispute process as

Anna Simmons

May 3, 2017

1 you -- as you indicate your -- your role as a customer
2 service agent was, is -- is it -- well, let me ask you
3 this.

4 Why is -- what is the process of sending a
5 consumer dispute through the system any different than
6 sending an e-mail through an e-mail server to -- to
7 another individual in the ordinary course of your work?

8 MS. BRASTER: Objection to vague and
9 foundation.

10 THE WITNESS: I do not know.

11 Q. (BY MR. CLARK) Okay. Do you think that those
12 processes, based on your experience, are -- are the
13 same?

14 MS. BRASTER: Same objection.

15 THE WITNESS: I am so sorry. I don't
16 understand the question. Did you ask if an e-mail and
17 an ACDV were sent the same?

18 Q. (BY MR. CLARK) Well, is -- is -- let me ask
19 you this.

20 If -- if there was something -- if there
21 was something that -- that -- that had been entered by a
22 dispute agent in the course of a dispute that was
23 submitted through e-OSCAR in an ACDV, would -- would
24 the -- would the blame for that error lie with the
25 system or would it lie with the agent who inputted the

Anna Simmons

May 3, 2017

1 information that was transmitted through the system?

2 MS. BRASTER: Objection to vague.

3 Speculation, foundation.

4 THE WITNESS: I will have to ask for the
5 question to be repeated.

6 MR. CLARK: Sure. Madam Court Reporter.

7 THE REPORTER: (Read back.)

8 MS. BRASTER: Same objection.

9 THE WITNESS: I don't know which error you
10 are referring to.

11 Q. (BY MR. CLARK) Okay. Let me -- let me try
12 asking it again. Let's suppose that a -- a -- an
13 Experian agent inputted information that was sent to a
14 data furnisher through an ACDV. Are you with me so far?

15 A. Yes.

16 Q. And let's say that some of the information that
17 the agent entered that wound up on that ACDV sent to the
18 a furnisher was inaccurate or incorrectly entered. Are
19 you with me so far?

20 MS. BRASTER: Objection to speculation.

21 THE WITNESS: Yes. I didn't understand it
22 that way earlier.

23 Q. (BY MR. CLARK) Okay. And let's say -- let's
24 that Experian found out about that and was trying to
25 figure out who was responsible for -- for that -- for

Anna Simmons

May 3, 2017

1 that mistake. Are you with me so far?

2 MS. BRASTER: Same objection.

3 THE WITNESS: Kind of. I don't know when
4 you state Experian found out about it, but I'm doing my
5 best to -- to follow you as best I can.

6 Q. (BY MR. CLARK) Okay. When I say found out, I
7 mean received notification that the information inputted
8 by the -- by the Experian employee who sent the dispute
9 to -- ACDV was inaccurate.

10 MS. BRASTER: Objection to vague,
11 speculation.

12 Q. (BY MR. CLARK) Are you with me so far?

13 A. Yes.

14 Q. Okay. When Experian was trying to figure out
15 who was responsible for inputting that information,
16 would it -- would it look to see if the system was
17 operating properly or would it ask the dispute agent
18 what went wrong?

19 MS. BRASTER: Same objections.
20 Speculation, foundation and vague.

21 THE WITNESS: If I remember correctly, you
22 stated that agent entered the wrong information. So --

23 MR. CLARK: Yes.

24 THE WITNESS: -- Experian would speak to
25 the agent.

Anna Simmons

May 3, 2017

1 Q. (BY MR. CLARK) Okay. Thank you. And last
2 question. Is -- you referred to it as "the system"
3 before, right?

4 A. Yes.

5 Q. Is the system an Experian system?

6 MS. BRASTER: Objection to foundation.

7 THE WITNESS: Experian uses many systems.
8 I don't know if they have created all of them. But yes,
9 some are Experian systems.

10 Q. (BY MR. CLARK) So when you refer to "the
11 system" in the singular, would you like to amend your
12 testimony to say "the systems"?

13 A. I don't think so. I think only one system was
14 used for the ACDV to be spent, but Experian --

15 Q. Okay.

16 A. -- has several systems regarding different
17 sections.

18 Q. So I will repeat my question. When we -- we
19 were talking about "the system" before in the singular,
20 do you recall that?

21 A. Yes.

22 Q. Now, the system that we're talking about, is
23 that an Experian system?

24 MS. BRASTER: Objection to foundation.

25 THE WITNESS: The e-OSCAR system, I don't

Anna Simmons

May 3, 2017

1 think is an Experian system, but there are other systems
2 that are.

3 Q. (BY MR. CLARK) And so let me -- let me --
4 maybe we could have answered this a lot easier before.
5 When you refer to the system, were you referring to
6 e-OSCAR system?

7 MS. BRASTER: Objection to vague and to the
8 extent it misstates her testimony.

9 THE WITNESS: Yes, when the ACDV is sent
10 I'm referring to the e-OSCAR system.

11 Q. (BY MR. CLARK) Okay. Okay. So as you sit
12 here today, you're -- you're not sure whether that is or
13 is not an Experian system?

14 A. That is correct. I do not know if Experian
15 assisted in creating e-OSCAR.

16 Q. Okay. Or if Experian maintains e-OSCAR; is
17 that -- is that fair to say?

18 MS. BRASTER: Objection; asked and
19 answered.

20 THE WITNESS: Yes, that is fair to say.

21 Q. (BY MR. CLARK) Okay. But -- so it is possible
22 that -- that Experian did, in fact, either create and/or
23 maintains e-OSCAR; is that -- is that fair to say?

24 MS. BRASTER: Objection; asked and
25 answered.

Anna Simmons

May 3, 2017

1 THE WITNESS: I do not know.

2 Q. (BY MR. CLARK) Okay. You can't rule out the
3 possibility though, can you?

4 MS. BRASTER: Same objections.

5 THE WITNESS: I do not know.

6 Q. (BY MR. CLARK) Okay. Let's be clear. You're
7 not -- you're not sure whether Experian either created
8 or -- and/or maintains the e-OSCAR system?

9 MS. BRASTER: Same objection.

10 THE WITNESS: I do not know if Experian
11 created or maintains e-OSCAR.

12 MR. CLARK: Okay. Thank you.

13 All right. So, Jen, could we stipulate to
14 the authenticity of Exhibit 9?

15 MS. BRASTER: Yeah. Let me just -- sorry,
16 we went off on a little bit of a tangent there.
17 Exhibit 9 is --

18 MR. CLARK: Yeah. Yeah. This is --

19 MS. BRASTER: -- 1021 to 1029.

20 MR. CLARK: Yes.

21 MS. BRASTER: Okay. Thank you.

22 Q. (BY MR. CLARK) Anna, just one more question on
23 these documents. Are these -- are these Experian's
24 documents relating to use of the e-OSCAR system?

25 A. Yes, I believe so.

Anna Simmons

May 3, 2017

1 Q. Okay. Thank you. You can set Exhibit 9 aside.

2 MR. CLARK: Jen, we're -- we're -- I've
3 got -- I've got three more of these. I know it's a
4 little bit after 1:00. So I think -- I think -- I don't
5 have -- I don't think we'll go on any tangents, so it's
6 up to you whether you just want to get through this so
7 we're at a good stopping point. But I'm happy to stop
8 now because we had -- we're already past 1:00. It's up
9 to you.

10 MS. BRASTER: Yeah. If this is just the
11 basic questions like most of other ones were -- and I
12 didn't mean tangent in an offensive way.

13 MR. CLARK: Oh, no, no. I -- I agree it
14 did.

15 MS. BRASTER: Yeah.

16 MR. CLARK: It was definitely different
17 than the other ways. So I just want to make sure that
18 that -- as I -- as I sit here right now, I don't think
19 that's going to happen. So it's up to you whether you
20 want to break now.

21 MS. BRASTER: Yeah. Why don't we just go
22 through these last couple if you just want to -- if you
23 have a couple of questions on each of these. But if you
24 think it's going to go lengthy, let us know and we'll
25 take a stop for lunch.

Anna Simmons

May 3, 2017

1 MR. CLARK: Okay. Will do.

2 All right. So, Madam Court Reporter, if we
3 could have Tab 10 as Exhibit 10, please.

4 (Exhibit No. 10 was marked)

5 THE WITNESS: I have this in front of me.

6 Q. (BY MR. CLARK) Okay. Anna, what is this
7 document?

8 MS. BRASTER: And for my benefit, which one
9 is this?

10 MR. CLARK: Sorry. This is 1030 to 1034.

11 MS. BRASTER: Thank you.

12 THE WITNESS: These are ACDV e-OSCAR codes.

13 Q. (BY MR. CLARK) Okay. Does -- does Experian
14 use these in connection with the consumer dispute
15 process, these codes?

16 A. Yes, these codes can appear on ACDV.

17 Q. Okay. And do you know if this document -- I
18 don't see a date on it and so I -- I'm not sure when
19 this document was -- was -- was published. Do you
20 happen to know that?

21 A. I do not.

22 Q. Do you know whether this document is currently
23 an accurate list of codes that Experian uses in
24 connection with -- with e-OSCAR?

25 A. As you stated, that's no date on it. But I

Anna Simmons

May 3, 2017

1 believe this is an accurate document.

2 Q. Okay. And just jumping back to Exhibit 9, I
3 don't think I asked that question. But would -- would
4 your answer be the same for Exhibit 9?

5 A. Yes.

6 Q. Okay. Thank you.

7 MR. CLARK: Jen, can we stipulate to the
8 authenticity of Exhibit 10?

9 MS. BRASTER: Yes.

10 MR. CLARK: Thank you. All right.

11 Can we have Tab 11 as Exhibit 11, please?

12 (Exhibit No. 11 was marked)

13 MR. CLARK: And, Jen, this is 1035 to 1043.

14 MS. BRASTER: Thank you.

15 THE WITNESS: (Looked at document.) I have
16 the document in front of me.

17 Q. (BY MR. CLARK) Okay. How does Experian use
18 this document?

19 A. This is basically used as a glossary to
20 understand what these different payments statuses for
21 account conditions mean.

22 Q. And is there a -- a date on this document?

23 A. (Looked at document.) I cannot tell if there
24 is a date. I don't think so. But on page 1043 it
25 appears that there was some writing under the Bates

Anna Simmons

May 3, 2017

1 number.

2 Q. Okay.

3 A. I don't know if that was a date or not. But I
4 do not see a date anywhere else.

5 Q. Okay. And is -- is that -- is that date -- are
6 you seeing that it says 2009?

7 A. I see --

8 Q. Is that the same date you're looking at?

9 A. I see June of 2009, but then there's additional
10 writing under the Bates number and I don't know if
11 there's a different date there.

12 MS. BRASTER: Miles?

13 MR. CLARK: Oh, I see it. Okay.

14 MS. BRASTER: Miles?

15 MR. CLARK: Yeah.

16 MS. BRASTER: I don't mean -- I don't mean
17 to interject and make a speaking objection. I have one
18 that doesn't have a Bates number on top of that, if that
19 helps. I can read in what it is or if you want me to
20 show it to the witness, you tell me. Or if we just want
21 to move on. But I do have one with no Bates number on
22 it.

23 MR. CLARK: If you -- thank you, Jen. If
24 you could just read in that date, that would be helpful.

25 MS. BRASTER: Sure. The -- that last line

Anna Simmons

May 3, 2017

1 where it starts 06/09 and then there's like a dot. And
2 then it says 12/24/2559 -- 56 -- 2556.4898C-CF.

3 MR. CLARK: Okay. And, Jen, as you read
4 that, I -- that doesn't sound like any date that I'm --
5 that I'm -- that I'm aware of. So...

6 MS. BRASTER: No. That's why I wanted to
7 clear it up, but I didn't want to...

8 MR. CLARK: Sure. And -- absolutely. And
9 I -- I appreciate that. That makes it easier.

10 Q. (BY MR. CLARK) Anna, do you have any reason to
11 believe that this is not a copy of this document that
12 Experian would use between March 2015 and the present?

13 A. No.

14 Q. Okay.

15 MR. CLARK: Jen, can we stipulate to the
16 authenticity of Exhibit 11?

17 MS. BRASTER: Yes.

18 MR. CLARK: Okay. Last one. This is --
19 Madam Court Reporter, can we have Tab 12 as Exhibit 12,
20 please?

21 (Exhibit No. 12 was marked)

22 MS. BRASTER: And, Miles, can you tell me
23 what it is so I'm not leaning over.

24 MR. CLARK: Oh, oh, yeah. Sorry. I'm
25 terrible at this. 1767 to 1774.

Anna Simmons

May 3, 2017

1 MS. BRASTER: Thank you.

2 MR. CLARK: You're welcome.

3 THE WITNESS: I have this in front of me.

4 Q. (BY MR. CLARK) Okay. So let's see.

5 What is this?

6 A. In general, this a document that would be
7 provided to a third party that would assist them in
8 reading a credit profile report.

9 Q. Okay. And is this a copy of that document that
10 would have been provided to a third party between March
11 of 2016 and the present?

12 A. I believe so.

13 Q. Okay.

14 MR. CLARK: Jen, can we stipulate to the
15 authenticity of Exhibit 12?

16 MS. BRASTER: Yes.

17 MR. CLARK: I didn't hear your response.

18 MS. BRASTER: I said yes. Yes.

19 MR. CLARK: Great. Well, with that, thanks
20 for -- thanks for sticking with me for a few minutes
21 after -- after 1:00. But let's -- let's go on break and
22 you just let me know -- for lunch, let me know how long
23 do you think you need?

24 MS. BRASTER: Okay. Well, let's go off the
25 record.

Anna Simmons

May 3, 2017

1 MR. CLARK: Sure.

2 (Break taken)

3 MR. CLARK: Let's go back on the record.

4 MS. BRASTER: We are on. All right.

5 Anna, so we're -- I had -- for the
6 remainder of the deposition we're going to be talking
7 largely about Exhibit 2 and Exhibit 3. So -- just so
8 you know that in advance and so you have those --
9 those -- those documents at that -- at the ready.

10 MR. CLARK: And, Jen, again for -- for your
11 benefit those were -- those were Experian 1 to 106, as
12 broken up in Exhibit 2. The first being Experian 1
13 through 93 and Exhibit 3 being 94 to 106.

14 MS. BRASTER: Thank you.

15 Q. (BY MR. CLARK) All right. So, Anna, looking
16 at Exhibit 2. We had discussed --

17 MS. CHIUSANO: Lucille Chiusano. I'm here

18 MR. CLARK: Thank you, Lu.

19 Q. (BY MR. CLARK) So, Anna, looking at Exhibit 2
20 we had discussed in the morning a consumer dispute
21 submitted by Mr. Ashcraft. Do you recall that?

22 A. Yes.

23 Q. And was -- was Mr. Ashcraft's dispute -- or was
24 there a letter that Mr. Ashcraft sent to Experian
25 included in the document that you had review?

Anna Simmons

May 3, 2017

1 MS. BRASTER: Objection to foundation.

2 THE WITNESS: Yes.

3 Q. (BY MR. CLARK) Okay. And on what pages of
4 Exhibit 2 was that letter contained in?

5 A. Page one.

6 Q. Okay. How about page two?

7 A. Yes. It -- it only starts on page one. Is --
8 I should have clarified.

9 Q. Okay. Yeah. Then page two is blank and
10 then -- but it continues on page three; is that fair to
11 say?

12 A. Yes.

13 Q. Okay. So looking at -- so what's -- what's the
14 date of Mr. Ashcraft's letter to Experian on page one?

15 A. The date on this letter is April 25, 2016.

16 Q. Okay. And do you see that Mr. Ashcraft is --
17 is referencing a credit report number, a little bit
18 further down page?

19 A. Yes.

20 Q. Okay. And is that credit report number the
21 same credit report number that we see on page five?

22 A. (Looked at document.) Yes.

23 Q. Okay. Looking at page three, do you see where
24 it says: Incorrect furnisher of account information?

25 A. Yes.

Anna Simmons

May 3, 2017

1 Q. Okay. Is there a furnisher account that
2 Mr. Ashcraft is disputing?

3 A. Yes.

4 Q. And what is the name of this furnisher account?

5 A. Welk Resort Group.

6 Q. Okay. And what -- what information is
7 Mr. Ashcraft disputing?

8 A. Late payments after filing a bankruptcy.

9 Q. And what late payments specifically?

10 A. May and June of 2011.

11 Q. Okay. And what information does Mr. Ashcraft
12 dispute on those dates?

13 A. May of 2011, it appears he's disputing 30 days
14 late. From June of 2011, it appears that he was
15 disputing the 60 days late.

16 Q. And based on the remainder of the information
17 contained on page three, what does Mr. Ashcraft want
18 Experian to do with respect to this inaccurate
19 information?

20 MS. BRASTER: Objection to the extent it
21 calls for speculation.

22 THE WITNESS: To change the late notices to
23 reflect that he was current.

24 Q. (BY MR. CLARK) Okay. All right. And
25 Mr. Ashcraft references a bankruptcy on this page; is

Anna Simmons

May 3, 2017

1 that fair to say?

2 A. Yes.

3 Q. Okay. Let's see. So looking at -- looking at
4 Ashcraft 9, do you see a notation for a public record?

5 A. (Looked at document.) Yes.

6 Q. Okay. And what is that public record?

7 A. (Looked at document.) A Chapter 7 discharge
8 bankruptcy.

9 Q. Okay. And what -- is there -- is there a
10 notation as to when the Chapter 7 bankruptcy was filed?

11 A. Yes.

12 Q. Okay. And is that -- what is that notation?

13 A. April 2011.

14 Q. Is there a date on which this bankruptcy was
15 discharged?

16 A. Yes.

17 Q. And what is that date?

18 A. August 2011.

19 Q. And is there a -- is that August 2011 entry,
20 does it appear underneath a line that says "date
21 resolved"?

22 A. Yes.

23 Q. Okay. So by date resolved, that means the date
24 that it was discharged, the bankruptcy?

25 A. Yes.

Anna Simmons

May 3, 2017

1 Q. Okay. And looking on Ashcraft 13 do you see a
2 trade line for Welk Resort Group?

3 A. (Looked at document.) Yes.

4 Q. Okay. And is this the Welk Resort Group
5 account that Mr. Ashcraft was disputing in his April 25,
6 2016, letter to Experian?

7 A. Yes.

8 Q. And do you see in -- do you see -- do you see
9 a -- a line near the bottom of this trade line that says
10 payment history?

11 A. Yes.

12 Q. Okay. And do you see -- do you see those May
13 and June late notations that Mr. Ashcraft was disputing
14 on that payment history section?

15 A. Yes. Although they're whited out on this copy
16 so I don't actually right now see the late payments
17 there. It's just two white spots.

18 Q. Okay. And let's see if we can -- if we can
19 clarify this.

20 A. I -- I can also add that I did review the
21 documents and I -- I did see that there were late
22 payments there if that will help.

23 Q. That would. Thank you. And in addition,
24 I'll -- I'll note we -- we had talked earlier about the
25 fact that there was another copy of this March 15, 2016,

Anna Simmons

May 3, 2017

1 disclosure contained in Ashcraft -- in Ashcraft 47 to
2 64; did we not?

3 A. (Looked at document.) Yes.

4 Q. Okay. And I mean if it's easier for you to
5 read, is -- is that -- on Ashcraft 51 do you see a -- do
6 you see that Welk Resort Group disputed trade line also
7 appearing there?

8 A. Yes.

9 Q. And maybe it's little clearer, do you see the
10 May and June late payment that Mr. Ashcraft was
11 disputing on Ashcraft 51 in the payment history of the
12 Welk Resort Group trade line?

13 A. Yes.

14 Q. Okay. Okay. So -- and does the -- Welk Resort
15 Group account indicate that it was included in
16 Mr. Ashcraft's bankruptcy?

17 A. No.

18 Q. Okay. Let's see. All right. So did -- did
19 Mr. Ashcraft's April 25, 2016, letter dispute a Capital
20 One account with Experian?

21 A. (Looked at document.) I don't believe so.

22 Q. Okay. So after -- after Mr. Ashcraft submitted
23 his consumer dispute on April 25, 2016; what did
24 Experian --

25 Let me ask you this: Did Experian contact

Anna Simmons

May 3, 2017

1 Welk Resort Group regarding Mr. Ashcraft's dispute?

2 A. Yes.

3 Q. And how did it do so?

4 A. Experian sent an ACDV to the data furnisher,
5 along with attaching Mr. Ashcraft's complete mail
6 correspondence.

7 Q. Okay. And when you say "complete mail
8 correspondence," you're talking about his letter and all
9 the documents that he attached to his letter, as
10 contained on Ashcraft 1 to 46?

11 A. Yes.

12 Q. Okay. And how do know that Experian sent an
13 ACDV to -- to Welk after it received this dispute from
14 Mr. Ashcraft?

15 A. I believe we looked at a copy of the ACDV
16 response. In addition to the fact that the dispute is
17 displaying in the D/R Log.

18 Q. Okay. And so that would be ACDV on Ashcraft --
19 I'm sorry.

20 Was that the ACDV we looked at in
21 Ashcraft -- on Ashcraft 65?

22 A. Yes.

23 Q. Okay. And is that -- is sending the ACDV to
24 Mr. Ashcraft's data furnisher, Welk, in response to
25 Mr. Ashcraft's dispute, that's -- would -- would you say

Anna Simmons

May 3, 2017

1 that's a -- a -- a normal thing that Experian does when
2 it receives a dispute from the consumer?

3 MS. BRASTER: Objection to vague.

4 THE WITNESS: Yes, this can be considered a
5 normal thing, as you stated.

6 Q. (BY MR. CLARK) Okay. Roughly speaking, how
7 many consumer disputes does Experian receive per year?

8 MS. BRASTER: Objection to the extent it's
9 outside the scope. Foundation.

10 THE WITNESS: I do not know.

11 Q. (BY MR. CLARK) Is it more than a thousand?

12 MS. BRASTER: Same objections.

13 THE WITNESS: I would assume so.

14 Q. (BY MR. CLARK) Is it more than a million?

15 MS. BRASTER: Same objections.

16 THE WITNESS: I do not know.

17 Q. (BY MR. CLARK) Okay. Do you know how many
18 disputes it received by mail?

19 MS. BRASTER: Same objections and vague.

20 THE WITNESS: No.

21 Q. (BY MR. CLARK) How about by electronic mail?

22 MS. BRASTER: Same objections.

23 THE WITNESS: No.

24 Q. (BY MR. CLARK) Do you know how many disputes
25 Experian receives per year which dispute the accuracy of

Anna Simmons

May 3, 2017

1 information in trade lines which were included in a
2 Chapter 13 bankruptcy?

3 MS. BRASTER: Same objections.

4 THE WITNESS: No.

5 Q. (BY MR. CLARK) Do you think the number is more
6 than a thousand?

7 MS. BRASTER: Same objections.

8 THE WITNESS: I do not know.

9 Q. (BY MR. CLARK) Does -- would Experian have a
10 record of -- of such disputes?

11 MS. BRASTER: Same objections.

12 THE WITNESS: I do not know.

13 Q. (BY MR. CLARK) Do you think Experian's
14 internal records could -- could show us how many
15 disputes were received?

16 MS. BRASTER: Same objections.

17 THE WITNESS: I do not know.

18 Q. (BY MR. CLARK) Same question. How many
19 disputes does Experian receive per year which dispute
20 the accuracy of information contained in trade line
21 which were included in a Chapter 7 bankruptcy?

22 MS. BRASTER: Same objections.

23 THE WITNESS: I do not know.

24 Q. (BY MR. CLARK) Do you think the number is more
25 than a thousand?

Anna Simmons

May 3, 2017

1 MS. BRASTER: Same objections.

2 THE WITNESS: I do not know.

3 Q. (BY MR. CLARK) Do you know think the number is
4 more than 40?

5 MS. BRASTER: Same objections.

6 THE WITNESS: I would assume so.

7 Q. (BY MR. CLARK) And do you think there's --
8 there would be more than 40 disputes that Experian
9 receives per year which dispute the accuracy of
10 information contained in trade lines which were included
11 in a Chapter 13 bankruptcy?

12 MS. BRASTER: Same objections.

13 THE WITNESS: I would assume so.

14 Q. (BY MR. CLARK) Okay. Do you think the number
15 is more than a hundred?

16 MS. BRASTER: Same objections.

17 THE WITNESS: I do not know.

18 Q. (BY MR. CLARK) And we were -- we were talking
19 about Mr. Ashcraft's dispute as -- as related, at least
20 in part, to claimed inaccuracies in the payment history
21 section of his Welk trade line. Do you recall that?

22 A. Yes.

23 Q. Okay. What is the payment history section
24 of -- of a trade line?

25 A. It shows the history of how the payments were

Anna Simmons

May 3, 2017

1 made to that account and most specifically the
2 timeliness of the payments.

3 Q. Okay. If the account history section of
4 Mr. Ashcraft's Welk trade line had included a statement
5 which said: That included the Chapter 7 bankruptcy on
6 April 29, 2011, would there be any reporting of payment
7 history after April of 2011?

8 MS. BRASTER: Objection; calls for
9 speculation and assumes facts.

10 THE WITNESS: No.

11 Q. (BY MR. CLARK) Okay. And why not?

12 A. Because the payment history after that filing
13 date would have been suppressed.

14 Q. Okay. And is that Experian's policy to
15 suppress payment history after the bankruptcy filing
16 date?

17 MS. BRASTER: Objection to vague.

18 THE WITNESS: Yes.

19 Q. (BY MR. CLARK) Okay. Okay. And so let's see.

20 Do you know how many disputes Experian
21 receives per year which dispute the accuracy of
22 information contained in a payment history section of a
23 trade line which was included in a consumer's
24 bankruptcy?

25 MS. BRASTER: Objection; foundation.

Anna Simmons

May 3, 2017

1 Speculation.

2 THE WITNESS: I do not.

3 MS. BRASTER: I was going to say -- I'm --
4 objection; foundation. Outside the scope.

5 THE WITNESS: I do not know.

6 Q. (BY MR. CLARK) Do you think the number is more
7 than 40?

8 MS. BRASTER: Same objections.

9 THE WITNESS: I would assume so.

10 Q. (BY MR. CLARK) Do you think the number is more
11 than a thousand?

12 MS. BRASTER: Same objections.

13 THE WITNESS: I do not know.

14 Q. (BY MR. CLARK) Looking at -- perhaps, Anna,
15 just because it's easier, since we've -- we've agreed
16 that Ashcraft 51 is -- is the same reporting on the Welk
17 trade line as Ashcraft -- what was it? Ashcraft 13.
18 I'll just refer to that one because it's a little bit --
19 it's a little bit clearer.

20 The -- do you see where the Welk Resort
21 Group indicates that the account was -- the status is
22 paid and closed on Ashcraft 51?

23 A. Yes.

24 Q. Do you see where the -- what's the last date
25 that's included in the payment history on the Welk

Anna Simmons

May 3, 2017

1 Resort Group trade line?

2 A. October 2011.

3 Q. And that's after April 2011, right?

4 A. Yes.

5 Q. Okay. Let's see. So turn back to the status
6 section. What is -- what -- what is the status section
7 of a -- of a -- of a consumer trade line?

8 A. It states the status of the account.

9 Q. If -- if -- if an account was discharged in a
10 bankruptcy, would a notation to that effect be included
11 in the status section?

12 MS. BRASTER: Objection; speculation.

13 THE WITNESS: If a data furnisher reported
14 that this account was discharged in a bankruptcy, that
15 would be reflected under the status section.

16 Q. (BY MR. CLARK) Can Experian obtain information
17 about a -- the fact of a bankruptcy discharge from
18 anywhere other than from the data furnisher?

19 MS. BRASTER: Objection to vague.

20 THE WITNESS: Experian can obtain
21 information regarding bankruptcy public record through
22 LexisNexis.

23 Q. (BY MR. CLARK) Okay. And is LexisNexis, are
24 they -- are they -- is it fair to say they're a
25 third-party vendor of information?

Anna Simmons

May 3, 2017

1 A. Yes.

2 Q. Okay. Is that where Experian gets its
3 bankruptcy-related public record information?

4 A. Yes.

5 Q. Are you -- are you familiar with the -- with
6 the --

7 Let me ask you this: Have you ever seen a
8 bankruptcy petition?

9 A. I believe so.

10 Q. Okay. Have you ever seen schedules attached to
11 a bankruptcy petition?

12 A. Yes.

13 Q. And -- and are those -- and a bankruptcy
14 petition, to your knowledge, is that a -- a document
15 submitted into the public record in a bankruptcy?

16 A. I believe it is submitted, as you state, into
17 the public record.

18 Q. Okay. So a bankruptcy schedule is -- would be
19 a document submitted into the public record, to the best
20 of your knowledge; is that fair to say?

21 MS. BRASTER: Objection to foundation.

22 THE WITNESS: I believe so.

23 Q. (BY MR. CLARK) Okay. Let's see. And let's
24 see.

25 And how many consumer disputes does

Anna Simmons

May 3, 2017

1 Experian receive per year which dispute the accuracy of
2 information contained in the status section of a trade
3 line which was included in a consumer's bankruptcy?

4 MS. BRASTER: Objection; outside the scope.
5 Speculation.

6 THE WITNESS: I do not know.

7 Q. (BY MR. CLARK) Is it more than 40?

8 MS. BRASTER: Objection; outside scope.
9 Foundation.

10 THE WITNESS: I would assume so.

11 Q. (BY MR. CLARK) Do you know if it's more than a
12 thousand?

13 MS. BRASTER: Same objections.

14 THE WITNESS: I do not know.

15 Q. (BY MR. CLARK) Okay. And looking -- looking
16 down at Ashcraft 52, we had talked before about a -- a
17 Capital One account which was included in a -- in a
18 carbon copy reinvestigation from Equifax. Do you recall
19 that?

20 A. Yes, I recall the -- speaking about a carbon
21 copy for a Capital One account.

22 Q. Okay. I want you to look at Ashcraft 52. Do
23 you see a Capital One account listed there?

24 A. Yes.

25 Q. Okay. Do you see that a section below the

Anna Simmons

May 3, 2017

1 payment history that says "account history"?

2 A. Yes.

3 Q. Do you know -- what is an account history
4 section in a trade line?

5 A. The history of the account.

6 Q. Okay. And when you say history of the account,
7 what do you -- what do you mean in particular with that?

8 A. It could be such things as balance information.

9 Q. Okay. Anything else?

10 A. It could be something like the date that a
11 payment was received.

12 Q. Okay. Could it include a scheduled payment
13 amount?

14 A. Yes.

15 Q. Could it include an actual amount paid?

16 A. Yes.

17 Q. Okay. Do you know how many disputes Experian
18 receives per year which dispute the accuracy of
19 information contained in the account history section of
20 a trade line included in a consumer's bankruptcy?

21 MS. BRASTER: Objection; foundation.
22 Outside scope.

23 THE WITNESS: I do not know.

24 Q. (BY MR. CLARK) Do you think the number is more
25 than 40?

Anna Simmons

May 3, 2017

1 A. I would assume so.

2 MS. BRASTER: Same objections.

3 Q. (BY MR. CLARK) And do you think the number is
4 more than a thousand?

5 MS. BRASTER: Same objections.

6 THE WITNESS: I do not know.

7 Q. (BY MR. CLARK) Okay. So let's go back to --
8 let's go back to the ACDV that that we're talking about
9 on Ashcraft 65.

10 A. (Witness complies.)

11 Q. Let me know when you're there.

12 A. I'm there.

13 Q. Okay. And so -- and I apologize, I -- I know
14 that we've done -- we've gone through this a few times
15 in other depositions, but I just have to -- I have to
16 understand some of the things that are -- that are
17 present on this form.

18 So do you see there are three boxes in the
19 middle of the page that state: Subscriber response on
20 profile and consumer claims?

21 A. Yes.

22 Q. What -- what information goes in the consumer
23 claims box?

24 A. Information that the consumer claimed was
25 accurate.

Anna Simmons

May 3, 2017

1 Q. Okay. And do you see any -- any notation -- do
2 you see any notations in the consumer claims box on
3 Ashcraft 65?

4 A. Yes.

5 Q. Okay. And so what -- what notations do you
6 see?

7 A. That it was current. Paid current.

8 Q. Okay. And is that -- is information in the
9 consumer claims box information that Experian would --
10 would -- would put in before it sends the ACDV to -- to
11 Welk?

12 A. Yes, it can be.

13 Q. Okay. Can Welk put that information in the
14 consumer claims box after it receives the ACDV from
15 Experian?

16 A. No.

17 Q. Okay. Do you see anything in the consumer
18 claims box that -- that indicates that Mr. Ashcraft
19 wanted a statement of dispute added to his trade line?

20 A. No.

21 MS. BRASTER: Objection to assume facts.

22 MR. CLARK: Sorry, go ahead.

23 MS. BRASTER: Sorry. I didn't -- I just
24 don't want to interrupt her answer because we're -- with
25 the phone. Just objection assumes facts.

Anna Simmons

May 3, 2017

1 Q. (BY MR. CLARK) Do -- do you see anywhere on
2 the consumer claims box where Mr. Ashcraft indicated
3 that his Welk trade line was included in his Chapter 7
4 bankruptcy?

5 MS. BRASTER: Same objection.

6 THE WITNESS: No, both of those statements
7 you stated were provided to the data furnisher in the
8 attached correspondence.

9 Q. (BY MR. CLARK) Okay. But they don't -- they
10 don't appear in the consumer claims box, correct?

11 A. That is correct. They were sent over with the
12 correspondence.

13 Q. But the consumer claims box does have an
14 indication towards zero under the balance; is that -- is
15 that accurate?

16 A. That is correct. There was also a zero balance
17 on the account.

18 Q. Okay. So Experian did place portions of
19 Mr. Ashcraft's dispute in the consumer claims box, but
20 not everything?

21 MS. BRASTER: Objection; assumes fact.

22 THE WITNESS: That's correct. There is not
23 a spot to add the dispute statement in the consumer
24 claims. That's why we provided it in that
25 correspondence, so the data furnisher can view it.

Anna Simmons

May 3, 2017

1 Q. (BY MR. CLARK) Is the ACDV form used here the
2 form used by all consumer reporting agencies?

3 MS. BRASTER: Objection to foundation.

4 THE WITNESS: I do not know.

5 Q. (BY MR. CLARK) Is -- do you know if this is a
6 form that Experian devised?

7 MS. BRASTER: Same objection.

8 THE WITNESS: I do not know.

9 Q. (BY MR. CLARK) Okay. The -- is there anywhere
10 on the consumer claims box where Experian indicates that
11 Mr. Ashcraft is disputing the -- the late payments in
12 May and June of 2011?

13 A. Yes. That is where it states "paid current".

14 Q. Okay. And where are you looking? And to be
15 clear, I was looking at the consumer claims box. I
16 wasn't -- oh, I see what you're saying. Paid current.

17 Okay. And so by "paid current" Experian
18 meant to convey to -- to Welk that -- that there was --
19 that there was no -- that there was no prior late
20 payments on the account?

21 A. Experian conveyed that there were no late
22 payments on the account.

23 Q. Okay. So -- and that's what paid current
24 means?

25 A. Yes. The status already was paid. And the

Anna Simmons

May 3, 2017

1 current after it conveys that there were no late
2 payments on the account.

3 Q. Okay. So -- so it would never be the case that
4 an account would say paid current if there were late
5 payments that had been entered previously, but the
6 account had been -- been brought current at a later
7 time?

8 MS. BRASTER: Objection to vague,
9 speculation.

10 THE WITNESS: If it states "paid current,"
11 that means it was paid and never late.

12 Q. (BY MR. CLARK) Okay. So -- so the word "paid"
13 means never late?

14 A. No.

15 Q. Does the word "current" mean never late?

16 A. In this scenario on the ACDV under consumer
17 claims it does mean that.

18 Q. Okay. And the -- and is there -- is there an
19 internal -- is -- is the word "current," is that like --
20 because to me the word "current" doesn't mean never
21 late. So I'm assuming that that's some kind of internal
22 Experian code for -- for never late?

23 A. The phrase "paid and current" would mean never
24 late.

25 Q. Okay. Well, the phrase here is "paid current"

Anna Simmons

May 3, 2017

1 it's not paid and current; is that fair to say?

2 A. My apologizes. I didn't mean to put "and" in
3 the middle of those two words.

4 Q. No worries. I just want to make sure. Because
5 we're talking about a very granulated statement. I'm
6 not trying to put words in your mouth. I just want to
7 make it absolutely clear.

8 Okay. So -- so is -- is paid current an
9 Experian code for -- for reporting the information the
10 consumer's claim is never late?

11 A. I -- I guess it could be called a code. I'm
12 not exactly sure what the name for it is.

13 Q. Okay. Am I -- I mean code or terminology, is
14 that sort of the same -- is terminology maybe a better
15 word?

16 A. Okay.

17 Q. Well, I'm asking you. I just want to make sure
18 that you understand what I'm trying to get at.

19 A. Yes.

20 Q. Okay. And so where in the policies and
21 procedures would we find evidence of terminology which
22 indicated that "paid current" as reflected on this
23 consumer claims box means paid and never late?

24 A. I do not know. I would have to look through
25 the participant guide to see where that is listed.

Anna Simmons

May 3, 2017

1 Q. Okay. So it would be -- it would be included
2 in the participants guide, you believe?

3 A. I would have to look through there to see.

4 Q. Would it be included on any other document
5 we've looked at which is not a participants guide?

6 A. I'm not sure. I would have to look through the
7 documents and see if it's listed there.

8 Q. Okay. How -- how -- so Experian put this
9 consumer claims "paid current." How would Experian know
10 that Welk would know that paid current means paid and
11 never late?

12 A. I do not know.

13 Q. Okay. Is there -- is there a uniform system of
14 reporting disputed information that -- that Experian and
15 data furnishers use to resolve consumer disputes?

16 MS. BRASTER: Objection to foundation.

17 THE WITNESS: There is Metro 2 Reporting
18 that data furnishers use when conveying information with
19 Experian.

20 Q. (BY MR. CLARK) Okay. Is the notation "paid
21 current" included along the terms listed in Metro 2?

22 MS. BRASTER: Same objection.

23 THE WITNESS: I do not know. I would have
24 to review the documents that we looked at earlier in
25 detail to find out the answer for you.

Anna Simmons

May 3, 2017

1 Q. (BY MR. CLARK) Okay. Would -- aside from
2 Metro 2, would there be any other -- any other means by
3 which Experian would know that Welk would know what it
4 meant? And by "it" I mean Experian -- when Experian
5 said paid current?

6 MS. BRASTER: Objection to foundation.
7 Calls for speculation.

8 THE WITNESS: There could have been
9 training with Experian and Welk. I am not sure. I am
10 not privy to that information.

11 Q. (BY MR. CLARK) I understand. Aside from
12 training and Metro 2, can you think of any other way
13 that Welk would know?

14 MS. BRASTER: Same objections.

15 THE WITNESS: I do not know.

16 Q. (BY MR. CLARK) Okay. Now let's talk about the
17 training a little bit. When you say when training --
18 and I understand you may not know the particulars of the
19 training that Welk provided -- or Welk was provided by
20 Experian. But do you know enough about it to be able to
21 say that that might be something that happened.

22 In -- so -- so let me ask you a general.

23 In general what kind of -- what kind of
24 training does Experian provide to data furnishers about
25 codes that it would -- that it would have provided on

Anna Simmons

May 3, 2017

1 ACDVs for the purpose of review?

2 MS. BRASTER: Objection, outside the scope.
3 Speculation. Foundation.

4 THE WITNESS: I do not know.

5 Q. (BY MR. CLARK) Okay. Do you recall any such
6 training that -- that -- that you know have occurred in
7 the past?

8 MS. BRASTER: Same objections.

9 THE WITNESS: I do not know.

10 Q. (BY MR. CLARK) So may I ask what -- what is
11 your basis for -- for thinking that there may have been
12 a training provided from -- by Experian to Welk
13 regarding information contained on the ACDV that
14 Experian sent to Welk?

15 MS. BRASTER: Objection to the extent that
16 it misstates her testimony.

17 THE WITNESS: I have previously heard that
18 there are trainings between the credit reporting agency
19 and the data furnishers.

20 Q. (BY MR. CLARK) And How did you hear that?

21 A. I do not remember.

22 Q. Do you know when you heard it?

23 A. I do not know.

24 Q. Do you remember in general when you heard it?

25 A. I do not know.

Anna Simmons

May 3, 2017

1 Q. Do you remember who told you?

2 A. I do not know.

3 Q. Do you -- do you remember any details of the
4 trainings that were provided?

5 A. No.

6 Q. That you heard about?

7 MS. BRASTER: You might want to repeat it.
8 I don't know if he heard you.

9 THE WITNESS: No.

10 Q. (BY MR. CLARK) Okay. Would Experian have a
11 record of trainings that it provided to data furnishers
12 about information that it contains on ACDVs that it sent
13 to the data furnishers?

14 MS. BRASTER: Objection; speculation.
15 Foundation. Outside the scope.

16 THE WITNESS: I do not know.

17 Q. (BY MR. CLARK) Do you know if Experian charges
18 for those -- for those trainings?

19 MS. BRASTER: Same objections.

20 THE WITNESS: I do not know.

21 Q. (BY MR. CLARK) Okay. Do you know when in the
22 course of Experian's business relationship with a data
23 furnisher it would provide those trainings to the data
24 furnisher?

25 MS. BRASTER: Same objections.

Anna Simmons

May 3, 2017

1 THE WITNESS: I do not know.

2 Q. (BY MR. CLARK) Okay. All right. Have you
3 ever conducted any -- any trainings along the lines that
4 we just discussed?

5 A. No.

6 Q. Do you know anybody who has?

7 A. I do not know.

8 Q. Okay. So in the course of your work with
9 Experian since 2004 you're -- you're not aware of
10 anybody who has conducted any trainings for any
11 furnisher regarding the information that Experian
12 provides on its ACDVs that it sends to furnishers after
13 Experian receives a consumer dispute?

14 MS. BRASTER: Objection, outside the scope.
15 Foundation. Speculation. Asked and answered.

16 THE WITNESS: I do not know the names of
17 the people that have conducted trainings with the data
18 furnishers.

19 Q. (BY MR. CLARK) Okay. Do you remember their
20 job titles?

21 MS. BRASTER: Same objection.

22 THE WITNESS: I do not know their job
23 titles.

24 Q. (BY MR. CLARK) Okay. All right. Moving from
25 the consumer claims box. Let's look at the on profile

Anna Simmons

May 3, 2017

1 box, which is the second one. Do you see that?

2 A. Yes.

3 Q. And what's the -- what's the on profile box?

4 A. This is basically the information as to how the
5 account was appearing on the credit file at the time of
6 the dispute.

7 Q. Okay. And that says the -- under the trade
8 information -- under the account condition it says paid
9 "del 60." Do you see that?

10 A. Yes.

11 Q. And so what does that mean?

12 A. That it was paid in full and at the time it was
13 paid in full it was being reported by Welk as 60 days
14 delinquent.

15 Q. Do you see under -- let me ask you this. Under
16 the -- well, actually, strike that.

17 Let's see. And do you see a date last paid
18 that's -- that is being reported on the on profile?

19 A. Yes.

20 Q. And when -- when -- when is that date?

21 A. April 20, 2011.

22 Q. What does date last paid mean?

23 A. It is the date Welk is stating they received a
24 payment on the account the last time.

25 Q. Okay. And let's see. And looking at the

Anna Simmons

May 3, 2017

1 subscriber response box to the -- that far right box of
2 those three. What is the subscriber response --
3 response box?

4 A. Basically that is the information that the data
5 furnisher responded back to in response to the ACDV that
6 was sent to them for the dispute.

7 Q. Okay. Do you see that there's a -- there's a
8 box that says "account status/rating"?

9 A. Yes.

10 Q. And there's a number that says 89 in there. Do
11 you see that in the subscriber response?

12 A. Yes.

13 Q. What does 89 mean?

14 A. I believe that is a code that stands for
15 creditor received deed.

16 Q. Okay. And below that you see a box that says
17 "payment rating," right?

18 A. Yes.

19 Q. And what -- and there's a number in -- in the
20 subscriber's response. Do you see that?

21 A. Yes.

22 Q. And what is that -- what does that describe?

23 What is that payment rating -- what is -- and that --

24 that says the number -- sorry. Strike all that. I got
25 ahead of myself.

Anna Simmons

May 3, 2017

1 And -- and that's the number four, right?

2 A. Yes.

3 Q. And what does the number four represent in
4 payment rating box?

5 A. As I sit here today, I don't know. I do not
6 have all of the codes memorized. And this is one
7 that --

8 Q. Okay.

9 A. -- I don't have memorized off the top of my
10 head.

11 Q. That -- that's -- that's completely fine.
12 Would any of the documents that we looked at before we
13 took our lunch break help you to figure out what payment
14 rating -- what that number four means?

15 A. Yes, they might. I would have to look through
16 them and see.

17 Q. Okay. And if -- if you wouldn't mind, I --
18 I -- I would appreciate that. I would like to get some
19 clarity on that. So do you think it would be one of the
20 later exhibits that we'll -- where we talk about the
21 E-Oscar codes and account history codes and those kinds
22 of things? That might cut down on the number of pages
23 you have to look at.

24 A. It could be in there. Or it could be in the
25 ACDV participant guide.

Anna Simmons

May 3, 2017

1 Q. Okay. So if -- if you wouldn't mind, could you
2 look at -- can you look at, I guess, Exhibit 4 which is
3 the ACDV guide and then Exhibits 10 and 11 -- I'm sorry
4 9 to 11, which were -- which had a number of dispute
5 codes listed. I think that might be where we need to
6 look. But if you wouldn't mind looking, I would like
7 to -- I would like to try to figure that out.

8 A. Yes.

9 MS. BRASTER: Miles, just give us a second.
10 We're going to go through them and pull the ones you
11 just referenced.

12 MR. CLARK: Sorry, Jen?

13 MS. BRASTER: We're just going through
14 right now and pulling the exhibits. They're just
15 stacked catty-corner so I'm just going through right now
16 and finding them.

17 MR. CLARK: Got it. Okay. Yeah. Sorry
18 for this. I just -- you know, I want to make sure that
19 she can look anywhere that she thinks it might be there.

20 MS. BRASTER: No. Understood. Okay. So
21 here is four.

22 THE WITNESS: Thank you, ma'am. (Looked at
23 document.)

24 MS. BRASTER: I'll just put these here,
25 Anna. There's eleven and there's ten.

Anna Simmons

May 3, 2017

1 THE WITNESS: Thank you. (Looked at
2 documents.)

3 Q. (BY MR. CLARK) Anna, and I -- you know, I
4 don't want to short-circuit your search. Take as much
5 time as you -- as -- as you wish. I did find on
6 Exhibit 11 a list of account conditions which has
7 No. 89. And it has -- below it has something called
8 25 month payment history, which has the number four. So
9 I don't know if that helps you at all or whether you
10 want to continue searching or whether I'm just barking
11 up the wrong tree. But I thought I'd point that out.

12 A. I -- I think it might be inaccurate. Can you
13 tell me where you're looking? Is it -- next to the
14 number four does it 120 days late?

15 Q. It does, yes.

16 A. Yeah. I think that's a -- that's a different
17 code for the history.

18 Q. Okay.

19 A. Thank you.

20 Q. Okay. Just want to see if -- okay?

21 MS. BRASTER: Miles, I don't want to
22 testify but could -- if you want to know which numbers,
23 I think I might have found the page. I could be wrong
24 myself.

25 MR. CLARK: You know what, Jen, I'll

Anna Simmons

May 3, 2017

1 stipulate to -- if you're helping us cut short it,
2 that -- that I will not considered this to be testifying
3 for the witness.

4 MS. BRASTER: Sure. And -- and again, I
5 might be incorrect here. But she was on 401.

6 THE WITNESS: Uh-huh.

7 MS. BRASTER: And there's a four there. I
8 don't know if that's the right one.

9 THE WITNESS: Well, there's a couple of
10 fours there and -- and -- so -- and I'm going to -- I
11 think I have it as -- I'm not sure yet. Just let me
12 keep looking.

13 MR. CLARK: Sure. Yeah. Of course. I
14 didn't want to interrupt you. I just thought, you know,
15 I was just trying to --

16 THE WITNESS: Thank you. I want to make
17 sure I get the right one.

18 MS. BRASTER: It's a little easier looking
19 on my computer when I can do "control find." So...

20 THE WITNESS: Yeah.

21 MR. CLARK: Fantastic.

22 THE WITNESS: (Looked at document.) I
23 believe that it stands for a closed, inactive account.

24 Q. (BY MR. CLARK) And -- and to -- to form your
25 belief are you looking at 401 on Exhibit 4?

Anna Simmons

May 3, 2017

1 A. Yes.

2 Q. Okay. Okay. Thank you very much.

3 And -- and if something else occurs to you,
4 obviously, the number four is fairly generic. And we
5 have --

6 A. Yes.

7 Q. -- as we've seen -- we've seen it in a few
8 different contexts. But if -- if -- if for some reason
9 you have a -- a different thought on that later, just
10 let us know.

11 A. Yes.

12 Q. Okay. So -- okay. So -- so to the best of
13 your knowledge, a four in that payment rating box would
14 mean a -- a closed and inactive account?

15 A. That is correct.

16 Q. Okay. So let me -- let me ask you this.
17 The -- I -- I see that on the account condition status
18 and the account status rating, those are different boxes
19 on the subscriber response box. Do you see that?

20 A. You said which two boxes are different, I'm
21 sorry?

22 Q. Sure. Let me ask you this. So on the
23 subscriber response box there are separate lines
24 separating the account status rating that we talked
25 about with an 89 and the payment rating where we talked

Anna Simmons

May 3, 2017

1 about the number four. Do you see that?

2 A. Yes.

3 Q. Okay. With the account status rating can -- is
4 there any account status for -- included in Chapter 7
5 bankruptcy?

6 A. That would be listed a couple of boxes down
7 where it says CII.

8 Q. Okay. And so account status rating, that --
9 there's no way for -- there's no number that --
10 that's -- that anyone could -- could put in that would
11 designate the fact that an account was included in a
12 bankruptcy; is that -- is that what you're saying?

13 A. I am not sure. I would have to look through
14 all the account status codes to see. But I do know that
15 the bankruptcy information on an ACDV is provided in the
16 CII box.

17 Q. Okay. Let's see. So let's see. If we look
18 back through Tab 11 at -- so we found -- we found 89 on
19 Ashcraft 1037 on Exhibit 11, right?

20 A. We found 89 -- where did you state?

21 MS. BRASTER: Sorry, Miles. Anna was just
22 asking. You said 89 was on 1037. She was just
23 inquiring, is that what --

24 Miles?

25 Let's go off the record for a second.

Anna Simmons

May 3, 2017

1 (Pause in proceedings)

2 MS. BRASTER: Back on the record.

3 MR. CLARK: Thank you.

4 MS. BRASTER: And I'm sorry and I don't
5 know when you dropped off. But I -- I -- Anna had asked
6 the inquiry is -- did you say that you saw 89 on 1037?
7 I think we're a little lost.

8 MR. CLARK: Yeah. That -- that was the
9 last question I had asked.

10 THE WITNESS: Yes, I do see the code 80 --
11 89 on 1037.

12 Q. (BY MR. CLARK) Okay. And that's -- the
13 account condition is deed in lieu?

14 A. Yes.

15 Q. Okay. And above -- above that code it says --
16 in red it says "account condition continued." Do you
17 see that?

18 A. Yes.

19 Q. And so if we look at Ashcraft 1036, does that
20 look like the first page of the account conditions that
21 are continued on Ashcraft 1037?

22 A. Yes.

23 Q. Looking through the codes listed there, do you
24 see a -- a code listed as E?

25 A. Yes.

Anna Simmons

May 3, 2017

1 Q. And what -- what is the account condition
2 listed next to E?

3 A. Discharge through Chapter 7 bankruptcy.

4 Q. Okay. And is this also a -- could the code E
5 have been included in the -- in the payment rating box?
6 Or sorry, in the -- in the -- in the account status
7 rating box where the number 89 already occurs in the
8 subscriber response box on that ACDV that we're talking
9 about on Ashcraft 65?

10 A. I believe so.

11 Q. So what -- so let me -- let me ask you this:
12 On the on profile history grid, does it look like the
13 account status rating and payment rating boxes are
14 combined?

15 A. It looks like there's not a line. I don't know
16 why that is.

17 Q. Could -- can Experian actually tell the data
18 furnisher -- so I guess the question is: How would
19 Experian communicate with the data furnisher the account
20 status rating and the payment rating in the ACDV that it
21 sends to the data furnisher?

22 A. In this scenario it sent that as the condition
23 paid delinquent 60 because that encompassed everything.

24 Q. Does paid delinquent 60, does that -- does that
25 indicate that the -- that the creditor received a deed

Anna Simmons

May 3, 2017

1 in lieu?

2 A. No, that is not what Welk was reporting. It
3 means --

4 Q. Okay.

5 A. -- that it was paid and at the time of payment
6 it was 60 days late.

7 Q. Okay. Is -- is -- is -- is paid del 60, does
8 that indicate that the account was -- was closed?

9 A. It does. Because it states paid in full. That
10 also means closed for this type of account.

11 Q. Sorry, you -- you say it says "paid in full."
12 Where do you see it says paid in full?

13 A. I'm sorry, I -- I just have the understanding
14 that it's paid in full because it says "paid."

15 Q. Okay. So in -- when -- when Experian paid,
16 what it means is paid in full?

17 A. That is correct.

18 Q. Okay. So the on -- so the on-line profile
19 history grid it's being reported to Welk that the
20 account was paid in full, but it was also delinquent
21 60 days?

22 A. That is what Welk was reporting.

23 Q. Okay. And is that the information that
24 Experian communicated to Welk when it sent the ACDV to
25 Welk?

Anna Simmons

May 3, 2017

1 A. That is the information Experian stated we had
2 on the file at that time.

3 Q. Okay. Going back to the consumer claims box.
4 So is there anywhere on the consumer claims box that --
5 that indicates that Mr. Ashcraft believed the account
6 was included in his Chapter 7 bankruptcy?

7 A. No. That information was conveyed in the
8 document attached to the ACDV.

9 Q. Okay. If it -- and -- and looks like there's
10 no line between the account status rating and the
11 payment rating on the consumer claims box like there is
12 in the subscriber response box; is that fair to say?

13 A. Yes.

14 Q. So there would have been no way for Experian to
15 put in an account status rating the code -- the code of
16 E for bankruptcy -- discharged through Chapter 7
17 bankruptcy?

18 A. I do not know why there's not a line there.

19 Q. Does it say -- let me ask this: In -- in -- in
20 the course of your work for Experian have you had
21 occasion to look at other that ACDVs and ACDV responses
22 that Experian had sent to a data furnisher and received
23 a response for?

24 A. Yes.

25 Q. In your experience does -- is there -- is there

Anna Simmons

May 3, 2017

1 ever a line between the account status rating and
2 payment rating codes on the consumer claims box?

3 A. I can't think of that off the top of my head.

4 Q. Okay. How about on the on profile box?

5 A. I do not know right now.

6 Q. Okay. So -- okay. Okay. Thanks. So let's
7 see. In -- in -- in the subscriber response box do you
8 see that there's -- there's a listing for original
9 delinquency date?

10 A. (Looked at document.) Yes.

11 Q. And what is that date?

12 A. That is the date that Welk is stating they have
13 in their system for the original delinquency date.

14 Q. Okay. And I had represented to you earlier
15 that Mr. Ashcraft filed his bankruptcy on April 29,
16 2011. Do you recall that?

17 A. Yes.

18 Q. Okay. And -- and April 20th is different than
19 April 29th, right?

20 A. Yes.

21 Q. And then below on subscriber response box do
22 you see a -- do you see a date that says "closed date"?

23 A. Yes.

24 Q. And what is closed date on the subscriber
25 response?

Anna Simmons

May 3, 2017

1 A. That is the date Welk is stating the account
2 was closed.

3 Q. Do you recall that I represented to you that
4 the -- that Mr. Ashcraft received his bankruptcy
5 discharge in August of the 2011?

6 A. Yes.

7 Q. And do you recall that -- that the public
8 records section of Mr. Ashcraft's March 15, 2016,
9 disclosure it indicated a bankruptcy -- Chapter 7
10 bankruptcy discharge date of August 2011?

11 A. Yes.

12 Q. Let me ask you in -- in general. If -- if
13 Experian provides -- well, actually no.

14 If -- if the subscriber response box on an
15 ACDV response is blank when Experian is reporting
16 different information, does -- does Experian re-report
17 the information that it has on its on profile?

18 A. Can you repeat the question?

19 Q. Sorry. That didn't come out quite the right
20 way.

21 Let's -- let's -- let's take a concrete
22 example. On the on profile history grid it says: Paid
23 delinquent 60, correct?

24 A. Yes.

25 Q. And on the subscriber response box that -- that

Anna Simmons

May 3, 2017

1 field is blank. Do you see that?

2 A. Yes.

3 Q. Would Experian -- if -- if -- if the subscriber
4 response box is blank, does Experian just re-report that
5 information?

6 A. I believe so.

7 Q. Okay. And is that true for any information
8 that -- that the subscriber leaves blank, if there's
9 already information on Experian on profile grid?

10 MS. BRASTER: I'm sorry. Can you repeat --
11 Madam Court Reporter, can you read that?

12 THE REPORTER: (Read back.)

13 MS. BRASTER: I'm just going to object to
14 vague.

15 THE WITNESS: That is my understanding.

16 Q. (BY MR. CLARK) Okay. Let's look below the --
17 the -- those three boxes in the on file history grid.
18 Do you see that?

19 A. Yes.

20 Q. Okay. And what is the on file history grid?

21 A. It is the monthly payment history of the
22 account that was displaying at the time of the dispute.

23 Q. Okay. And on -- the -- do you see to the right
24 side of that there's a response history grid?

25 A. Yes.

Anna Simmons

May 3, 2017

1 Q. What's the response history grid?

2 A. That is the monthly payment history of the
3 account provided by the data furnisher at the time of
4 the ACDV response.

5 Q. And on this response history grid that --
6 that -- that -- there's nothing in that response history
7 grid. Do you see that?

8 A. Yes.

9 Q. Okay. So Experian would have re-reported
10 everything from the on file history grid after it --
11 after -- sorry. Strike that.

12 So Experian would just simply re-report
13 everything from the on file history grid because it did
14 not receive -- because there's no other entry in the
15 response history grid?

16 A. Yes.

17 Q. Okay. So let's look at that on file history
18 grid. So do you see there's a one on -- for May 2,
19 2011?

20 A. Yes.

21 Q. Does that mean -- does that one mean 30 days
22 late?

23 A. Yes.

24 Q. And what about the two in June 2011?

25 A. That is 60 days late.

Anna Simmons

May 3, 2017

1 Q. Okay. What about the D from -- from July -- on
2 July, August, September of 2011?

3 A. That is no data provided.

4 Q. And rest of those --- everything after
5 October 2011 is blank?

6 A. Yes.

7 Q. Okay. So let's look -- let's look now at -- at
8 Ashcraft -- let's see. 68 through 71.

9 A. I'm there.

10 Q. Is this that May 15, 2016, report of
11 reinvestigation that Experian sent Mr. Ashcraft that we
12 were talking about earlier this morning?

13 A. Yes.

14 Q. Okay. And so do you see on Ashcraft 68
15 there's -- there's a -- there's a -- there's a box --
16 there's a line that says "dispute results" on the
17 left-hand side?

18 A. Yes.

19 Q. And do you see underneath that this summary
20 shows the revision made to your credit file as a result
21 of our processing of your dispute?

22 A. Yes.

23 Q. Okay. And under the -- on -- on the third
24 column do you see there's a box that's -- there's a line
25 that says results?

Anna Simmons

May 3, 2017

1 A. Yes.

2 Q. And below that there's a -- there's a -- a -- a
3 line that says credit items?

4 A. Yes.

5 Q. Do you see that Welk Resort Group account
6 listed under the credit items?

7 A. Yes.

8 Q. And what's the outcome of -- of -- of the
9 reinvestigation as Experian characterized it?

10 A. Updated.

11 Q. Okay. And so let's -- let's go to the -- let's
12 go to Ashcraft 59.

13 A. (Witness complies.) Yes.

14 Q. Okay. Do you see that Welk Resort Group
15 account that Mr. Ashcraft disputed?

16 A. Yes.

17 Q. Okay. And so do you see those -- there --
18 there's still those -- 30, 60s on May and June of 2011
19 reported on the payment history?

20 A. (Looked at document.) Yes.

21 Q. Do you see under the status it says the
22 creditor received deed?

23 A. Yes.

24 Q. What does creditor received deed mean?

25 A. It means it was a deed in lieu of foreclosure.

Anna Simmons

May 3, 2017

1 Q. Okay. So the suggestion here is that -- is
2 that instead of foreclosing on the -- on -- on
3 Mr. Ashcraft's property the -- Welk accepted a deed -- a
4 deed?

5 MS. BRASTER: Objection to foundation.
6 Speculation.

7 THE WITNESS: Yes.

8 Q. (BY MR. CLARK) Okay. Because -- and so the --
9 the status when it says: Creditor received deed, that's
10 how a -- a -- that's how a status of 89 gets reported on
11 an Experian trade line?

12 MS. BRASTER: Same objections.

13 THE WITNESS: Yes.

14 Q. (BY MR. CLARK) Okay. And then what is the --
15 what is the date on -- is -- is there a notation in the
16 payment history that indicates when the creditor
17 received the deed?

18 A. Yes.

19 Q. And what is that -- when -- when did that
20 occur?

21 A. Payment history shows May of 2016.

22 Q. Okay. And -- and that's -- is that the entry
23 that says CRD?

24 A. Yes.

25 Q. Okay. Do you see anywhere in here that

Anna Simmons

May 3, 2017

1 indicates that this account was included in
2 Mr. Ashcraft's Chapter 7 bankruptcy?

3 A. No.

4 Q. And going back to -- going back to Experian 65.
5 I want to ask you about the -- I wanted to ask you about
6 the -- the deed that's -- that occurred on the on file
7 history grid. Because I think we had talked about the
8 fact that the last deed was in September of 2011. Did
9 we not?

10 A. Yes.

11 Q. So -- but it looks like from the payment
12 history on Experian 69 that there's no data reported
13 from -- from -- let's see. From July 2011 all the way
14 through April of 2016. Do you see that?

15 A. Yes.

16 Q. So why would Experian fill in the rest of this
17 information with no data even though the on file history
18 grid had -- had the last deed from September of 2011?

19 MS. BRASTER: Objection, assumes facts.

20 THE WITNESS: Because in Welk's ACDV
21 response they did not provide any data for those months.
22 But they did respond with a creditor's deed. And
23 Experian's logic is built to where we add no data for
24 each month, as we were not provided any data.

25 Q. (BY MR. CLARK) Okay. So looking at the

Anna Simmons

May 3, 2017

1 subscriber response box is -- how would -- how would
2 Experian figure out when to -- when to determine that
3 creditor received the deed?

4 A. Experian would figure it out by looking at the
5 balance date that the data furnisher is required to
6 respond back with. In this case they did not provide
7 the required balance date, so Experian adds the ACDV
8 response date.

9 Q. I see. So Experian -- so Experian basically
10 said that we don't have the balance date, we can't
11 figure it out, but based on the ACDV response date we're
12 going to put that information in -- in as -- as the --
13 as the -- the date of -- of the -- that the creditor
14 received the deed; is that fair to say?

15 MS. BRASTER: Objection to the extent it
16 misstates her testimony.

17 THE WITNESS: The data furnisher is
18 required to respond back with a balance date when they
19 provide the account status and they did not and Experian
20 used the ACDV response date.

21 Q. (BY MR. CLARK) Would that be Experian's policy
22 to use the ACDV response date in a circumstance where
23 the data furnisher did not provide a balance date in
24 their ACDV response?

25 A. I know that's what Experian does. I'm not sure

Anna Simmons

May 3, 2017

1 if it's only Experian's policy, but I know that that's
2 the case.

3 Q. Okay. Yeah. And I'm not asking about anybody
4 else but Experian. I'm just wondering if that what's
5 Experian does as a matter of course when it gets an ACDV
6 that looks like that.

7 A. Experian does that.

8 Q. Okay. And on the subscriber response box in
9 the -- on Ashcraft 65 I actually do see a balance date
10 reported there of 5/16/2016. Do you see that?

11 A. Yes.

12 Q. So did Experian put that information in the
13 subscriber response box?

14 A. Yes. Because the balance date was not provided
15 as is required when they provide that account status.

16 Q. Okay. So -- so the subscriber response box
17 actually doesn't comprise information that the data
18 furnisher actually sent to you; is that fair to say?

19 A. Not in this case for the balance date.

20 Q. Okay.

21 MS. BRASTER: Object to the extent it
22 misstates her testimony.

23 Q. (BY MR. CLARK) Is there --

24 MR. CLARK: Sorry, Jen. Do you have an
25 objection?

Anna Simmons

May 3, 2017

1 MS. BRASTER: I have just to the extent it
2 misstated her testimony. Again, I just didn't want to
3 interrupt in the middle of her answer.

4 MR. CLARK: Sure. Thank you.

5 Q. (BY MR. CLARK) So how do you -- how do you
6 know that Welk did not provide a -- a balance date? Is
7 there another document that you're looking at to make
8 that determination?

9 A. No.

10 Q. Okay. So how do you know that -- okay. So
11 it's just -- so if we looked at a D/R Log it wouldn't
12 tell us that -- that -- that -- that information?

13 A. One second, I will review.

14 Q. Sure.

15 A. The DR does not show that Welk's -- Welk
16 responded back with a balance date.

17 Q. Okay. So how do you know that Welk didn't
18 provide a balance date in its -- in its ACDV response?

19 A. It does not appear on the D/R Log and I do know
20 from training that if they don't provide a date, we do
21 use the ACDV response date, as in this case.

22 Q. Okay. I -- I'm just trying to figure out --
23 because when I look at the subscriber response -- I
24 think we talked about the fact that -- that that's
25 information that Experian gets back from the data

Anna Simmons

May 3, 2017

1 furnisher. So I'm trying to figure out, you know,
2 how -- how we would know that -- that information isn't,
3 in fact, provided by the -- by the subscriber, that it's
4 actually provided by Experian. And so I guess my
5 question then is: Would we be able to look at each
6 piece of information on the subscriber response box and
7 match that up to something on the D/R Log to be able to
8 determine that -- that the -- the -- the -- that
9 particular item in the subscriber response box was
10 actually added by Experian, but not added by -- by Welk?

11 A. I do not know. I know that the balance date is
12 the one item that Experian has to put in when the data
13 furnisher does not provide the required balance date in
14 their ACDV response.

15 Q. Okay. And so if -- so if -- if the subscriber
16 response is just blank, then Experian would -- would
17 then insert the balance date, which would be the date of
18 ACDV response; is that fair to say is?

19 MS. BRASTER: Objection to extent it
20 misstates her testimony.

21 THE WITNESS: If the subscriber responds
22 with a different status than we previously had, then
23 they are required to provide a balance date for that
24 status. And in this case they did not, so Experian used
25 the ACDV response date.

Anna Simmons

May 3, 2017

1 Q. (BY MR. CLARK) I see. So -- so let me -- let
2 me see if I understand that. So if -- in the event that
3 the -- that the data furnisher provides a different
4 status, would -- which -- which box would we be looking
5 at the -- in the subscriber response box that indicates
6 a different status?

7 A. The box that says "account status/rating."

8 Q. Okay. And so in this case it looks like
9 Farmers (sic) did provide an account status/rating that
10 was different than what was on the on profile?

11 MS. BRASTER: Miles, Welks?

12 MR. CLARK: Oh, yes. Sorry.

13 THE WITNESS: Yes.

14 Q. (BY MR. CLARK) Okay. And so because Welk
15 provided a different -- a -- a different status but did
16 not include the balance date, Experian used the date of
17 the ACDV response as the new balance date?

18 A. Yes.

19 Q. Okay. Turning back to the on profile -- the on
20 file history grid. You had said that Experian's logic
21 was such that -- that it would just continue to report
22 the no data up until the time that -- of the new balance
23 date. Did I -- did I hear you correctly?

24 A. Yes.

25 Q. Okay. So if -- if, for example, the account

Anna Simmons

May 3, 2017

1 was reporting as -- in this case the account reporting
2 as no data on September of 2011, correct?

3 A. Yes.

4 Q. Okay. And if the account had been reporting
5 two as of June -- as it did in June 2011, if -- if -- if
6 there was -- if we had a circumstances like the one that
7 we're confronted with here where Experian updated the
8 account with the new status as of the balance date of
9 ACDV response, Experian may continue the report two all
10 the way from June 2011 through May of 2016; is that fair
11 to say?

12 MS. BRASTER: Objection to vague.

13 Speculation.

14 THE WITNESS: No. Experian would --

15 MR. CLARK: Okay.

16 THE WITNESS: -- report no data for those
17 months because it hasn't been provided with data for
18 those months.

19 Q. (BY MR. CLARK) Okay. So -- so -- so the -- so
20 Experian would, regardless of what the account condition
21 was in the last month that there was any reporting on
22 the on file history grid, Experian would report no data
23 for the months in which it had nothing on the on file
24 history grid?

25 MS. BRASTER: Same objections.

Anna Simmons

May 3, 2017

1 THE WITNESS: If it was not provided with
2 the 60-day late information for the following months,
3 Experian would report no data, as it was provided with
4 no data for those months.

5 Q. (BY MR. CLARK) Okay. My question is slightly
6 different. Maybe -- maybe we're talking about the same
7 thing, but I just want to make sure. Let's assume that
8 the deeds on September, August and July of 2011 did not
9 exist. Okay?

10 A. Okay.

11 Q. And -- and so the last -- the last entry on the
12 on file history grid would have been June of 2011, okay?

13 A. Yes.

14 Q. And -- and in June of 2011 the account was
15 reporting as 60 days late, correct?

16 A. Yes.

17 Q. So if -- if Welk had provided the account
18 status rating of 89, but did not provide a balance date
19 in its ACDV response and the balance date was -- as it
20 is here -- 5/16/2016, what would Experian have entered
21 in the months from July of 2011 to May 2016 when it was
22 using its logic to fill in the dates in between the date
23 of last reported and the date of, then, the new balance
24 date.

25 MS. BRASTER: Objection; speculation.

Anna Simmons

May 3, 2017

1 Vague.

2 THE WITNESS: Experian would report no data
3 for each month, as we were not provided a data for any
4 of -- any data for any of those months.

5 Q. (BY MR. CLARK) Okay. And would -- would that
6 be true if the last entry on the on file history grid
7 was charge off?

8 MS. BRASTER: Same objections.

9 THE WITNESS: I -- I believe so.

10 Q. (BY MR. CLARK) Okay. And that would be for --
11 for any -- any account condition, it would be -- it
12 would be no data, wouldn't matter what the condition
13 was?

14 MS. BRASTER: Same objections.

15 THE WITNESS: I believe so. If no data is
16 provided for those months leading up to the balance date
17 that you stated we didn't receive, so we had to -- to
18 input the ACDV response date, no data would be added to
19 the box for each month leading to that balance date.

20 Q. (BY MR. CLARK) Okay. So did Welk report in
21 its subscriber response -- we were talking about the
22 close date of 8/29/2011, right?

23 A. I see that.

24 Q. Is that a date that Welk reported?

25 A. Yes.

Anna Simmons

May 3, 2017

1 Q. Okay. And how do you know that?

2 A. Because it's in their ACDV response. It is not
3 the balance date the creditors were required to write
4 back and provide.

5 Q. Okay. So -- so the balance date isn't
6 something that Experian would have -- would have updated
7 itself, right?

8 MS. BRASTER: Sorry. Can you repeat that
9 question?

10 MR. CLARK: Yeah. Sure.

11 Q. (BY MR. CLARK) So the balance date -- yeah.
12 That came out the wrong way. I got that one mixed up.

13 So unlike the balance date, the close date
14 is not a -- is not a field in the subscriber response
15 that Experian would update itself. It would -- it would
16 depend entirely on the furnisher; is that fair to say?

17 MS. BRASTER: Objection to the extent it
18 calls for speculation.

19 THE WITNESS: Yes.

20 Q. (BY MR. CLARK) And it looks like in this case
21 Welk listed the close date as 8/29/2011, right?

22 A. Yes.

23 Q. So let's see. 5/16/2016 is almost four years
24 after the date that -- that Welk reported the account as
25 closed, right?

Anna Simmons

May 3, 2017

1 A. It is almost four years you said after?

2 Q. Almost five. Almost five years after the date
3 that Welk reported the account as closed?

4 A. Yes.

5 Q. Okay. So why would -- if the data furnisher
6 was telling you that the account was closed in August of
7 2011, why would Experian think that there was a balance
8 due for almost five years after that point?

9 MS. BRASTER: Objection; foundation and
10 speculation.

11 THE WITNESS: Experian did not state that
12 there was a balance due. The balance shows zero.

13 Q. (BY MR. CLARK) Okay. That wasn't my question.
14 My question was the -- the status on the -- on the
15 account, the account says closed in 2011, but the
16 balance date is 2016, right?

17 A. Correct.

18 Q. Okay. And that's almost five years after
19 the -- the date of the -- of the -- the date the account
20 was closed as Welk had put it?

21 A. Yes.

22 Q. And April 2016 is the month that Experian
23 reported that Welk received the deed in lieu?

24 MS. BRASTER: I'm sorry, what month did you
25 say, Miles?

Anna Simmons

May 3, 2017

1 MR. CLARK: I'm sorry. May of 2016.

2 THE WITNESS: The balance date was filled
3 in with May 16th of 2016 since Welk responded back with
4 an account status that was different than before and
5 they were required to provide a balance date. Because
6 they did not, Experian used the ACDV response date.

7 Q. (BY MR. CLARK) Did -- could Experian have
8 contacted Welk after it received Welk's response to ask
9 them what the balance date should be?

10 MS. BRASTER: Objection; speculation.

11 THE WITNESS: Yes.

12 Q. (BY MR. CLARK) And did it do so?

13 MS. BRASTER: Same objection.

14 THE WITNESS: No. This was an automated
15 ACDV response and there was no phone call, according to
16 my records, looking at this ACDV response.

17 Q. (BY MR. CLARK) Okay. And -- and to derive
18 that conclusion that this was an auto ACDV issue, are
19 you looking at the -- the D/R Log on -- at Exhibit 3 on
20 page 98?

21 A. Yes.

22 Q. Okay. Let me ask you this: Is the decision to
23 make an account subject to auto ACDV processing a
24 decision that is made before or after the ACDV is sent
25 to the data furnisher?

Anna Simmons

May 3, 2017

1 MS. BRASTER: Objection to foundation.
2 Outside scope.

3 THE WITNESS: I'm not sure if it's before
4 or after. It could be either. I cannot answer that.

5 Q. (BY MR. CLARK) Okay. When you were a
6 customer -- and I'm going to butcher the term again.
7 But the -- would -- and so correct me if I'm wrong.

8 When you were a customer dispute agent --
9 I'm talking about first job you had with Experian
10 starting in May of 2004. You -- you -- you stated
11 that -- that you sent ACDVs to data furnishers, right?
12 Or you -- you directed the system to send it, I guess
13 would be a fairer statement.

14 MS. BRASTER: Objection to the extent it
15 misstates her testimony.

16 THE WITNESS: I would input the dispute as
17 a consumer provided. And then if an ACDV was required,
18 if we had to contact the data furnisher, that would be
19 sent out.

20 Q. (BY MR. CLARK) Okay. During the course of
21 your -- your -- your employment in that role, did you
22 ever designate a -- a dispute as subject to auto ACDV
23 processing?

24 MS. BRASTER: Objection to foundation.

25 THE WITNESS: No.

Anna Simmons

May 3, 2017

1 Q. (BY MR. CLARK) And was auto ACDV processing a
2 term you were familiar with when you were a customer --
3 an consumer dispute agent?

4 A. I don't remember if I was familiar with that
5 term in May of 2004.

6 Q. Okay. When did you first became familiar with
7 the term, to the best of your recollection? I mean here
8 I'm asking for like -- I'm not asking for like the day
9 or the -- you know, even the month, but just -- just a
10 year, if you know that?

11 A. I don't remember.

12 Q. Okay. Do you think it was after 2004?

13 A. Yes.

14 Q. Okay. In your role -- in your second role at
15 Experian, did you ever -- did you process consumer
16 disputes?

17 MS. BRASTER: Objection to vague.

18 THE WITNESS: Yes.

19 Q. (BY MR. CLARK) And when I say your role, I
20 mean the second job you had before you -- that you
21 testified to earlier -- before you became a -- a -- a
22 senior legal compliant specialist or that -- that
23 terminology of the role that you have now. Do you
24 understand what I'm talking about?

25 A. Yes.

Anna Simmons

May 3, 2017

1 Q. So -- and -- and -- and you were in that second
2 role for -- between the end of 2004 and the summer of
3 2016; is that -- is that correct?

4 A. Yes.

5 Q. During that time did you process any consumer
6 disputes?

7 A. Yes.

8 Q. Okay. And when you processed consumer
9 disputes, did you ever designate a -- a response for
10 auto ACDV processing?

11 A. No. When I send the disputes through, I don't
12 designate the ACDV processing.

13 Q. Okay. So -- so -- so the designation of auto
14 ACDV processing is not one that's made by the dispute
15 agent at the beginning, but before they send the dispute
16 to the data furnisher; is that -- as far as you know?

17 MS. BRASTER: Objection to foundation.

18 THE WITNESS: It is not made by the dispute
19 agent.

20 Q. (BY MR. CLARK) Do you know who at Experian
21 makes that decision?

22 MS. BRASTER: Same objection.

23 THE WITNESS: No.

24 Q. (BY MR. CLARK) Is the decision made by
25 Experian's internal computer systems --

Anna Simmons

May 3, 2017

1 MS. BRASTER: Same --

2 Q. (BY MR. CLARK) -- and their algorithms or?

3 MS. BRASTER: Same objection.

4 THE WITNESS: Yes, it could be.

5 Q. (BY MR. CLARK) Okay. Is the decision made by
6 the algorithm after the -- Experian receives the results
7 of -- or the ACDV response from the data furnisher?

8 MS. BRASTER: Objection; foundation. Asked
9 and answered.

10 THE WITNESS: I do not know.

11 Q. (BY MR. CLARK) Okay. But -- and so auto ACDV
12 processing, I know we talked about this a -- a few times
13 in other -- other depositions, just to -- to be clear
14 for -- for this one. What -- what is auto ACDV
15 processing?

16 A. It is basically that the ACDV response, the
17 changes, if any, are made to the item systematically.

18 Q. Okay. And when you say systematically, what do
19 you mean?

20 A. Through the system.

21 Q. Okay. Does any -- by the system, what do you
22 mean? Do you mean the same system as we talked about
23 earlier with the E-Oscar system or a different system?

24 A. I'm not sure if it's just one or if it's
25 Experian's other system also. So I do not know.

Anna Simmons

May 3, 2017

1 Q. Okay. Is it -- is a system that -- that is --
2 is a computer program or -- or some kind of nonhuman
3 actor?

4 MS. BRASTER: Objection to foundation,
5 vague.

6 THE WITNESS: I'm assuming the system would
7 be as a result of a computer program, but I am not aware
8 of the details.

9 Q. (BY MR. CLARK) Okay. Do you know if -- if
10 a -- if you see the word "auto ACDV processing" on a D/R
11 Log in response to -- to -- would -- would a human being
12 have looked at the results of the DR -- or the ACDV, the
13 response, that the furnisher sent or would instead the
14 information that the furnisher reported be automatically
15 updated to the consumer's disputed -- disputed trade
16 line or other -- other information and then sent back to
17 the consumer in the form of a reinvestigation without
18 any further oversight?

19 MS. BRASTER: Objection; vague. Compound.

20 THE WITNESS: I do not remember how the
21 question started.

22 Q. (BY MR. CLARK) Okay. Let me -- let me -- let
23 me try that again.

24 After -- when -- when you see on a D/R Log
25 a -- a notation, as we see here, that says auto ACDV

Anna Simmons

May 3, 2017

1 processing, does -- would you expect a -- a human being
2 to have looked at the -- the ACDV response that Welk
3 provided before the information contained in Welk's
4 response was placed on Mr. Ashcraft's disputed trade
5 line and sent back to Mr. Ashcraft in the form of a
6 reinvestigation of his consumer dispute?

7 A. I would expect the information to have been
8 updated systematically.

9 Q. Okay. And by systematically, do you mean
10 any -- any nonhuman actor?

11 MS. BRASTER: Objection to vague.

12 THE WITNESS: I don't understand you. Can
13 you please repeat -- I don't know what nonhuman actor
14 mean. If -- if that's what I heard.

15 Q. (BY MR. CLARK) Well, let me -- let me -- let
16 me ask you this way: Is a dispute agent -- when -- when
17 we're talking about a dispute agent, are we talking
18 about a human being?

19 A. Yes. I was stating I don't know what actor
20 means, so...

21 Q. Oh.

22 A. I do know what nonhuman means.

23 Q. Oh, I'm sorry. Yes. When -- when I say actor,
24 I mean employee or agent of Experian.

25 A. So you're saying nonhuman agent or are you

Anna Simmons

May 3, 2017

1 saying system?

2 Q. Yeah. So I'm saying -- so it's a -- a -- a
3 nonhuman agent or employee of Experian. Or a piece of
4 intellectual property that Experian maintains, such as a
5 computer system.

6 MS. BRASTER: I'm just going to object to
7 vague again.

8 THE WITNESS: And I don't remember how the
9 question started.

10 Q. (BY MR. CLARK) Okay. Let's try this again.
11 Does auto ACDV processing refer to a human being?

12 A. No.

13 Q. Okay. When -- when a -- when you see on a D/R
14 Log that a -- a disputed trade line has a notation for
15 auto ACDV processing, does -- does that mean that
16 there's any human being that looks at the results of --
17 that Welk has placed on a -- on an ACDV response before
18 those results from the data furnisher are sent out to a
19 consumer on a reinvestigation report?

20 A. It means that any updates that were made were
21 processed systematically.

22 Q. Okay. Let me ask you this: Do you recall -- I
23 asked you before about your testimony in the Lynn
24 Travers case. Do you recall that?

25 A. I recall your question about -- from this

Anna Simmons

May 3, 2017

1 morning, yes.

2 Q. Okay. Do you recall that during the deposition
3 in the Lynn Travers case we talked about auto ACDV
4 processing?

5 A. I'm sorry, I don't recall.

6 MS. BRASTER: I'm just going to object.
7 Foundation and improper question.

8 MR. CLARK: Okay. That's -- that's fine.
9 And I -- Jen, I don't intend to introduce anything here.
10 I'm trying to -- trying to figure out what her basis is.

11 MS. BRASTER: No, I understand.

12 MR. CLARK: Sorry?

13 MS. BRASTER: No, I said -- no, I
14 understand.

15 MR. CLARK: Okay.

16 Q. (BY MR. CLARK) Do you -- and -- and -- and,
17 Anna, you -- you recall that earlier in -- in the
18 morning we talked about your -- that you had testified
19 in a case called Selena Goodman on behalf of Experian?

20 A. Yes.

21 Q. Do you recall that during our -- during that
22 deposition you and I had a conversation about what
23 the -- the -- the term "auto ACDV processing"?

24 MS. BRASTER: Same objections.

25 THE WITNESS: I'm sorry, I don't remember

Anna Simmons

May 3, 2017

1 what we spoke about in that deposition.

2 Q. (BY MR. CLARK) Okay. If you saw your
3 deposition testimony, would it -- would it refresh your
4 recollection as to whether or not that discussion took
5 place?

6 MS. BRASTER: Same objections. Calls for
7 speculation.

8 THE WITNESS: Yes, if I would be given the
9 opportunity to review my testimony from -- I don't know
10 which one of the three you're referencing, it would -- I
11 would be able to tell you what we spoke about.

12 Q. (BY MR. CLARK) Okay. And would your answer be
13 the same if -- if -- if I were to introduce or show
14 you -- not introduce, but show you portions of your
15 deposition in the Lynn Travers case about auto ACDV
16 processing, would that refresh your recollection?

17 MS. BRASTER: Same objections.

18 THE WITNESS: If I was able to review my
19 testimony from -- again, I forget which one of the three
20 we're referencing, I would be able to tell you what we
21 spoke about, yes.

22 Q. (BY MR. CLARK) Sure. And for purposes of
23 clarity, my -- my last line of questioning has related
24 to the Serena Goodman deposition and the Lynn Travers
25 deposition that we talked about earlier today. Just --

Anna Simmons

May 3, 2017

1 just to be clear.

2 Okay. Well -- and as it turns out I --
3 I -- I -- I won't be introducing that -- that -- that --
4 that testimony here. I don't have it.

5 You say a little more -- it's been a
6 discussion that's ongoing between -- between the parties
7 as to whether or not that could be -- that could be
8 shown. But that -- that -- that's fine. Okay.

9 MS. BRASTER: Miles, whenever you're at a
10 good stopping, we've been going over an hour and a half,
11 just so we can take a quick break.

12 MR. CLARK: Yeah. You know, I -- I was
13 thinking about that. I was going to do a little bit
14 more with the D/R Log and if I could just finish with
15 that then. Can take a break in maybe like ten minutes?

16 MS. BRASTER: Is that okay?

17 THE WITNESS: Yes.

18 MS. BRASTER: That's fine.

19 MR. CLARK: Okay. Thanks.

20 Q. (BY MR. CLARK) So -- and I want to turn your
21 attention to the D/R Log on -- on Ashcraft 98.

22 A. Yes.

23 Q. Okay. And so -- so do you see on the D/R Log
24 there's a -- so -- first of all, let me ask you how
25 many -- how many disputes are there listed on the D/R

Anna Simmons

May 3, 2017

1 Log?

2 A. One.

3 Q. Okay. And is that dispute that we're -- the
4 account we've been talking about today?

5 A. Yes.

6 Q. Okay. And what's the -- I believe we said
7 earlier that the report date on the D/R Log was
8 January 25, 2017, correct?

9 A. Yes.

10 Q. Okay. What's the -- what's date of the dispute
11 listed below for the Welk Resort Group account?

12 A. May 6, 2016.

13 Q. Okay. So do you know -- how do you know that
14 an ACDV was sent to Welk in this case?

15 A. Because the D/R Log states ACDV sent equals
16 May 6, 2016.

17 Q. Okay. And do you see when the ACDV was
18 received -- or when the ACDV response was received by
19 Experian?

20 A. Yes.

21 Q. And when -- when did Experian receive the ACDV
22 response?

23 A. May 16th, 2016.

24 Q. The -- so really -- and so below I see -- I see
25 a box that looks like -- it looks sort of like the on

Anna Simmons

May 3, 2017

1 file history grid, but it's -- it's -- it's cordoned off
2 with a bunch of dashes. Do you see what I'm talking
3 about?

4 A. Yes.

5 Q. Okay. And that -- that has -- and just to be
6 clear, that's -- that's a box -- it appears right below
7 a line that says LST pay DT and has a number of years
8 listed, the years being from 2009 to 2016. So -- so
9 we're on the same page. Do you see that?

10 A. Yes.

11 Q. And is this -- so what is the information in
12 this box?

13 A. The payment history for each month.

14 Q. Okay. And the payment history for each month.
15 And who put the information in that box? Was that
16 information that was provided by Welk or did Experian
17 put the information in?

18 A. The information was provided by Welk. Up
19 until, as we talked about earlier, the no data of
20 September 2011. And the rest of the no data information
21 was provided by Experian because Welk responded back
22 with a different account status and they did not respond
23 with a required balance date and Experian provided no
24 data, because they did not give us any data up until May
25 of 2016. There's actually nothing in May of 2016

Anna Simmons

May 3, 2017

1 because that's the balance date. So we put no data up
2 until April of 2016.

3 Q. I see. So if -- if Welk had reported a balance
4 date in May of 2016, there would have been an entry in
5 May of 2016 to reflect that?

6 A. I'm sorry, what was your question?

7 Q. If -- if Welk had reported a balance date in
8 their ACDV response in May 2016 that would have been --
9 that -- that balance date would have appeared in this
10 box that we're talking about on Ashcraft 98?

11 A. No. We only provide information up until the
12 month before the month of the balance date.

13 Q. Okay. So -- so in this box if -- if, for
14 example, Welk had reported the account as charged off or
15 paid and closed as of May 2016, it wouldn't -- that
16 information wouldn't appear in this box we're talking
17 about?

18 MS. BRASTER: Objection; speculation.

19 THE WITNESS: That is correct. That
20 information would not appear in that month. The only
21 information -- the information only goes to the month
22 before the month of the provided status.

23 Q. (BY MR. CLARK) Okay. So where -- where on the
24 D/R Log would -- would Welk have provided the balance
25 date, other than in this box we're talking about?

Anna Simmons

May 3, 2017

1 MS. BRASTER: Objection to foundation.
2 Assumes facts.

3 THE WITNESS: If --

4 MR. CLARK: Fair enough. So let me -- let
5 me withdraw that and ask you --

6 Q. (BY MR. CLARK) If Welk had provided a balance
7 date in its ACDV response, would we see a notation to
8 that effect on the D/R Log?

9 A. I believe so.

10 Q. Okay. And if -- if there was a balance date
11 that was provided, where would that have -- where would
12 that have occurred?

13 A. I would -- I believe it would be in the fields
14 next to the part where it states update data.

15 Q. Okay. Are you looking -- are you looking two
16 lines above that box we're talking about where it says
17 updated data equal --

18 A. Yes. It would be somewhere in that area. I
19 don't know exactly where because it differs depending on
20 what other information is provided.

21 Q. Okay. I'm looking -- looking above at the
22 original data, do -- do you see -- it's -- there's a
23 dash about a few lines from -- from the top and below
24 that it says: Agent ID. And then below that there's --
25 there's -- there's a line to the original data. Do you

Anna Simmons

May 3, 2017

1 see where I'm looking at?

2 A. I see original data equals tag-5. Is that what
3 you're speaking about?

4 Q. Yes. Yes. So the -- so -- so in the original
5 data, the two lines of text here, is -- is this original
6 data the data that was on file at the time of the
7 dispute?

8 A. Yes.

9 Q. Okay. And do you see a balance date listed on
10 the original data?

11 A. Yes.

12 Q. And what is that balance date?

13 A. October 31, 2011.

14 Q. Okay. And then below do you see a line that
15 says "bal hist"?

16 A. (Looked at document.) Yes.

17 Q. And then what does bal hist mean?

18 A. The balance history.

19 Q. Okay. And when it says all months ignored
20 CCCCFRDT-731, 2009. Do you see that?

21 A. Yes.

22 Q. What does that mean?

23 A. I believe that it's -- it stands for there's no
24 balance history showing on any month provided with this
25 account.

Anna Simmons

May 3, 2017

1 Q. Okay. And where would we see the balance
2 history on -- on an Experian disclosure to Mr. Ashcraft?

3 A. I have to look and see. (Looked at document.)
4 It would be under account history if one is provided
5 and -- by the data furnisher.

6 Q. I see. So -- and the indication there was no
7 balance history -- there was no balance history provided
8 and -- and that's why it says all months ignored.

9 A. Correct.

10 Q. Okay. Now, below -- below that original data
11 line, do you see that line that says "update data"?

12 A. Yes.

13 Q. And update data, what does -- what does -- what
14 does -- what does that mean?

15 A. That is the data that is sent to a data
16 furnisher requesting to be updated, as it appears here.

17 Q. Okay. And I see it says: Status paid current.
18 Do you see that under update data?

19 A. Yes.

20 Q. Okay. And so that's -- that's information that
21 Experian would have sent to the data furnisher in terms
22 of what -- what -- what it was asking the data furnisher
23 to submit?

24 MS. BRASTER: Objection to vague. Assumes
25 facts.

Anna Simmons

May 3, 2017

1 MR. CLARK: Yeah. That came out kind of
2 wrong. I'll withdraw it.

3 Q. (BY MR. CLARK) The -- the update data field,
4 does that include all the information that a consumer
5 would have submitted in connection with their consumer
6 dispute that was sent to a data furnisher for its own
7 review?

8 MS. BRASTER: I'm sorry, can you repeat
9 that? I apologize.

10 MR. CLARK: Yeah.

11 Madam Court Reporter, could you please read
12 back my last question?

13 THE REPORTER: (Read back.)

14 MS. BRASTER: Object to the extent it calls
15 for speculation.

16 THE WITNESS: No, there was also that mail
17 correspondence sent to the data furnisher which provided
18 additional details as the consumer provided in their
19 correspondence.

20 MR. CLARK: Okay.

21 Q. (BY MR. CLARK) And where -- and where on the
22 D/R Log does it indicate that the mail correspondence
23 was sent to the data furnisher?

24 A. On the D/R Log it would be where it says INGREQ
25 equals yes.

Anna Simmons

May 3, 2017

1 Q. Okay. And so where are you looking for that?
2 Oh, I see is it. Is that -- it says INGREQ -- I see it
3 on -- it's the second line down after dispute?

4 A. Yes.

5 Q. Okay. And then it says ING sent equal
6 successful?

7 A. Yes.

8 Q. Okay. So if -- if the ING sent doesn't equal
9 successful, does that mean that the information was not
10 submitted to the data furnisher, the mail
11 correspondence?

12 MS. BRASTER: Objection to the extent it
13 calls for speculation.

14 THE WITNESS: I believe so.

15 Q. (BY MR. CLARK) Turning back to the update
16 data. Do you see that underneath the update data
17 there's a most recent date 10/31/2011?

18 A. Yes.

19 Q. Okay. What does that mean?

20 A. That is the balance date -- date carried over
21 from the balance date a couple of lines above that we
22 discussed earlier.

23 Q. Okay. All right.

24 MR. CLARK: Jen, this might be a good time
25 for a break.

Anna Simmons

May 3, 2017

1 MS. BRASTER: Perfect.

2 MR. CLARK: We can take a break now. You
3 want to take ten minutes or?

4 MS. BRASTER: I think five minutes should
5 be fine. Five minutes should be fine.

6 (Break taken)

7 MR. CLARK: We're on the record.

8 Q. (BY MR. CLARK) Okay. So -- so, Anna, the --
9 we were talking before about the D/R Log and the -- and
10 the ACDV response. Did -- after -- after Experian
11 received the ACDV response from Welk, did it update
12 Mr. Ashcraft's account, as Welk had instructed, on the
13 ACDV response?

14 A. Yes. In addition to updating that balance
15 date.

16 Q. Okay. And then after it updated -- and it
17 updated that information based on auto ACDV processing,
18 right?

19 A. Yes.

20 Q. Okay. And after the auto ACDV processing, it
21 sent back the May 16, 2016, reinvestigation to
22 Mr. Ashcraft?

23 A. Yes.

24 Q. And the May 16, 2016, reinvestigation sent to
25 Mr. Ashcraft, on the Welk side, it did not -- it did not

Anna Simmons

May 3, 2017

1 indicate that the Welk account had been included in
2 Mr. Ashcraft's Chapter 7 bankruptcy, did it?

3 A. No. Welk did not state it was included in the
4 bankruptcy.

5 Q. Okay. And if -- if Experian had known that the
6 account was included in the bankruptcy in April of 2011,
7 all of the post-petition payment history after April of
8 2011 would be suppressed; would it not?

9 MS. BRASTER: Objection to vague.
10 Foundation. Speculation.

11 THE WITNESS: Correct.

12 Q. (BY MR. CLARK) All right. Let's -- let's move
13 onto Ashcraft 72 through 87.

14 A. Okay.

15 Q. And I believe you testified earlier that this
16 is a disclosure prepared for John Ashcraft?

17 MS. BRASTER: Objection to the extent it
18 misstates her testimony.

19 THE WITNESS: Yes, the name on this
20 disclosure is John Ashcraft.

21 Q. (BY MR. CLARK) Okay. And do you see the Welk
22 account reported on Ashcraft 76?

23 A. (Looked at document.) Yes.

24 Q. And does that -- does the reporting on the Welk
25 account on Ashcraft 76 look the same as the reporting on

Anna Simmons

May 3, 2017

1 the Welk account on Ashcraft 51 that we've been talking
2 about -- or I'm sorry. Not -- not Ashcraft 51. My
3 apologies. Ashcraft 69.

4 A. (Looked at document.) I believe so. Okay.

5 Q. And on Ashcraft 74, do you see there's a public
6 record listed?

7 A. Yes.

8 Q. And is that the same -- is -- is that a Chapter
9 7 bankruptcy that's listed under the public record
10 section?

11 A. Yes.

12 Q. And is that the same public record that we were
13 discussing earlier in connection with Mr. Ashcraft's
14 March 2016 disclosure?

15 A. I believe so.

16 Q. Okay. Turning to Ashcraft 88 through 93 now.

17 A. (Witness complies.)

18 Q. And I'll direct your attention towards Ashcraft
19 88.

20 A. One second. I am at Ashcraft 88.

21 Q. Thank you. Do you see that a -- that there are
22 three lines -- three columns of -- of texts here. I'm
23 going to direct your attention first to the column on
24 the -- on the far right-hand side.

25 Do you see where it says "the results"?

Anna Simmons

May 3, 2017

1 A. Yes. The far left side, I'm sorry. I was
2 looking on the right. I see dispute results.

3 Q. Yes, to the left. I'm sorry. I meant the
4 left. My -- my apologies.

5 A. Yes. I see it.

6 Q. Okay. And then below dispute results it says:
7 Our reinvestigation into the dispute you recently
8 submitted is now complete.

9 Do you see that?

10 A. Yes.

11 Q. Going back to Ashcraft -- going back to
12 Ashcraft -- going back to Ashcraft 68, we were talking
13 about dispute results before on that earlier today. Do
14 you remember that?

15 A. Yes.

16 Q. And under dispute results it says: This
17 summary shows the revisions made to your credit file as
18 a result of our processing of your dispute.

19 Do you see that?

20 A. Yes.

21 Q. So why would -- and that's different than the
22 first sentence of -- under dispute results contained in
23 Ashcraft 88, correct?

24 A. The two sentences you stated are different,
25 correct.

Anna Simmons

May 3, 2017

1 Q. Okay. The one on 88 says "reinvestigation;"
2 does it not?

3 A. Yes.

4 Q. And the one on -- the one on 68 doesn't say
5 reinvestigation, does it?

6 MS. BRASTER: Objection to vague.

7 THE WITNESS: I don't see the word
8 "reinvestigation" in the first sentence.

9 Q. (BY MR. CLARK) What is the -- do you have an
10 understanding of what the word "reinvestigation" means?

11 MS. BRASTER: Objection to the extent it
12 calls for a legal conclusion.

13 THE WITNESS: I have an understanding.

14 Q. (BY MR. CLARK) And what is your understanding?

15 A. In this case it's an investigation into the
16 account information.

17 Q. The investigation by whom?

18 MS. BRASTER: Same objection.

19 THE WITNESS: This investigation was
20 conducted by Experian.

21 Q. (BY MR. CLARK) Okay. And did Experian conduct
22 an investigation or a reinvestigation?

23 MS. BRASTER: Same objection.

24 THE WITNESS: A reinvestigation.

25 Q. (BY MR. CLARK) Okay. Would -- would a data

Anna Simmons

May 3, 2017

1 furnish conduct an investigation as opposed to a
2 reinvestigation?

3 MS. BRASTER: Objection to the extent it
4 calls for a legal conclusion. Foundation. Calls for
5 speculation.

6 THE WITNESS: I do not know.

7 Q. (BY MR. CLARK) Okay. Are you aware that
8 the -- that a data furnisher has some obligation to
9 respond to consumer dispute once it's submitted through
10 the consumer reporting agency?

11 MS. BRASTER: Objection --

12 Q. (BY MR. CLARK) If that dispute references
13 disputed information on a -- on that furnisher trade
14 line as being reported by Experian?

15 MS. BRASTER: Objection; assumes facts.
16 Speculation. Legal conclusion.

17 THE WITNESS: Yes.

18 Q. (BY MR. CLARK) Okay. And do you know if
19 that -- that -- if the process by which a -- a data
20 furnisher fulfills its obligation would be called an
21 investigation?

22 MS. BRASTER: Same objections.

23 THE WITNESS: No, I do not know what
24 they -- it would be called.

25 Q. (BY MR. CLARK) Okay. But you're aware

Anna Simmons

May 3, 2017

1 there -- there's some obligation of the data furnisher
2 to -- to respond, right?

3 MS. BRASTER: Same objections.

4 THE WITNESS: They need -- if there's a
5 dispute that was sent to them by the credit reporting
6 agency, I am aware that they're obligated to respond.

7 Q. (BY MR. CLARK) Okay. And last piece of
8 comparison on those two dispute results sentences on
9 Ashcraft 68 and 88. Do you see that -- that on 88 the
10 first sentence indicates: The dispute you've recently
11 submitted is now complete?

12 A. Yes.

13 Q. And on 68 is there any indication that the
14 dispute results were -- were sent based on
15 Mr. Ashcraft's dispute that he recently submitted?

16 MS. BRASTER: Objection to vague.

17 THE WITNESS: Can you please repeat the
18 question?

19 Q. (BY MR. CLARK) Sure. On -- in -- in the first
20 sentence of dispute results -- in the first sentence
21 under the -- the words "dispute results" on Ashcraft 68,
22 do you see the words -- do you see the word "recent"
23 anywhere?

24 A. No.

25 Q. Okay. If Mr. Ashcraft contacted Experian

Anna Simmons

May 3, 2017

1 disputing an item of information on an Experian trade
2 line, would Experian have a record of that
3 communication?

4 A. I believe that would be in the D/R Log.

5 Q. Okay.

6 A. Or any CDFs that were sent in response to that
7 would be in the disclosure log.

8 Q. Okay. And we -- we talked before about the
9 idea that the D/R Log was dated January 25, 2017, right?

10 A. Yes.

11 Q. And this -- this -- this document is -- on
12 Ashcraft 88 is -- has -- it's got a date of February 8,
13 2017, right?

14 A. Yes.

15 Q. Okay. Are you aware if Mr. Ashcraft contacted
16 Experian after he submitted his April 2016 dispute to
17 Experian to dispute information on his -- his trade line
18 as they appeared on his Experian credit report?

19 MS. BRASTER: Objection to vague.

20 THE WITNESS: I am aware that he did not.

21 Q. (BY MR. CLARK) And how do you know that?

22 A. Because we do not have record of another
23 contact from him.

24 Q. Okay. And to -- to based -- and -- and the
25 basis for your belief, are you looking at any document

Anna Simmons

May 3, 2017

1 to -- which form the basis of your belief?

2 A. The disclosure log and the D/R Log.

3 Q. And both of those -- the D/R Log is dated
4 January 25, 2016, right?

5 A. No.

6 Q. I'm sorry. The D/R Log is dated January 25,
7 2017; is that right?

8 A. Yes.

9 Q. And this -- this dispute result on Ashcraft 88
10 is dated February 8, 2017, right?

11 A. Yes.

12 Q. So -- so -- and -- and so sitting here today
13 and -- and using the D/R Log as the basis for your
14 belief, how can you come to the conclusion that
15 Mr. Ashcraft never submitted another dispute to Experian
16 after his original dispute in April of 2016?

17 MS. BRASTER: Objection; asked and
18 answered. Vague.

19 THE WITNESS: I reviewed his file and I did
20 not see another dispute after that date.

21 Q. (BY MR. CLARK) When you say you reviewed his
22 file, what did you look at?

23 A. Mail correspondence, disclosure log.

24 Q. Did you look at a D/R Log?

25 A. I might have. I don't remember.

Anna Simmons

May 3, 2017

1 Q. Okay. Did you look at the D/R Log that we've
2 been talking about at Ashcraft 97 (sic)?

3 A. I have looked at that, yes.

4 Q. I'm sorry, Ashcraft -- Ashcraft 98. My
5 apologizes.

6 A. Yes, I have looked at this D/R Log.

7 Q. Did you look at this D/R Log in connection with
8 trying to ascertain whether Mr. Ashcraft had submitted
9 any other disputes after his April 16 -- 2016 dispute?

10 A. Yes. That shows if he has up until
11 January 25th of 2017.

12 Q. Okay. And what about -- did you look at the
13 disclosure log that -- when you say you looked at a
14 disclosure log, do you mean that you looked at the
15 disclosure log that we have been talking about at
16 Ashcraft 97?

17 A. I've looked at the disclosure log after that
18 also.

19 Q. Okay. So when you say after that, when -- do
20 you mean the disclosure log that was generated after
21 January 25, 2017?

22 A. After that date. But I did not print one out
23 and I don't know if that's what you mean by generated in
24 my research.

25 Q. I -- I -- I -- I do and I'm just trying to

Anna Simmons

May 3, 2017

1 figure out when the disclosure log was generated. And
2 maybe we can -- we -- if you can help me out with
3 that -- that -- that -- that would be appreciated.

4 Do you know when the disclosure log was
5 generated that we've been looking at Ashcraft 97?

6 MS. BRASTER: Objection; asked and
7 answered.

8 THE WITNESS: I have to get to that page.
9 So one second.

10 MR. CLARK: Sure.

11 THE WITNESS: I don't know where it is. So
12 it will be a minute. You said Ashcraft 97?

13 MR. CLARK: That's correct. It's on
14 Exhibit 3.

15 THE WITNESS: Okay. No, there is no date
16 on this disclosure log.

17 MR. CLARK: Okay.

18 Q. (BY MR. CLARK) Do you know when the disclosure
19 log was generated?

20 MS. BRASTER: Same objection.

21 THE WITNESS: No. There is no date on this
22 disclosure log.

23 Q. (BY MR. CLARK) Okay. Did you -- did you
24 generate this disclosure log?

25 A. No.

Anna Simmons

May 3, 2017

1 Q. Did you generate a -- a -- a disclosure log
2 after -- did you -- I'm sorry. Strike that.

3 Did you generate another disclosure log
4 that you looked at to determine whether Mr. Ashcraft had
5 disputed his information with Experian after May of
6 2016?

7 MS. BRASTER: Objection; foundation.
8 Assumes facts.

9 THE WITNESS: I did not generate another
10 disclosure log.

11 Q. (BY MR. CLARK) Okay. So you were only looking
12 at this disclosure log?

13 A. I believe so. When you state generate, I --
14 I'm assuming that means to print one. Because that's
15 the only way you generate one. So...

16 Q. Sure.

17 A. So I don't know if I've looked at another
18 disclosure log because I don't know what date this one
19 is.

20 Q. Okay. Did the disclosure -- did any other
21 disclosure log you looked at have information different
22 than what you see on Ashcraft 97?

23 MS. BRASTER: Objection to foundation.
24 Assumes facts.

25 THE WITNESS: I don't remember if it did.

Anna Simmons

May 3, 2017

1 Q. (BY MR. CLARK) Okay. And so let's look at
2 the -- going back to the D/R Log. That one got a report
3 date on it, right?

4 A. Yes.

5 Q. And the date is January 25, 2017?

6 A. Yes.

7 Q. And if Mr. Ashcraft had submitted another
8 dispute to Experian between January 25, 2016, and
9 February 8th of 2017 -- sorry. January 25, 2017, and
10 February 8, 2017, that would be reflected on a D/R Log?

11 MS. BRASTER: Objection to the extent it
12 calls for speculation.

13 THE WITNESS: If there was a dispute
14 processed after January 25, 2017, it would be reflected
15 in a D/R Log.

16 Q. (BY MR. CLARK) And when you say "processed,"
17 do you mean reinvestigated or are those different
18 things?

19 MS. BRASTER: Objection to the extent it
20 calls for a legal conclusion.

21 THE WITNESS: It could mean the same thing.

22 Q. (BY MR. CLARK) Could it mean different things?

23 MS. BRASTER: Same objection.

24 THE WITNESS: I'm assuming it could mean
25 different things since they're different words.

Anna Simmons

May 3, 2017

1 Q. (BY MR. CLARK) Okay. Do you -- do you know
2 if, in particular, whether it could mean different
3 things as we sit here today?

4 MS. BRASTER: Same objection.

5 THE WITNESS: No, I'm very confused about
6 the questioning. So I'm so sorry, you'll have to ask me
7 again.

8 MR. CLARK: That -- that's okay. As I said
9 at the beginning if I -- if I ask a question that you
10 can't -- you -- you don't -- you don't understand, I
11 would ask that you ask me to ask it again. I want you
12 to understand my question. So absolutely.

13 Q. (BY MR. CLARK) Sitting here today, do you --
14 are you aware of any distinction between the word
15 "processing" and the word "reinvestigation" --
16 "reinvestigating"?

17 MS. BRASTER: Objection to the extent it
18 calls for a legal conclusion.

19 THE WITNESS: I think they can mean
20 different things and also the same thing. I don't know
21 how else to answer that question.

22 Q. (BY MR. CLARK) Okay. In your -- in your
23 work -- sorry.

24 In your work at Experian, have you -- have
25 you used both words interchangeably?

Anna Simmons

May 3, 2017

1 A. Yes.

2 Q. Okay. And so looking at Ashcraft 88. It
3 says -- we talked about the fact that it says: Our
4 reinvestigation into the dispute you recently
5 resubmitted is now complete.

6 The word "reinvestigation" of the dispute
7 you recently submitted, what -- what does that mean?

8 MS. BRASTER: Objection to the extent it
9 calls for a legal conclusion.

10 THE WITNESS: What does reinvestigation
11 mean?

12 MR. CLARK: Yeah.

13 THE WITNESS: An investigation or a
14 reinvestigation into an account information.

15 Q. (BY MR. CLARK) Okay. And would a
16 reinvestigation show up on a D/R Log?

17 MS. BRASTER: Objection to the extent it
18 calls for speculation. And vague.

19 THE WITNESS: Yes, it can show up on a D/R
20 Log.

21 Q. (BY MR. CLARK) It can, but will -- will it
22 show up on a D/R Log my -- is my question. Is there
23 ever any circumstance in which a reinvestigation will
24 not show up on a D/R Log?

25 MS. BRASTER: Same objections.

Anna Simmons

May 3, 2017

1 THE WITNESS: I -- I don't believe so. If
2 there was investigation updated or if the account was
3 addressed or a dispute or ACDV was sent to that data
4 furnisher, it will show up on the D/R Log.

5 MR. CLARK: Okay.

6 Q. (BY MR. CLARK) And -- but so -- so Experian
7 sends a -- sends a document to Mr. -- strike that.

8 So when Experian generated this document
9 that we've been talking about, meaning Ashcraft 88, on
10 February 8, 2017, where it says: Our reinvestigation
11 into the dispute you recently submitted is now complete,
12 what was -- what was Experian responding to?

13 MS. BRASTER: Objection to assumes facts.
14 Foundation.

15 THE WITNESS: This document was created as
16 a result of our post-litigation procedures.

17 Q. (BY MR. CLARK) Okay. And it says that this
18 is -- that -- those post-litigation procedures include a
19 reinvestigation?

20 MS. BRASTER: Objection to vague and to the
21 extent that it calls for a legal conclusion.

22 THE WITNESS: That's part of our
23 post-litigation procedures.

24 Q. (BY MR. CLARK) Okay. And so looking on the --
25 looking on the next page, Ashcraft 89. Do you see under

Anna Simmons

May 3, 2017

1 the results it says: We have completed the processing
2 of your dispute?

3 A. Yes.

4 Q. Okay. And do you see two credit items listed
5 there?

6 A. Yes.

7 Q. And one of them is that Welk Resort Group
8 account we've been talking about?

9 A. Yes.

10 Q. And the other one is an account from Capital
11 One Bank, USA, correct?

12 A. Yes.

13 Q. As we talked about before, Mr. Ashcraft has not
14 disputed his Capital One bank account in his --
15 April 2016 dispute. Do you remember that?

16 A. Yes.

17 Q. So why does Experian include that account as --
18 as -- showing that account in the processing of
19 Mr. Ashcraft's dispute?

20 MS. BRASTER: Objection to vague. Assumes
21 facts.

22 THE WITNESS: This was addressed as part of
23 our post-litigation procedures.

24 Q. (BY MR. CLARK) Okay. And -- so hang on one
25 second. Let me just make sure. Give me one second.

Anna Simmons

May 3, 2017

1 So you're aware that Mr. Ashcraft filed a
2 complaint in -- in this case, right?

3 A. Yes.

4 Q. And I think I represented to you before that
5 the complaint was filed on December 22, 2016, correct?

6 A. Yes.

7 Q. Did you review that complaint in preparation
8 for your deposition today?

9 A. Yes.

10 Q. All right. Did -- did you see any reference to
11 Capital One in the complaint when you reviewed it?

12 A. No.

13 Q. And I'll represent to you that there is none.
14 So --

15 But the -- you're saying that the account
16 that -- that Mr. Welk's (sic) Experian information was
17 updated based on Experian's post-litigation procedures,
18 correct?

19 A. Yes.

20 MS. BRASTER: Objection to vague and to the
21 extent it misstates her testimony.

22 MR. CLARK: Sure.

23 Q. (BY MR. CLARK) On -- on February 8, 2017?

24 I'm sorry, Anna. I -- I didn't know if you
25 responded. If -- if you did, I missed it.

Anna Simmons

May 3, 2017

1 A. I -- yes. I responded yes.

2 Q. Okay. So -- so if the complaint didn't
3 reference the Capital One Bank trade line, why did
4 Experian include it in its post-litigation procedures?

5 MS. BRASTER: Objection; asked and
6 answered. To the extent it gets into what Experian's
7 post-litigation procedures are, I'm going to instruct
8 the witness not to answer as to work product.

9 THE WITNESS: This was addressed as part of
10 our post-litigation procedures.

11 Q. (BY MR. CLARK) Okay. So you don't -- you
12 don't know why it was addressed?

13 MS. BRASTER: And same caution. Asked and
14 answered. To the extent it gets into what those
15 post-litigation procedures are, I would instruct the
16 witness not to answer as that is work product and
17 privileged.

18 THE WITNESS: I do know that it was part of
19 our post-litigation procedures.

20 Q. (BY MR. CLARK) And we did talk earlier about
21 the fact that Equifax -- that a carbon copy
22 reinvestigation from Equifax was submitted for a Capital
23 One account. Do you recall that?

24 A. Yes.

25 Q. And in the dispute results provided to

Anna Simmons

May 3, 2017

1 Mr. Ashcraft on -- in his reinvestigation on -- in May
2 of 2016, the results of that reinvestigation did not
3 include the Capital One account; is that -- is that
4 correct? And you can refer back to Ashcraft 68 if
5 you -- if -- if you wish.

6 A. Correct.

7 Q. Okay. Is there anything on Ashcraft 88 to 93
8 which indicates to -- to -- to Mr. Ashcraft or anyone
9 else that this document was generated based on
10 Experian's post-litigation procedures?

11 A. No.

12 Q. Looking at the -- looking at the -- the
13 pages -- let me ask this. In -- when we were talking
14 about the -- some of the participants guides earlier
15 today, did you see that those pages had been marked
16 "confidential" in the participants guide?

17 MS. BRASTER: Objection to vague.

18 THE WITNESS: I did not see that as I was
19 looking at it today.

20 Q. (BY MR. CLARK) Okay. Well, I -- I mean if --
21 if you wish to -- for reference, you could look at
22 Exhibit 4 and you should see a designation that says
23 "confidential" on it, on I -- I believe each -- each
24 page of that document?

25 A. Yes, I see it.

Anna Simmons

May 3, 2017

1 Q. Okay. Okay. So you -- you see those
2 designations as confidential -- that the document's been
3 marked confidential?

4 A. Yes.

5 Q. Do you see any -- any designation on Ashcraft
6 88 through 93 that those pages have been marked
7 confidential?

8 A. No.

9 Q. Do you know when Experian, if at all, provided
10 this February 8, 2017, reinvestigation to Mr. Ashcraft?

11 MS. BRASTER: And objection to assumes
12 facts. Foundation.

13 THE WITNESS: I do not know when.

14 Q. (BY MR. CLARK) Okay. Would you agree with me
15 that there's a reinvestigation?

16 MS. BRASTER: Objection to the extent it
17 calls for a legal conclusion.

18 THE WITNESS: Yes. That was initiated as
19 part of our post-litigation procedures.

20 Q. (BY MR. CLARK) Okay. So it was a
21 reinvestigation, correct?

22 MS. BRASTER: Same objection.

23 THE WITNESS: Yes. That was initiated as
24 part of our post-litigation procedures.

25 Q. (BY MR. CLARK) And in the course of the

Anna Simmons

May 3, 2017

1 reinvestigation from Ashcraft 88 to 93, did Experian
2 send an ACDV to either Welk or Capital One?

3 MS. BRASTER: Objection to the extent it
4 calls for a legal conclusion.

5 THE WITNESS: I'm sorry, for what pages?

6 Q. (BY MR. CLARK) This is -- this is that
7 February 8th, 2017, reinvestigation on Ashcraft 88 to
8 90 -- 93. And the question is: Do you know if Experian
9 sent an ACDV to either Welk or -- or Capital One before
10 it generated the dispute results?

11 A. Yes, I know.

12 Q. Okay. So Experian -- and so did Experian send
13 a -- an ACDV to either furnisher?

14 A. No.

15 Q. Okay. And looking at the -- looking at the
16 Welk -- actually, if you look at Ashcraft 91 --
17 actually, let me back up.

18 How do you know that Experian did not send
19 an ACDV to Welk?

20 A. I know as part of my post-litigation research.

21 Q. Okay. And did your post-litigation research
22 involve looking at the D/R Log that we were talking
23 about in -- at Ashcraft 90 -- 98?

24 A. Yes.

25 Q. Did it involve looking at any other DR logs

Anna Simmons

May 3, 2017

1 that Experian may have generated after January 25, 2017?

2 A. That's part of my post-litigation research and
3 procedures.

4 Q. Yeah.

5 MR. CLARK: Yeah. So, Madam Court
6 Reporter, could you please repeat my last question?

7 THE REPORTER: (Read back.)

8 MS. BRASTER: And I will insert the
9 objection to the extent it gets into the scope of
10 post-litigation procedures that would be work product
11 and I would instruct the witness not to answer.

12 THE WITNESS: Looking at DR logs would be
13 part of my post-litigation procedure.

14 Q. (BY MR. CLARK) Do you happen to know,
15 Ms. Simmons, if Experian has ever disclosed to -- to
16 other plaintiffs in Nevada documents -- DR logs dated
17 after litigation was commenced?

18 MS. BRASTER: Objection to the extent --
19 one, objection outside the scope. Two, objection to the
20 extent that it calls for attorney/client communications.
21 And it assumes facts.

22 THE WITNESS: I do not know.

23 Q. (BY MR. CLARK) Okay. And you've been a --
24 you've been a -- and forgive me. Let -- let me make
25 sure I get the terminology right.

Anna Simmons

May 3, 2017

1 You -- you're currently a senior legal and
2 compliance specialist? Or am I getting that definition
3 wrong?

4 A. That is correct.

5 Q. Okay. And how many other senior legal
6 compliance specialists does Experian employ?

7 MS. BRASTER: Just objection to foundation.

8 MR. CLARK: All right. Let me back up.

9 Q. (BY MR. CLARK) Does Experian employ more than
10 one senior legal compliance specialist?

11 A. Yes.

12 Q. How many more do they employ besides yourself?

13 A. Three.

14 Q. Okay. And what are their names?

15 A. Douglas Holland, Amanda Hoover, Carla Blair.

16 Q. Is Mary Nessin (phonetic) a senior legal
17 compliance specialist?

18 A. No.

19 MS. BRASTER: Objection to outside scope.

20 Q. (BY MR. CLARK) Have you ever heard the name
21 Mary Nessin before?

22 A. Yes.

23 Q. And who is Mary Nessin?

24 MS. BRASTER: Same objection.

25 THE WITNESS: She works for a different

Anna Simmons

May 3, 2017

1 department. I don't work with her so I do not know her
2 title.

3 Q. (BY MR. CLARK) Okay. Do you know if
4 Ms. Nessin has ever been a senior legal compliance
5 specialist?

6 A. Yes.

7 MS. BRASTER: Same -- same objection.

8 Q. (BY MR. CLARK) Sorry, I -- I -- Anna, forgive
9 me, I missed your answer.

10 A. I had stated yes.

11 Q. Okay. Do you know what her job title is now?

12 MS. BRASTER: Same objection.

13 THE WITNESS: No.

14 Q. (BY MR. CLARK) Okay. Do you know was she ever
15 a senior legal compliance specialist during the time in
16 which you were also a senior legal compliance
17 specialist?

18 MS. BRASTER: Same objection. Foundation.

19 THE WITNESS: No.

20 Q. (BY MR. CLARK) Okay. Let's look at Ashcraft
21 91. And this is part of that February 8, 2017,
22 reinvestigation we've been talking about.

23 A. Okay. I'm there.

24 Q. Okay. Do you see the payment history is a
25 little different than the payment history in the -- the

Anna Simmons

May 3, 2017

1 May 2015 reinvestigation we were talking about earlier
2 today?

3 A. Yes.

4 Q. And how is it different?

5 A. It states -- okay. You stated payment history.
6 It only shows payment history to April of 2011.

7 Q. Okay. And under the account history is -- is
8 that different than the May 2015 reinvestigation we're
9 talking about before?

10 A. Yes.

11 Q. And -- and what does the account history say
12 on -- in -- on this February 8, 2017, reinvestigation?

13 A. Debt included in Chapter 7 bankruptcy on
14 April 29, 2011.

15 Q. Okay. Under the status do you see that entry
16 that says "creditor received deed" anymore?

17 A. No.

18 Q. Does it -- does the status reference the
19 bankruptcy at all?

20 A. Yes.

21 Q. And what -- what -- what does it say about
22 that?

23 A. Discharged through bankruptcy, Chapter 7.

24 Q. Okay. It also says, slash, never late, right?

25 A. Yes.

Anna Simmons

May 3, 2017

1 Q. Okay. And let me ask you this: Why -- why did
2 Experian change the -- the account history to now
3 indicate debt included in Chapter 7 bankruptcy on April
4 29th of 2011, on this February 8th, 2017,
5 reinvestigation?

6 MS. BRASTER: And I'm just going to caution
7 the witness to the extent it goes into attorney work
8 product, don't answer.

9 THE WITNESS: This was updated as part of
10 our post-litigation procedures.

11 Q. (BY MR. CLARK) And you -- you indicated that
12 you did not reach out to the -- to Welk to obtain that
13 information?

14 A. Correct.

15 Q. And did you reach out to anyone else to obtain
16 that information?

17 MS. BRASTER: Objection to asked and
18 answered.

19 THE WITNESS: I do not believe so.

20 Q. (BY MR. CLARK) How did Experian determine that
21 the account was included in the Chapter 7 bankruptcy?

22 MS. BRASTER: And I'm just going to object
23 and caution the witness to the extent it calls for
24 privileged communications or work product.

25 THE WITNESS: This was updated as part of

Anna Simmons

May 3, 2017

1 our post-litigation procedures.

2 Q. (BY MR. CLARK) You testified earlier that
3 LexisNexis provides Experian's -- Experian's public
4 record information, correct?

5 A. Yes.

6 Q. Did LexisNexis -- on February 8, 2017, did
7 LexisNexis continue to provide public information --
8 public record information to Experian?

9 A. I -- I could assume so.

10 Q. Do you have any reason to doubt that that is --
11 that this is no longer the case?

12 A. No.

13 Q. When -- when you were reviewing the complaint
14 in -- that Mr. Ashcraft had submitted disputing his Welk
15 information with Experian, did you see whether there
16 were any attachments to the complaint?

17 MS. BRASTER: Objection to vague and
18 assumes facts.

19 THE WITNESS: Are you talking about his
20 dispute when you say complaint?

21 Q. (BY MR. CLARK) Yeah. Well, I'm talk --
22 talking about the -- the filing made in the District of
23 Nevada on December 22nd, 2016.

24 A. Oh, okay. I believe there were.

25 Q. Okay. You -- you -- you recall seeing

Anna Simmons

May 3, 2017

1 attachments to that complaint?

2 MS. BRASTER: Same objections.

3 THE WITNESS: Yes.

4 Q. (BY MR. CLARK) Okay. And what were those
5 attachments, if you can recall?

6 A. If I recall correctly, it was his mail
7 correspondence that he previously sent to Experian.

8 Q. Give me one second, please. Okay. I'll
9 represent to you -- Anna, I'm not trying to play gotcha
10 here at all. But I'll -- I'll represent to you I'm
11 looking at a copy of the docket in the Ashcraft case.
12 And I'll represent to you that the -- the -- in my
13 review of the docket, I see that the complaint was filed
14 in -- in DCS docket one. There were three attachments.

15 One was a civil cover sheet. Another was
16 the summons to Experian. And a third was the summons to
17 Welk.

18 But I do not see any other attachments with
19 it in the complaint. So -- and I know that -- I haven't
20 introduced the complaint here so I -- I -- I understand
21 that you looked through a lot of documents.

22 So with -- with those representations
23 though -- and I'm not trying to play gotcha. I, you
24 know, that is -- that's not the point of this.

25 But based on the representations that I

Anna Simmons

May 3, 2017

1 made, are you sure that you looked at -- along with the
2 complaint -- attachments to that complaint which were
3 Mr. Ashcraft's mail correspondence?

4 A. I would have to look at the complaint now. I'm
5 not an attorney so I don't always know what the titles
6 are for the different documents filed within the courts.

7 Q. Okay. And -- and -- and I -- I understand
8 that. And, like I said, I'm not trying to play gotcha
9 here. I just -- I just -- I -- I just wanted to make
10 sure that I understood.

11 But I will represent to you that in my
12 review of the docket I did not see Mr. Ashcraft's mail
13 correspondence, as we had described it, as an attachment
14 to DCS docket one.

15 But I -- I -- I certainly appreciate the
16 idea of looking at a lot of documents and -- and maybe
17 getting mixed up. So I'm not -- just -- just trying to
18 clear that up right now. But that's fine. We can -- we
19 can move on.

20 So let me ask you this: We were talking
21 about ACDVs earlier today. Do you have any idea how
22 many ACDVs Experian sends to data furnishers in a year?

23 A. No.

24 MS. BRASTER: Objection to scope.
25 Foundation.

Anna Simmons

May 3, 2017

1 Q. (BY MR. CLARK) Do you think it's over a
2 thousand?

3 MS. BRASTER: Same objections.

4 THE WITNESS: I would assume so.

5 Q. (BY MR. CLARK) Do you know how often Experian
6 uses auto ACDV processing with respond -- in -- in
7 connection with an ACDV response that it receives from a
8 data furnisher?

9 MS. BRASTER: Same objections. And vague.

10 THE WITNESS: No.

11 Q. (BY MR. CLARK) Do you think it's more than
12 50 percent of the time?

13 MS. BRASTER: Same objections.

14 THE WITNESS: I do not know.

15 Q. (BY MR. CLARK) Do you recall that we had a
16 conversation about the frequency by which Experian uses
17 auto ACDV processing in the Lynn Travers case?

18 A. No.

19 Q. Okay. Would it -- would it help to refresh
20 your recollection if -- if you reviewed that prior
21 testimony?

22 MS. BRASTER: Objection to outside the
23 scope. Improper. And assumes facts.

24 THE WITNESS: Yes, if I reviewed the
25 Travers deposition testimony, I would be able to tell

Anna Simmons

May 3, 2017

1 you exactly what I stated.

2 Q. (BY MR. CLARK) Okay. And would that also be
3 true for the Goodman deposition we were talking about
4 earlier?

5 MS. BRASTER: Same objections.

6 THE WITNESS: Yes.

7 MR. CLARK: Okay. Okay.

8 Jen, this a probably a good time to take a
9 break if you want to take one or I can just keep
10 powering through.

11 MS. BRASTER: I'm okay. I'm looking at
12 Anna and the court reporter, if you guys need a break.

13 (Pause in proceedings)

14 (Break taken)

15 Q. (BY MR. CLARK) Anna, I know we've previously
16 discussed some of Experian's terminology. And I'm
17 afraid I'm going to have to go through a little bit of
18 that -- a little bit of that again here. So I just want
19 to -- let me -- let me -- because you testified today
20 that certain documents were disclosures. So I just want
21 to see if I understand that.

22 Is -- does Experian have a common word it
23 uses to represent a document sent to consumers?

24 MS. BRASTER: Objection to vague.

25 THE WITNESS: Yes. It could be a CDI.

Anna Simmons

May 3, 2017

1 Another document is a CDF.

2 Q. (BY MR. CLARK) Are those -- are those
3 disclosures as you understand them?

4 MS. BRASTER: Same objections. And legal
5 conclusion.

6 THE WITNESS: Yes.

7 Q. (BY MR. CLARK) Okay. So what is CID?

8 A. Consumer Disclosure Initial.

9 Q. And what -- what -- what -- what is -- what is
10 a -- what does a CDI represent?

11 MS. BRASTER: I'm sorry. Can you repeat
12 that again?

13 Q. (BY MR. CLARK) What does a Consumer Disclosure
14 Initial or CDI represent?

15 A. It can contain credit information that Experian
16 is reporting regarding a specific consumer. It could
17 contain identification information, address information,
18 inquiries.

19 Q. Does it contain all the information in the
20 consumer's file that Experian has on that consumer?

21 MS. BRASTER: Objection to the extent it
22 calls for speculation.

23 THE WITNESS: I do not believe so.

24 Q. (BY MR. CLARK) What information is not -- is
25 not included?

Anna Simmons

May 3, 2017

1 MS. BRASTER: Same objection.

2 THE WITNESS: I don't know everything
3 that's not included. But the main thing would be items
4 that are over seven years old and they're no longer
5 appearing on the CDI.

6 Q. (BY MR. CLARK) Okay. But they are contained
7 in Experian's records, right, somewhere else?

8 MS. BRASTER: Same objections. Assumes
9 facts.

10 THE WITNESS: I do not know if all the
11 information is always contained in Experian's records.

12 Q. (BY MR. CLARK) Okay. Would a CDI -- would
13 Experian continue to maintain a record of any
14 information that it would suppress on a payment history
15 grid as a result of an account being included in Chapter
16 7 bankruptcy or Chapter 13 bankruptcy on a specific
17 date?

18 MS. BRASTER: Objection; speculation.
19 Foundation.

20 THE WITNESS: I don't remember how the
21 question began.

22 Q. (BY MR. CLARK) Okay. Well, let's look at
23 Ashcraft 90. And this was that Welk trade line we were
24 talking about. Or sorry, Welk 91, which is that Welk
25 trade line that we were talking about.

Anna Simmons

May 3, 2017

1 A. Okay.

2 Q. And so would you agree with me that there is --
3 there's less payment history on -- being reported on
4 Experian's -- on -- on the Welk trade line on
5 February 8, 2017, then there was on the March 2016 CDI
6 that Experian sent to Mr. Ashcraft?

7 A. Yes.

8 Q. Okay. And I think we talked about the fact
9 that the payment history after the -- Mr. Ashcraft's
10 Chapter 7 petition date had been suppressed on the
11 February 8th, 2017, Welk trade line?

12 A. Yes.

13 Q. Would Experian continue to maintain a record of
14 that suppressed post-petition information after it
15 was -- after -- in its file after the information was
16 suppressed?

17 A. I'm not sure. I know Experian can, but I'm not
18 sure if we are maintaining a record for this person.

19 Q. Okay. And so if -- if -- if Experian doesn't
20 maintain the information based on its suppression, then
21 the information is deleted from Experian's files and
22 Experian doesn't have any other record of it?

23 MS. BRASTER: Objection to the extent it
24 calls for speculation. Assumes facts.

25 THE WITNESS: I don't know.

Anna Simmons

May 3, 2017

1 Q. (BY MR. CLARK) What's a -- what is a Consumer
2 Disclosure Final or CDF?

3 A. It is the results of a reinvestigation.

4 Q. Okay. And we've discussed -- we discussed two
5 CDFs today, right? One in -- one in May of 2016 and one
6 in February of 2017; have we not?

7 A. Yes.

8 Q. And is -- does ACDV always contain all the
9 information that a CDI contains or can that -- can it
10 contain less information?

11 MS. BRASTER: Objection to vague. And to
12 the extent it calls for speculation.

13 THE WITNESS: It can contain less.

14 Q. (BY MR. CLARK) Okay. And under what
15 circumstances -- would Experian -- sorry. Let me ask
16 the question this way.

17 Does Experian have a different name other
18 than ACDV for -- for a -- for a -- for the results of
19 the investigation that contain less information than a
20 CDI?

21 MS. BRASTER: Objection to vague.

22 THE WITNESS: I believe it's still called
23 CDF.

24 Q. (BY MR. CLARK) Okay. Does the name "consumer
25 disclosure abbreviated" mean anything to you?

Anna Simmons

May 3, 2017

1 A. I've never heard that. It's still a consumer
2 disclosure final or CDF and then it would be
3 abbreviated.

4 Q. Okay. So let me ask it this way.

5 Is -- have you heard of the term CDF full?

6 A. Yes.

7 Q. Okay. And what does that mean?

8 A. It is a full CDF and it is not abbreviated.

9 Q. Okay. Does a -- does a CDF full contain all
10 the information that would be contained on a CDI?

11 MS. BRASTER: Objection to vague.

12 THE WITNESS: I'm not sure.

13 Q. (BY MR. CLARK) Okay. Does a CD -- how -- so
14 what is a CDF abbreviated?

15 A. It is an abbreviated version of CDF and it is
16 not a full version.

17 Q. Okay. Are you familiar with the term "consumer
18 file disclosure"?

19 MS. BRASTER: I'm sorry, what was that,
20 Miles?

21 MR. CLARK: Consumer file disclosure.

22 MS. BRASTER: Objection to vague. And to
23 the extent it calls for a legal conclusion.

24 THE WITNESS: Those words get interchanged
25 a lot, but I'm familiar with the word "disclosure."

Anna Simmons

May 3, 2017

1 But I understand what consumer file means.

2 Q. (BY MR. CLARK) Okay. So you've never heard
3 the phrase -- have you ever heard the phrase "consumer
4 file disclosure" before?

5 MS. BRASTER: Same objections.

6 THE WITNESS: I might have, but I'm not
7 sure if I've heard it in that terminology. But I could
8 have.

9 Q. (BY MR. CLARK) Okay. So sitting here today as
10 Experian 30(b)(6) witness, you don't know what the term
11 "consumer file disclosure" means?

12 MS. BRASTER: Same objections and asked and
13 answered.

14 THE WITNESS: A consumer file disclosure
15 could -- no, I'm not exactly sure because it could be --
16 people use it different ways and I know we've been
17 tripped up on the terminology before. So I know
18 disclosure is something that's provided to the consumer
19 as a consumer disclosure initial. And a consumer file
20 disclosure some people would think that it could be
21 provided for a third party, but I'm not sure what the
22 terminology is.

23 Q. (BY MR. CLARK) Okay. That's fine. And I -- I
24 don't want you to guess. So that's fair.

25 Have you ever heard the term "consumer file

Anna Simmons

May 3, 2017

1 disclosure" used in your work at Experian?

2 A. I don't think that we use that, no. Most of my
3 peers, I've never heard of that -- I -- I don't know if
4 I have. I can't remember. So I'll -- I'll keep saying
5 that.

6 Q. Okay. That's fine. That's fine. Is it fair
7 to say that it's not a term you commonly use in your
8 work at Experian?

9 A. Yes.

10 Q. Okay. What about the term -- are you familiar
11 with the term "credit report"?

12 A. Yes.

13 Q. And what does credit report mean?

14 MS. BRASTER: Objection to the extent it
15 calls for a legal conclusion.

16 THE WITNESS: It generally means a report
17 that is provided to a third party regarding a consumer.

18 Q. (BY MR. CLARK) Okay. And are you familiar
19 with the term "credit file disclosure"?

20 MS. BRASTER: Objection, vague. And to the
21 extent it calls for a legal conclusion.

22 THE WITNESS: My answer would be the same.
23 I -- I might have heard it before, but I don't think so.

24 Q. (BY MR. CLARK) Okay. And when you say your
25 answer would be the same, are you saying your answer

Anna Simmons

May 3, 2017

1 would be the same for credit file disclosure as it was
2 for consumer file disclosure?

3 A. Oh, yes. I'm sorry, I didn't even realize the
4 two different words.

5 Q. Oh, oh. Oh, golly. So let me -- let me just
6 make sure that we're on the same page. And I apologize.
7 I'll just back up just to make sure. So I apologize for
8 asking the question again.

9 Are you familiar with term "credit file
10 disclosure"?

11 MS. BRASTER: Same objections.

12 THE WITNESS: I think I've heard that term
13 and it's been used in many different ways by many
14 different people. Usually it would be a report provided
15 to a third party regarding a consumer.

16 Q. (BY MR. CLARK) Okay. And when you say it's
17 been used in many different ways, what do you mean by
18 that?

19 A. That's all I mean.

20 Q. Okay. Do you mean used by -- in many different
21 ways by people at Experian?

22 MS. BRASTER: Objection to asked and
23 answered.

24 THE WITNESS: It could be people at
25 Experian, people outside Experian. And they have --

Anna Simmons

May 3, 2017

1 people might think it means something provided to a
2 consumer. And some might think it means something
3 provided to a creditor. So it gets very confusing.

4 Q. (BY MR. CLARK) Okay. Have you ever used the
5 term "credit file disclosure" before?

6 A. I might have. I'm not quite sure.

7 Q. Okay. Is it a term you commonly encounter in
8 your work at Experian?

9 A. No.

10 Q. Okay. And are you familiar with the term
11 "personal credit report"?

12 MS. BRASTER: Objection to the extent it
13 calls for a legal conclusion.

14 THE WITNESS: Yes.

15 Q. (BY MR. CLARK) And what is a personal credit
16 report?

17 MS. BRASTER: Same objection.

18 THE WITNESS: It's usually used
19 interchangeably like a disclosure.

20 Q. (BY MR. CLARK) It's used interchangeably
21 with -- with the disclosure you said?

22 A. Yes.

23 Q. Okay. And by disclosure -- just -- just --
24 just so I'm clear -- what do you mean by disclosure?

25 A. CDI.

Anna Simmons

May 3, 2017

1 Q. Okay. But not a CDF or a -- but not a CDF?

2 A. It means CDI.

3 Q. Okay. So it means CDI.

4 Are you familiar with the personal --
5 sorry. That -- strike that.

6 Are you familiar with the term "consumer
7 report"?

8 A. I've heard that before and that usually means a
9 report provided to a third party regarding a consumer.

10 Q. Okay. Does -- is a CDF a consumer report?

11 MS. BRASTER: Object to the extent it calls
12 for a legal conclusion.

13 THE WITNESS: No, I don't think so. A CDF
14 does not go to third parties usually.

15 Q. (BY MR. CLARK) Okay. Are you familiar with
16 the term "credit profile report"?

17 A. Yes.

18 Q. And what is a credit profile report?

19 MS. BRASTER: Objection to the extent it
20 calls for a legal conclusion.

21 THE WITNESS: It's a report that would go
22 to a third party regarding a specific consumer.

23 Q. (BY MR. CLARK) Other than the terms that we
24 just discussed, are there any others that you're aware
25 that Experian uses to describe the -- a document sent to

Anna Simmons

May 3, 2017

1 a consumer which includes all the information in that
2 consumer's credit file?

3 MS. BRASTER: Objection to vague. Assumes
4 facts. And foundation.

5 THE WITNESS: I cannot think of any right
6 now.

7 Q. (BY MR. CLARK) Okay. And other than the terms
8 we have discussed, are there any others Experian uses to
9 describe the documents that consumers -- which
10 constitute the results of its reinvestigation into a
11 consumer dispute?

12 MS. BRASTER: Objection to vague. Assumes
13 facts.

14 THE WITNESS: I cannot think of any right
15 now.

16 Q. (BY MR. CLARK) And other than the terms that
17 we've discussed, are there any others that Experian uses
18 to describe a document sent to third parties regarding
19 information that may be contained in the consumer's
20 credit file?

21 MS. BRASTER: Same objections.

22 THE WITNESS: I cannot think of any right
23 now.

24 Q. (BY MR. CLARK) Okay. Thank you.

25 MR. CLARK: All right. I think --

Anna Simmons

May 3, 2017

1 Madam Court Reporter, do you -- could you
2 tell me how much time remains in the deposition?

3 THE REPORTER: One hour.

4 MR. CLARK: Okay. So we've been going
5 about six hours, correct?

6 THE REPORTER: We've been going six hours
7 and three minutes.

8 MR. CLARK: Okay. Great. Great. I think
9 I have -- okay. Let me -- let me just follow up on that
10 terminology for a second here, Anna.

11 Q. (BY MR. CLARK) The March 15, 2016, document we
12 were discussing which appears on Ashcraft 5 through --
13 through 35. What kind of document is that?

14 A. A -- a CDI.

15 Q. Okay. And it's not any other kind of document?

16 MS. BRASTER: Objection to vague.

17 THE WITNESS: That's -- that's what I call
18 it is a CDI or a disclosure.

19 Q. (BY MR. CLARK) Okay. And -- and the reason I
20 ask is that you mentioned that they were disclosures
21 before so I'm just trying to figure out what kind of
22 disclosures they are.

23 A. Okay.

24 Q. Just -- just so I'm clear.

25 And how about the May 16th, 2016,

Anna Simmons

May 3, 2017

1 reinvestigation we talked about from Ashcraft 68 to 71,
2 what would you call that document?

3 A. A CDF.

4 Q. Would you call it anything else?

5 A. I don't think so.

6 Q. Okay. How about the January 25, 2017, personal
7 credit report we were talking about from Ashcraft 72
8 through -- through 87, what would you call that?

9 A. A CDI.

10 Q. Would you call it anything else?

11 A. A disclosure.

12 Q. Okay. And finally, the February 8th, 2017,
13 reinvestigation that we were talking about from Ashcraft
14 89 -- I'm sorry. 88 through 93, what would you call
15 that?

16 A. A CDF.

17 Q. Would you call it anything else?

18 A. I don't think so.

19 Q. Okay. All right. I think we're almost done.
20 I've just got a -- a few more -- a few more questions
21 for you.

22 Anna, let's go to Exhibit 3. I would like
23 to talk to you a little bit about the admin report that
24 we were discussing on Ashcraft 99 to 106, okay.

25 A. Okay.

Anna Simmons

May 3, 2017

1 Q. So first, what's the date that the -- that this
2 admin report was generated?

3 A. January 25, 2007.

4 Q. And looking through do you see that there's a
5 section of the admin report that says -- that has trades
6 listed. It starts on -- it starts on 100.

7 A. Yes.

8 Q. Okay. And looking through the list of trades,
9 do you see a Welk Resort Group account on 103?

10 A. (Looked at document.) Yes.

11 Q. Okay. And do you see that says -- do you see
12 where it says deed in lieu on that -- on that account?

13 A. Yes.

14 Q. Okay. And does that mean deed in lieu?

15 A. Yes.

16 Q. Okay. And do you see where it says delinq 60?

17 A. Yes.

18 Q. What does that mean?

19 A. 60 days delinquent.

20 Q. Okay. Do you know based on looking at this --
21 this trade line here when Mr. Ashcraft's account was
22 60 days delinquent?

23 A. I do not.

24 Q. Okay. I'm going to go a little bit further
25 down the page. Do you see a line that says "inquiries"

Anna Simmons

May 3, 2017

1 on Ashcraft 103?

2 A. Yes.

3 Q. And -- and that goes -- does that go through
4 Ashcraft 106?

5 A. (Looked at document.) Yes.

6 Q. Is this a list of consumer reports that
7 Experian has provided to third parties?

8 MS. BRASTER: Objection to the extent it
9 calls for a legal conclusion. Assumes fact.

10 THE WITNESS: This is a list of third
11 parties that have received some type of information
12 regarding Mr. Ashcraft.

13 Q. (BY MR. CLARK) Okay. Looking at the list of
14 inquiries, I'll direct your attention to page 105. Do
15 you see a -- oh, wait. Not 105. Pardon me. Yeah.
16 105. Do you see an entry for Welk Resort Group?

17 A. Yes.

18 Q. And what's the date of this inquiry?

19 A. January 25, 2017.

20 Q. Can you see on the -- on the far right side
21 there's -- there's an entry that say DTP?

22 A. Yes.

23 Q. Do you know what DTP means?

24 A. I do not remember off the top of my head.

25 Q. Let me ask you this: In the Lynn Travers'

Anna Simmons

May 3, 2017

1 deposition, do you recall that I asked you what DTP
2 meant during that deposition?

3 MS. BRASTER: Objection to outside scope.
4 Assumes facts.

5 THE WITNESS: No.

6 Q. (BY MR. CLARK) Okay. If -- if you were to see
7 your -- a copy of your transcript from that deposition,
8 would it refresh your recollection as to whether we had
9 that discussion?

10 MS. BRASTER: Same objections and improper.

11 THE WITNESS: I would imagine if I read the
12 testimony from that testimony, I could tell you what --
13 what I stated in that deposition. But I don't remember
14 today.

15 Q. (BY MR. CLARK) Okay. That's fine.

16 So since Welk Resort Group is listed as an
17 inquiry on this inquiry section, is it -- is it fair to
18 conclude that Experian sent Mr. Ashcraft's consumer
19 information to Welk on January 25, 2017?

20 MS. BRASTER: Objection to the extent it
21 calls for speculation. Legal conclusion. Assumes
22 facts.

23 THE WITNESS: Yes.

24 Q. (BY MR. CLARK) But we -- we're just not sure.
25 Is there any other way looking at this Welk Resort Group

Anna Simmons

May 3, 2017

1 item where you could figure out what Experian -- what
2 information Experian sent Mr. -- or to -- to Welk as a
3 result of this January 25, 2017, inquiry?

4 MS. BRASTER: Same objections.

5 THE WITNESS: I do not believe so.

6 Q. (BY MR. CLARK) Do you know whether Welk
7 requested to receive this information or whether
8 Experian sent this information to Welk of its own
9 accord?

10 MS. BRASTER: Same objection.

11 THE WITNESS: I'm assuming they requested
12 to receive information.

13 Q. (BY MR. CLARK) Okay. Would Experian -- if
14 Experian sent information to -- to a -- a third party
15 and -- that showed up in the inquiry section of an admin
16 report, would Experian ever do that if it had not
17 previously been requested to do so by the data furnisher
18 in question?

19 MS. BRASTER: Objection to vague.
20 Speculation. Assumes facts.

21 THE WITNESS: Not to my knowledge.

22 Q. (BY MR. CLARK) Okay. So is it fair to say
23 that this list of inquiries is a -- a list of third
24 parties that have requested consumer report information
25 from Experian that was in Mr. Ashcraft's credit file?

Anna Simmons

May 3, 2017

1 MS. BRASTER: Objection; speculation.
2 Legal conclusion. Asked and answered.

3 THE WITNESS: Yes.

4 Q. (BY MR. CLARK) All right. So let's see --
5 let's go back to Exhibit 2 briefly. And we are -- we
6 are almost finished. And I want to direct your
7 attention to Ashcraft 82 through 84.

8 A. (Witness complies.) Okay.

9 Q. So I want to direct your attention to the top
10 of -- the top left portion of Ashcraft 82 where it says
11 "record of requests of your credit history." Do you see
12 that?

13 A. Yes.

14 Q. And below that do you see a line that says
15 "inquiries shared with others"?

16 A. Yes.

17 Q. Okay. And below that do you see three entries
18 down on -- there's -- there's a listing for Discover
19 Financial Serv -- and I'm not sure what the end of it
20 says, but do you see where I'm looking at?

21 A. Yes.

22 Q. And there's a date of that inquiry for
23 February 13, 2016?

24 A. Yes.

25 Q. And is -- is -- and -- and below the reason --

Anna Simmons

May 3, 2017

1 below the date does it -- does it -- on that Discover
2 credit pull is -- is there anything listed?

3 A. Unspecified.

4 Q. Okay. Going back to the list of inquiries that
5 we were talking about from -- from on Experian 110 --
6 sorry, 103 to 106.

7 Do you see a February 13, 2016, inquiry
8 from Discover Financial Serv?

9 MS. BRASTER: And you said starting at 103?

10 MR. CLARK: Yeah.

11 THE WITNESS: (Looked at document.) No.

12 Q. (BY MR. CLARK) Okay. Can I -- draw your
13 attention -- hang on.

14 A. I -- I do see an inquiry for February 13, 2016,
15 from Discover.

16 Q. Okay. Okay. Is -- is there a reason listed
17 for that inquiry on the admin report?

18 A. I don't know what the code is next to it, if
19 that is telling a reason or not.

20 Q. Okay. Do you see -- under -- under the
21 inquiries column -- let me go back up. There are one,
22 two, three, four -- there are -- there are five -- there
23 are five main columns. The first one -- and if I'm
24 looking at -- I'm looking at the first column, I'm
25 looking at the Discover account. It says Discover

Anna Simmons

May 3, 2017

1 Financial Serv. Do you see that?

2 A. What page number?

3 Q. This is Experian 104.

4 A. Yes.

5 Q. Okay. And do you see that first column says
6 Discover Financial Serv?

7 A. Yes.

8 Q. Do you know what that column represents?

9 A. The name of the companies that inquired into
10 this -- into Mr. Ashcraft's information.

11 Q. Okay. What about the next column? It says
12 2-13-16. Do you see that?

13 A. Yes.

14 Q. What does that represent?

15 A. The date of the inquiry.

16 Q. And then after that there's a -- there's a
17 listing of it looks like seven numbers. Do you see
18 that?

19 A. (Looked at document.) Yes.

20 Q. And what do those numbers represent?

21 A. I believe -- I believe that is a subscriber
22 number assigned to Discover.

23 Q. Okay. And do you see there's -- there's a
24 listing DC on the column after that?

25 A. Yes.

Anna Simmons

May 3, 2017

1 Q. What does -- what does that represent?

2 A. That is one of the codes I do not have
3 memorized right now.

4 Q. Okay. Maybe we can make it easier if -- if we
5 go up to Ashcraft 103. Do you see there a single
6 inquiry from Experian dated 4/15/95?

7 A. Yes.

8 Q. And do you see there's a -- there's -- there's
9 the No. 30 in that same column as you see on the
10 Discover Financial Services account we were just talking
11 about?

12 A. (Looked at document.) I see the 30 attached to
13 the Experian inquiry, yes.

14 Q. Okay. What does -- what does the 30 mean?

15 A. I don't know what this code means. I do not
16 have inquiry codes memorized, all of them, that appear
17 on the admin.

18 Q. Okay. Sure. And -- and let me -- let me ask a
19 general question. Do you know what information goes in
20 that fourth column where the 30 is for Experian?

21 A. No.

22 Q. So you're not sure whether it's like the type
23 of business it is or the type of company it is or the
24 type of inquiry, you're just not sure?

25 A. That is correct. I'm not a hundred percent

Anna Simmons

May 3, 2017

1 sure so I can't testify as to what that is.

2 Q. Okay. And what about the fifth column, do you
3 see where it says TII on that Experian inquiry on
4 Ashcraft 103?

5 A. Yes.

6 Q. Do you know what that represents?

7 A. It might be the purpose of the inquiry. But
8 again I'm not a hundred percent sure.

9 Q. Okay. Might be, but you're not sure. So let
10 me ask you this. Going back to the Discover Financial
11 inquiry we were discussing on Ashcraft 104. Is there
12 anything in that fifth column under the Discover -- the
13 Discover inquiry?

14 A. No.

15 Q. So if -- if -- if that column does represent
16 the purpose for which the inquiry is made, isn't it fair
17 to conclude that Experian doesn't have a record of what
18 that purpose was?

19 MS. BRASTER: Objection; assumes facts.
20 Speculation.

21 THE WITNESS: There is no record of what
22 that is. That's correct.

23 Q. (BY MR. CLARK) Would Experian have a record of
24 information that would otherwise be contained in that
25 fifth column elsewhere in its records besides on this

Anna Simmons

May 3, 2017

1 admin report?

2 MS. BRASTER: Same objections. And vague.

3 THE WITNESS: I do not know.

4 Q. (BY MR. CLARK) Okay. So sitting here today
5 looking at the -- looking at Ashcraft 82 and the
6 Discover Financial credit pull we were talking about,
7 comparing that with the -- the listing of that Discover
8 Financial credit pull on Ashcraft 104, you can't tell me
9 what -- for what purpose that pull was made?

10 MS. BRASTER: Objection; asked and
11 answered. Speculation. Vague.

12 THE WITNESS: Correct.

13 Q. (BY MR. CLARK) Okay. So you're -- you're --
14 sitting here today, you can't -- you can't tell me
15 whether that pull was made for a permissible purpose of
16 or not?

17 MS. BRASTER: Same objections. And to the
18 extent it calls for a legal conclusion.

19 THE WITNESS: I -- I did not state that,
20 no.

21 Q. (BY MR. CLARK) Okay. Can you tell me whether
22 or not this one -- can you tell me yes or no whether the
23 Discover -- the Discover pull on February 13th, 2016,
24 was permissible based on looking at Ashcraft 82 and
25 Ashcraft 104?

Anna Simmons

May 3, 2017

1 MS. BRASTER: Objection, vague. Legal
2 conclusion.

3 THE WITNESS: All inquiries are required to
4 have a permissible purpose.

5 Q. (BY MR. CLARK) Does Experian contain --
6 maintain a record of each permissible purpose which
7 is -- for which a -- for which an inquiry is made?

8 MS. BRASTER: Same objections.

9 THE WITNESS: I do not --

10 MS. BRASTER: To the extent it calls for
11 speculation.

12 THE WITNESS: I do not know.

13 Q. (BY MR. CLARK) So there's nothing you could
14 point to sitting here today that would indicate the
15 purpose for which this Discover pull was made; is that
16 fair to say?

17 MS. BRASTER: Same objections. And asked
18 and answered.

19 THE WITNESS: Correct.

20 Q. (BY MR. CLARK) All right. Looking at the
21 January 25th CDI and I want to direct your attention
22 to -- bear with me. I'm going to direct your attention
23 to Ashcraft 83. And on -- on the first -- on -- on the
24 left side column about halfway down do you see an entry
25 for Capital One?

Anna Simmons

May 3, 2017

1 A. Yes.

2 Q. And what's the date of that -- is there a date
3 by which -- on which Capital One inquired as to
4 Mr. Ashcraft's consumer information?

5 A. Yes.

6 Q. And what is the date?

7 A. October 17, 2016.

8 Q. Do you see any other dates of inquiries in
9 to -- for Mr. Ashcraft's consumer report other -- by
10 Capital One other than October 17, 2016?

11 MS. BRASTER: Objection to foundation.

12 THE WITNESS: No.

13 Q. (BY MR. CLARK) Okay. Looking at -- looking at
14 the -- looking at that list of inquiries from -- on
15 Ashcraft 100 to 106, do you see any inquiries by Capital
16 One?

17 A. Yes.

18 Q. Okay. And where are you looking?

19 A. Page 105.

20 Q. And let's see. And I count about 20 inquiries
21 from Capital One on Ashcraft 105. Is that your -- if
22 you're looking at it, do you agree with me?

23 A. I see 21, yes.

24 Q. Okay. I -- I -- I hesitated to give you an
25 accurate number because I am a lawyer and my ability to

Anna Simmons

May 3, 2017

1 do math has been hindered by my -- my legal advocacy.
2 So I was pretty sure there was more than 20, but I
3 wasn't sure if there were 21 or 22. Okay. So there's
4 21.

5 Are -- are there any inquiries from Capital
6 One after October 17, 2016, on Ashcraft 105?

7 A. I do not see any.

8 Q. Okay. Let me ask you this finally. Going back
9 to -- going back to the -- that list of numbers in the
10 third column. That -- the seven digit listed numbers.
11 And I want to direct your attention back to Experian
12 104. You said that -- I think you said earlier --
13 forgive me if I get this wrong -- that -- that this
14 is -- you know, I'll just ask you the question again.

15 What do those -- those seven numbers
16 represent in the third column?

17 MS. BRASTER: Objection; asked and
18 answered.

19 THE WITNESS: I believe that is the
20 subscriber number assigned to that creditor.

21 Q. (BY MR. CLARK) Okay. And do you see on the
22 bottom of Ashcraft 104 and continuing to Ashcraft 105 --
23 one, two, three, four five -- six inquiries by Experian?

24 A. Yes.

25 Q. Okay. And do you see the first -- the first

Anna Simmons

May 3, 2017

1 four on Ashcraft 104 have the No. 3499953. Do you see
2 that?

3 A. Yes.

4 Q. But the last one has the number -- I'm sorry.
5 No, it has 349953 (sic). My apologizes. Do you see
6 that?

7 A. Yes.

8 Q. But the last number has the No. 3499999. Do
9 you see that?

10 A. Yes.

11 Q. Do you know what the -- do you know why
12 there's -- there's a different number there?

13 A. No. I would have to look at these numbers to
14 see if I can find out what they mean. Maybe it's a
15 different part of Experian. I really do not know
16 sitting here looking at it.

17 Q. Okay. Okay. That's fine. Do you know what
18 the -- looking that fifth column and looking at that --
19 those Experian inquiries, do you know what the term --
20 the code CNX stands for?

21 A. (Looked at document.) This might be the coding
22 for CDI and CDF.

23 Q. Okay. What about CFR?

24 MS. BRASTER: Objection to vague.

25 THE WITNESS: I do not know.

Anna Simmons

May 3, 2017

1 Q. (BY MR. CLARK) What about -- looking at
2 Ashcraft 105, what about OBO?

3 A. I do not know.

4 Q. Okay.

5 MR. CLARK: Jen, if I can just have --
6 agree to go off for like -- for just a minute or two.

7 MS. BRASTER: Sure.

8 MR. CLARK: I may have a few clean-up
9 questions, but that's -- that's -- that's the end of
10 my -- that's the end of my direct right now.

11 Not -- not the official end of my direct,
12 but I just want to go off and make sure I didn't miss
13 anything.

14 MS. BRASTER: That's -- that's fine. We'll
15 just stay on the line if that works for you, unless you
16 need more time.

17 (Pause in proceedings)

18 MS. BRASTER: Anna, I want to thank you
19 again for -- for sitting down and discussing some of the
20 issues involved in this case with me today. As always.
21 I appreciate your time. Glad we were able to get out of
22 here at least with my direct a little bit sooner than we
23 have before.

24 But at this point I have -- I have nothing
25 further. And I would pass the witness.

Anna Simmons

May 3, 2017

1 MS. BRASTER: Thank you, Miles. I don't
2 have any questions. And this time I'll remember to put
3 it -- say it now that we want to review and sign,
4 please.

5 MR. CLARK: Okay.

Re: *Ashcraft v. Welk Resort Group, Corp., et. al.* , Case No. 2:16-cv-02978-JAD-NJK

Dear Messrs. Clark and Knepper,

Enclosed herein is a letter to the court reporter containing Ms. Simmons' changes to the testimony provided on May 3, 2017, as Experian Information Solutions, Inc.'s ("Experian") 30(b)(6) designee. The enclosed letter also contains Experian's confidentiality designations.

Unfortunately, Ms. Simmons' May 3, 2017 deposition testimony was inaccurate as to whether the May 16, 2016 balance date that appears in the Subscriber Response portion of the ACDV (EXP-ASHCRAFT 000065) was provided by the furnisher, Welk Resort Group, Corp. ("Welk"), or by Experian. The corrected testimony reflects that the date was, in fact, provided by Welk. I understand that the true facts may have an impact on Plaintiff's position in his Motion to Amend ("Motion") (ECF No. 24) and Reply brief (ECF No. 26). And while I understand that you did not have the benefit of the final transcript at the time you filed these briefs, I am also confident that you would not want to prevail on a motion on the basis of inaccurate facts or evidence. Accordingly, I invite you to withdraw the pending Motion. Experian will stipulate to Plaintiff re-opening the deposition and will make its 30(b)(6) designee available to allow you to fully explore the issues in this case on the basis of the corrected, accurate testimony (as limited by the objections to Plaintiff's First Amended Notice of Deposition and our meet and confers relating to the same). If you subsequently wish to refile the Motion, Experian will not oppose such Motion on the grounds that the deadline to amend the pleadings in this case has passed. (Experian reserves its right to oppose on any other available grounds, depending on the content of the refiled Motion.)

Alternatively, the parties could stipulate to stay discovery and disposition of the Motion, during which time the only discovery would be the re-opened deposition of Experian's 30(b)(6) designee.
